Fellowship Concerning the Lord's Up-to-date Move Witness Lee, 1985      The Structure of Second Corinthians Kei Hiramatsu, 2023-09-07 Hiramatsu Kei examines the literary structure of 2 Corinthians and how it can illuminate understanding of this Pauline letter and its theological message He explores the theoretical foundations of Inductive Bible Study as an approach which focuses on the meaning of biblical texts in their final form by incorporating insights from multifarious methodologies Based on the final form of the letter and its compositional unity he prioritizes the literary context as consequential evidence for interpretation Hiramatsu argues that there are two major components of the literary structure the division of the letter and the identification of major structural relationships within and between the divided parts Thus he proposes that 2 Corinthians consists of seven major segments which coherently develop Paul's discourse pertaining to ministry and discusses the implications regarding his theology of theocentric ministry and that of weakness that arise from a literary investigation Hiramatsu demonstrates that an inductive and integrative approach not only presents a more suitable and helpful literary structure for 2 Corinthians but also illustrates the relevance of such study when seeking to gain understanding of the theological implications of the letter      *Living and Serving according to God's Economy concerning the Church* Witness Lee, 2023-10-21 This book is intended as an aid to believers in developing a daily time of morning revival with the Lord in His word At the same time it provides a limited review of the International Training for Elders and Responsible Ones held in Manila Philippines on October 5-7 2023 The general subject of the training was Living and Serving according to God's Economy concerning the Church Through intimate contact with the Lord in His word the believers can be constituted with life and truth and thereby equipped to prophesy in the meetings of the church unto the building up of the Body of Christ      **The Collected Works of Witness Lee, 1985, volume 3** Witness Lee, The Collected Works of Witness Lee 1985 volume 3 contains messages given by Brother Witness Lee from July 4 through September 28 1985 At the beginning of June Brother Lee returned to Anaheim California from Taipei Taiwan and except for a brief visit to Berkeley California at the end of August he remained in Anaheim until the end of September The contents of this volume are divided into ten sections as follows 1 A message given in Anaheim California on July 4 This message is included in this volume under the title Raising Up Perfecting and Supporting the Full time Serving Ones in the Lord's Recovery 2 Eight messages given in Chinese in Anaheim California on July 31 through September 18 These messages were previously published in Chinese and English in a book entitled The Living Needed for Building Up the Small Group Meetings They are included in this volume under the same title 3 Eight messages given in Anaheim California on August 2 through September 20 These messages were edited into seven chapters and were previously published in a book entitled The Home Meetings the Unique Way for the Increase and the Building Up of the Church They are included in this volume under the same title 4 A message given in Chinese in Anaheim California on August 12 This message was translated into English and is included in this volume under
