Pavilions On The Sea:

Myrtle Beach Pavilion Lesta Sue Hardee, Janice McDonald, 2010 For almost a century the heart of Myrtle Beach was defined by a place simply called the Pavilion From the original structure built in 1908 the Pavilion was the center of the resort town s growing tourism industry It was a destination point for anyone coming to the Grand Strand Here you could stroll the Boardwalk play arcade games make faces in fun mirrors ride rides dance the Carolina Shag or sit on a bench and watch everyone else do all of the above The Pavilion underwent several incarnations The first ones were wooden and vulnerable but the final was concrete and seemingly indestructible standing for nearly 60 years Hardly an architectural marvel what the Pavilion lacked in grandeur it made up for in pure old fashioned fun The beloved structure and its rides fell prey to economics and a wrecking ball in 2006 Myrtle Beach natives Lesta Sue Hardee and Janice McDonald trace the origins of the Pavilion from its early days as a recreational site for guests of Myrtle Beach s first hotel the Sea Side Inn to its heyday as the location for beach activities on the East Coast and finally to the Pavilion s Farewell Season The Images of America series celebrates the history of neighborhoods towns and cities across the country Using archival photographs each title presents the distinctive stories from the past that shape the character of the community today Arcadia is proud to play a part in the preservation of local heritage making history available to all

Old Sylvan Beach and the Pavilions Ann Uloth Malone, Dan Becker, 2014 Sylvan Beach is synonymous with bathing beauties moonlit pavilions the jitterbug the Charleston and a train called the Moonlight Express as well as picnics carnivals music romance love and legend The unlikely truth is that familiarity and age can make our most beautiful treasures banal if we do not pause to remember and observe and venerate the events and moments when we first saw or most appreciated a place like Sylvan Beach For this reason we ask you to come back with us to Sylvan Beach where for over 100 years Houston and much of Texas has come to play dance pray fall in love relax or simply swim in the bay Today the park and its pavilion are enjoying renewed popularity

Coney Island Zoe Ryan, Jonathan Cohen-Litant, 2007 For almost 100 years Coney Island was the most popular seaside destination in the United States Each year millions escaped the heat of New York City to savor the thrills of the Cyclone roller coaster and Wonder Wheel at the Astroland amusement park They came to sample an original Nathan s Famous hot dog witness the first demolition derby or to take a chance at a game of three card Monte on the legendary boardwalk The advent of air conditioning concerns about Coney s tawdry entertainment and faster transportation to other beaches hastened the demise of what had become a uniquely American icon of entertainment and a defining terminus of New York at the water s edge In an effort to revitalize the area the Van Alen Institute in concert with the Coney Island Development Corporation held the Parachute Pavilion Competition a contest to design a year round pavilion in the shadow of the Parachute Jump a landmark built for the 1939 World s Fair Coney Island The Parachute Pavilion Competition presents all 864 submissions from the feasible to the fantastic received from around the world The winning design by London based Carmody Groarke Hardie is a

mesmerizing attraction in its own right composed of two provocative trapezoids illuminated by thousands of colored light bulbs The design respects the historic icon under which it is located but also promises to become an icon in its own right and bring the fun loving spirit of Coney Island into the twenty first century Featuring essays photographic documentation and jury comments Coney Island The Parachute Pavilion Competition is a critical resource for students designers city officials and anyone interested in Coney Island and the reinvention of the historic recreation sites of our cities Pavilions by the Sea Tom Laughton,1988-07-01 *Java in the 14th Century* Theodore G.Th. Pigeaud,2013-12-20 Essentially the following commentary on the contents of the N gara Kert gama has been made up from notes by former editors of the text together with remarks criticisms and digressions by the present author As Kern Krom and their contemporaries were especially interested in dynastie history and archeology their notes on those subjects are legion and as a result of their studies on many points a communis opinio has been reached The argumentations which led up to this end are not reproduced in the present edition The interested reader is referred to Krom s great books *Oud Javaansche Kunst* and *Hindoe Javaansche Geschiedenis* It is to be expected that before long the results of Krom s life work will be made accessible for English readers by De Casparis On the other hand cultural history religion economics and sociology have been rather neglected by the first editors of the N gara Kert gama The present author has done his best to remedy that omission The reader will find that the greater part of the following commen taries is concerned with those subjects The contemporaneous minor texts and the charters that are published translated and annotated in the present book in the same manner as the N gara Kert gama have been chosen almost exc1usively for the valuable information on social economic and religious conditions in the 14th century Majapahit realm that is afforded by them **Japan Report** ,1980 *Metro Manila Street Map* Asiatype, Incorporated,2003 *A Guidebook to South Carolina Historical Markers* ,2021-02-19 The South Carolina Historical Marker Program established in 1936 has approved the installation of more than 1 700 interpretive plaques each highlighting how places both grand and unassuming have played important roles in the history of the Palmetto State These roadside markers identify and interpret places valuable for understanding South Carolina s past including sites of consequential events and buildings structures or other resources significant for their design or their association with institutions or individuals prominent in local state or national history This volume includes a concise history of the South Carolina Historical Marker Program and an overview of the marker application process For those interested in specific historic periods or themes the volume features condensed lists of markers associated with broader topics such as the American Revolution African American history women s history the Civil War and Reconstruction While the program is administered by the South Carolina Department of Archives and History most markers are proposed by local organizations that serve as a marker s official sponsor paying its cost and assuming responsibility for its upkeep In that sense this inventory is a record not just of places and subjects that the state has deemed worthy of acknowledgment but of those that South Carolinians themselves have worked to enshrine **The**

Miles, 2020-05-11 In 1817 a Cantonese scholar was mocked in Beijing as surprisingly learned for someone from the boondocks in 1855 another Cantonese scholar boasted of the flourishing of literati culture in his home region Not without reason the second man pointed to the Xuehaitang Sea of Learning Hall as the main factor in the upsurge of learning in the Guangzhou area Founded in the 1820s by the eminent scholar official Ruan Yuan the Xuehaitang was indeed one of the premier academies of the nineteenth century The celebratory discourse that portrayed the Xuehaitang as having radically altered literati culture in Guangzhou also legitimated the academy's place in Guangzhou and Guangzhou's place as a cultural center in the Qing empire This study asks Who constructed this discourse and why And why did some Cantonese elites find this discourse compelling while others did not To answer these questions Steven Miles looks beyond intellectual history to local social and cultural history Arguing that the academy did not exist in a scholarly vacuum Miles contends that its location in the city of Guangzhou and the Pearl River Delta embedded it in social settings and networks that determined who utilized its resources and who celebrated its successes and values **Aquatecture** Anthony Wylson, 2013-10-22 *Aquatecture* Architecture and Water examines the concept of aquatecture from both historical and contemporary viewpoints The book is comprised of six chapters that discuss topics concerning architecture in aquatic environment Chapter 1 reviews cultural and historical context that shaped the understanding of the water element Chapters 2 and 3 discuss the urban waterfront the interface between urban life and coast or river The book also tackles water environment where water is used for visual effect and amenity value Water techniques and water space for effects and design are then dealt with The text will be useful to architects who are planning to integrate the water element into their works **Railway International Passenger and Ticket Agents Journal**, 1917 *A Jesuit Garden in Beijing and Early Modern Chinese Culture* Hui Zou, 2011-02-01 In this volume Hui Zou analyzes historical architectural visual literary and philosophical perspectives on the Western styled garden that formed part of the great Yuanming Yuan complex in Beijing constructed during the Qing dynasty Designed and built in the late eighteenth century by Italian and French Jesuits the garden described in this book was a wonderland of multistoried buildings fountains labyrinths and geometrical hills It even included an open air theater Through detailed examination of historical literature and representations Zou analyzes the ways in which the Jesuits accommodated their design within the Chinese cultural context He shows how an especially important element of their approach was the application of a linear perspective the line method to create the jing the Chinese concept of the bounded bright view of a garden scene Hui Zou's
