## **Paul McCartneys Give My Regards To Broad Street:**

*Paul McCartney's Give My Regards to Broad Street* Paul McCartney, 1984 , [That Was Me](#) Richard D. Driver, 2023-07-24 Paul McCartney has lived an extraordinary life in popular music and popular culture His careers as a Beatle as a solo musician and band leader in Wings and in areas outside music have varied tremendously and are well documented *That Was Me* explores the impact of Paul McCartney as a musician outside the Beatles identifying the continued excitement in generations of fans and listeners and his perennial efforts to perform and record music Richard Driver argues that his solo career is multi faceted and extremely diverse ranging from breaking sharply with the style and output of the Beatles to experimenting in orchestral and operatic music and returning to music designed to emulate and reproduce the style success and popularity of the Beatles Through McCartney we can literally and symbolically view and revisit the popular music phenomenon that was the Beatles and popular music from the 1950s to today [The Words and Music of Paul McCartney](#) Vincent P. Benitez Jr., 2010-03-23 This examination of the solo music of Paul McCartney from 1970 2007 offers an analysis of his songs recordings and his impact on popular music *The Words and Music of Paul McCartney The Solo Years* examines the large and varied oeuvre of this deeply personal artist showing how McCartney s stint as a Beatle continues to inform his solo music as well as how he has transcended his days as a member of the Fab Four After a biographical introduction chronologically arranged chapters explore McCartney s music in the immediate aftermath of the breakup of the Beatles his work with Wings during the 1970s his collaborations with other artists during the 1980s and his compositions of the 1990s including his first forays into classical music The examination also covers McCartney s critically acclaimed work in the first decade of the 21st century including *Memory Almost Full* and *Ecce Cor Meum* a composition written in the style of sacred English choral music Throughout the book supplies analytical insights and historical background to a repertoire that surprisingly has not previously been covered in detail *The Beatles: Off The Record 2 - The Dream is Over* Keith Badman, 2009-12-15 This book compiles more outrageous opinions and unrehearsed interviews from the former Beatles and the people who surrounded them Keith Badman unearths a treasury of Beatles sound bites and points of view taken from the post break up years Includes insights from Yoko Ono Linda McCartney Barbara Bach and many more *The Unknown Paul McCartney* Ian Peel, 2013-04-02 Internationally acclaimed knighted and immortalised in music s pantheon Paul McCartney nevertheless remains one of the least fully appreciated of modern icons Throughout his career McCartney has initiated and participated in projects that have taken him very far away from the kind of music associated with his career in The Beatles in Wings and as a solo artist From as far back as the 1960s there have been experimental solo projects both under his own name and incognito These include the legendary *Carnival of Light* sixties freak out the Percy Thrillington diversion in the 70s techno ambient and chill out releases as *The Fireman* pure noise performance art as well as less publicised activity much of which Ian Peel now reveals in depth in print for the first time What emerges is a unique critical insight into an apparently

over familiar public figure Paul McCartney avant garde musician Undertaking extensive research for this book Ian Peel interviewed many of McCartney's intimate musical associates from this less familiar side of his career including Super Furry Animals on their carrot chewing percussion and electronic sound collage collaborations Youth the three times BRIT nominated producer speaks in depth for the first time ever on his two albums of techno ambient and chill out recorded with McCartney as The Fireman Nitin Sawhney on McCartney's first tentative steps into drum bass holed up in Sawhney's London bedsit Richard Hewson breaks a 20 year silence on the Thrillington project and pseudonym David Vaughan the renowned psychedelic artist and organiser of 60s happenings airs his strong views on Carnival of Light The Beatles most legendary unreleased track Other interviewees include Yoko Ono bassist Herbie Flowers Gong's Daevid Allen Frank Zappa's guitarist Mike Keneally JJ Jeczalik Art of Noise and members of Wings
