The Pastoral Epistles I. Howard Marshall, Philip H. Towner, 2004-06-15 For over one hundred years the International Critical Commentary series has held a special place among works on the Bible It has sought to bring together all the relevant aids to exegesis linguistic and textual no less than archaeological historical literary and theological with a level of comprehension and quality of scholarship unmatched by any other series No attempt has been made to secure a uniform theological or critical approach to the biblical text contributors have been invited for their scholarly distinction not for their adherence to any one school of thought The first paperback editions to be published cover the heart of the New Testament providing a wealth of information and research in accessible and attractive format

2 Corinthians: An Introduction and Study Guide Jay Twomey, 2017-01-12 This guide considers the historical contexts the literary forms the social and rhetorical backgrounds the politics the theologies and the reception of 2 Corinthians Each chapter surveys recent scholarly approaches to the text focussing especially on critical perspectives that mesh with our contemporary concerns about gender identity race and class 2 Corinthians becomes in the process less the work of a single 1st century writer than a set of fraught even fractured negotiations between competing interests and impulses conducted in Paul's voice The last chapter brings the letter into conversation with Nathaniel Hawthorne's short story The Minister's Black Veil in order to shift the terms of the critical discussion from what Paul meant to how Paul means in later cultural moments Twomey introduces students to the way 2 Corinthians offers a fascinating but fragmentary glimpse into Paul's continuing ties with the Corinthian community At the same time Twomey shows how the letter is the site of many new critical challenges to traditional readings

of Paul and early Christianity In contrast to 1 Corinthians this 2 Corinthians largely eschews the debates and discussions the interests and concerns of Paul s correspondents Instead we find Paul engaged in a multi pronged defence of his ministry in and beyond Corinth Over the course of thirteen chapters he runs the gamut of the emotions rhetorically from tears to joy to biting anger while struggling to keep his relationship with some say his control over the community intact
