Library of Congress

Paul Verlaine And The Decadence 1882 9:

Paul Verlaine and the Decadence, 1882-90 Philip Stephan, 1974 Edmond de Goncourt and the Novel Katherine Ashley, 2021-11-22 Edmond de Goncourt's four solo novels are not simply extensions of the Goncourt brothers joint project but attempts to deviate from the Naturalism with which their name had come to be associated By analysing paratexts the relationship between documentation and fiction as well as plot devices and themes this study links the evolution of Goncourt s fiction to wider literary debates surrounding Naturalism Decadence and the renewal of the novel in fin de si cle France In bringing Goncourt's writings to an English speaking public it will be of interest to students and scholars of the literary history of late nineteenth century France Decadence Alex Murray, 2020-10-15 Decadence that flowering of a mannered literary style in France during the Second Empire and in the last two decades of the nineteenth century in Britain holds an endless fascination Yet the ambiguity of the term decadence and the challenges of identifying its practitioners make grasping its contours difficult From the obsession with classical cultures to the responses to the HIV AIDS crisis of the 1980s and 1990s this book offers one of the most comprehensive histories of literary Decadence The essays here interrogate and expand the formal geographical and temporal frameworks for understanding Decadent literature while offering a renewed focus on the role played by women writers Featuring essays by leading scholars on sexuality politics science translation the New Woman Russian and Spanish American Decadence the influence of cinema on Decadence and much more it is essential reading for all those interested in the literature of the 1890s and Oscar Wilde Decadence and the Making of Modernism David Weir, 1995 The cultural phenomenon known as decadence has often been viewed as an ephemeral artistic vogue that fluorished briefly in late nineteenth and early twentieth century Europe This study makes the case for decadence as a literary movement in its own right based on a set of aesthetic principles that formed a transitional link between romanticism and modernism Understood in this developmental context decadence represents the aesthetic substratum of a wide range of fin de siecle literary schools including naturalism realism Parnassianism aestheticism and symbolism As an impulse toward modernism it prefigures the thematic structural and stylistic concerns of later literature David Weir demonstrates his thesis by analyzing a number of French English Italian and American novels each associated with some specific decadent literary tendency. The book concludes by arguing that the decadent sensibility persists in popular culture and contemporary theory with multiculturalism and postmodernism representing its most current manifestations Subject Catalog Library of Congress, 1977 Afternoon of a Faun Harvey Lee Snyder, 2015-09-01 Amadeus Claude Debussy was the father of the modern era in classical music His innovations liberated Stravinsky Schoenberg and Bartok to write their iconoclastic works and his harmonic inventions are still heard in American jazz Though he was among the most compelling figures of the Belle Epoque his life is little known to all but scholars and of his considerable musical output only Prelude to the Afternoon of a Faun La mer and Clair de lune are widely known Harvey Lee Snyder addresses this cultural neglect by

presenting the composer and his music without jargon or biographical trivia in a richly detailed accurate narrative that reads like a novel Here is the story of a poor unschooled Parisian boy swept by odd coincidences to the Paris Conservatory at age ten Here is a brilliant man struggling to invent a tonal language capable of expressing his unique musical vision finding inspiration not in Bach and Beethoven but in Mallarme's poetry and the paintings of Whistler and Turner a man determined to end two centuries of Germanic domination of European music Here is a reclusive gentle man whose misguided love affairs ended in scandal and scorn His hard work failed to end decades of poverty and debt but when he died in 1918 he was and has remained the foremost French composer of the twentieth century Poetologie und Décadence in der Lyrik Baudelaires, Verlaines, Trakls und Rilkes Ariane Wild, 2002 A Prelude to Modernism Petra Pointner, 2004 General Catalogue of Printed Books British Museum. Department of Printed Books, 1971 Reinventing Marie Corelli for the **Twenty-First Century** Brenda Ayres, Sarah E. Maier, 2019-04-30 With the purpose of introducing Marie Corelli to a new generation of readers and of reconsidering her works for generations familiar with them Reinventing Marie Corelli for the Twenty First Century demonstrates how provocative the author was as a public figure and how controversial and paradoxical were the views about womanhood and the supernatural pitched in her novels This collection of original essays focuses on three major battles that engaged Corelli her personal and public contentions her mercurial constructions of gender and resistance to the New Woman modality and her untenable reconciliation of science with the supernatural Corelli was often fighting several fronts at the same time she rarely was not at war with someone including herself Modern Austrian **Absinthe, the Cocaine of the Nineteenth Century** Doris Lanier, 1995 Absinthe produced a sense of Literature ,1977 euphoria similar to the effect of cocaine and opium but was addictive and caused a rapid loss of mental and physical faculties Despite that Picasso Manet Rimbaud and Wilde were among those devoted to the green fairy and produced writings and art influenced by absinthe Decadent Image Kostas Boyiopoulos, 2015-05-17 This book examines for the first time together poems by three protagonists of the 1890s Oscar Wilde Arthur Symons and Ernest Dowson Weekly Record ,1974 British Books in Print ,1979 Humanities Index, 1980 Flower Poetics in Nineteenth-century France Philip Knight, 1986 The title of Baudelaire's famed collection of poetry Les Fleurs du Mal suggests the importance of flower figures for one of the major French poets of the 19th century Yet until now critics have largely overlooked the significance of flower imagery for the poetics of Baudelaire his Romantic predecessors contemporaries and Symbolist successors In this study Philip Knight examines the general trends in poetic flower imagery discussing the influence of popular paraliterature s idealization of flowers and finally arguing that flower figures became the one indispensable emblem of both continuity and change for the poets of the time Vincent Van Gogh and the Painters of the Petit Boulevard Cornelia Homburg, Elizabeth C. Childs, John House, Richard Thomson, St. Louis Art Museum, 2001 American Book Publishing Record ,1977-03-31 Here s guick access to more than 490 000 titles published from 1970 to 1984 arranged in Dewey seguence with sections for

Adult and Juvenile Fiction Author and Title indexes are included and a Subject Guide correlates primary subjects with Dewey and LC classification numbers These cumulative records are available in three separate sets
