Paving The Way For Revolution Calvinism And The Struggle For A Democratic Constitutional State:

Paving the Way for Revolution Jan Willem Sap, 2001 This book explains and evaluates the political theory of early Calvinism and compares it with the political principles of the great Western revolutions from the sixteenth to the eighteenth centuries

Neo-Calvinism and the French Revolution James Eglinton, George Harinck, 2014-08-28 The French Revolution was the scene of much intellectual and social upheaval Its impact touched a wide range of subjects the relationship of the church to the state social relationships science literature fashion philosophy and theology Although the French Revolution s momentum was felt across Europe and North America it met a particularly interesting response in the Netherlands at that time the scene of a burgeoning neo Calvinist movement In that context the likes of Groen van Prinsterer Abraham Kuyper and Herman Bavinck responded to the French Revolution s ideals and influence in a variety of intellectual and practical ways This book approaches that Dutch response from a range of historical and theological perspectives and in so doing explores the relationship between the French Revolution and the development of neo Calvinism Beginning with historical portraits of Bavinck and Kuyper in relation to the Revolution the perspectives offered also include amongst others the place of multilingualism in neo Calvinism and the Revolution neo Calvinist and Revolutionary approaches to fashion a dialogue between Kuyperian theology and Kieslowski s Three Colours trilogy and a contemporary neo Calvinist critique of French la cit This book forms part of a wider Project neo Calvinism supported by the Theologische Universiteit Kampen and the VU University Amsterdam

Reshaping Protestantism in a Global Context Volker Küster, 2009 The regional contributions from Africa and Asia show how the old European made denominational differences fade in the light of African Instituted Churches or Pentecostalism Reshaping Protestantism is not a backward oriented project of reconstructing the original but makes use of the inner protestant pluralism to cope with globalization and changing religious landscapes Who reads through the different articles can only come to the conclusion Yes there is a contribution to be expected from mainline Protestantism in all its variety

The Reformation of Rights John Witte, 2007 Calvin s teachings spread rapidly throughout Western Europe shaping the law of early modern Protestant lands

Abraham Kuyper James D. Bratt, 2013-05 This is the first full scale English language biography of the highly influential and astonishingly multifaceted Abraham Kuyper 1837 1920 theologian minister politician newspaper editor educational innovator Calvinist reformer and prime minister of the Netherlands from 1901 to 1905 James Bratt is the ideal scholar to tell the story of Kuyper s remarkable life and work He expertly traces the origin and development of Kuyper s signature concepts common grace Christian worldview sphere sovereignty Christian engagement with contemporary culture in the dynamic context of his life s story

Calvin's Doctrine of the State Mark J. Larson, 2009-01-08 Contemporary treatments of Calvin s political views often imply that he embraced a theocratic civil polity and that he was committed to holy war doctrine On the basis of the primary sources the first half of this volume argues that neither position is correct Calvin in his political thought maintained the superiority of a republic as a civil

polity In addition he placed himself firmly within the medieval just war tradition that was established by Augustine of Hippo and later reaffirmed by Thomas Aquinas In terms of his commitment to classical just war teaching Calvin stood in continuity with Martin Luther even while he distanced himself from the holy war perspective of the Zurich Reformers Henry Bullinger and Peter Martyr Vermigli In the thinking of Calvin a war could only be authorized by the state not the church War had to be prosecuted with humanity and restraint and not in the tradition of the medieval crusade The second half of the book sets forth what Calvin actually believed on the matter of government and war Here we examine his teaching on parliamentary resistance to monarchical tyranny and the full dimensions of his commitment to justice of war categories Unlike Luther and Bullinger Calvin provided a parliamentary remedy for the perennial evil of tyranny With Vermigli and Theodore Beza siding with Calvin on this right a body of Reformed doctrine was established to which succeeding generations could appeal for teaching direction and justification for taking up arms It is clear that Calvin's political legacy is profoundly evident in the American Revolutionary War and in the constitutional determination for a republic in the United States of America Calvin's ecclesiastical republicanism as it came to fruition in Presbyterian church government was a powerful impetus toward the creation of republican institutions in civil government

Property, Piracy and Punishment Hans W. Blom, 2009 Contains papers from a conference on *De iure praedae* held in June 2005 at the Netherlands Institute for Advanced Study in the Humanities and Social Sciences

Justifying Revolution Gary L. Steward, 2021 Historians have debated how the clergy's support for political resistance during the American Revolution should be understood often looking to influence outside of the clergy's tradition In *Justifying Revolution The American Clergy's Argument for Political Resistance 1750-1776* Gary L. Steward explores the theological background and rich Protestant history available to the American clergy as they considered political resistance and wrestled with the best course of action for them and their congregations He argues that rather than deviating from their inherited modes of thought the clergy who supported resistance did so in ways that were consistent with their own theological tradition

Great Christian Jurists in the Low Countries Wim Decock, Janwillem Oosterhuis, 2021-10-07 What impact has Christianity had on law and policies in the Lowlands from the eleventh century through the end of the twentieth century Taking the gradual secularization of European legal culture as a framework this volume explores the lives and times of twenty legal scholars and professionals to study the historical impact of the Christian faith on legal and political life in the Low Countries The process whereby Christian belief systems gradually lost their impact on the regulation of secular affairs passed through several stages not in the least the Protestant Reformation which led to the separation of the Low Countries in a Protestant North and a Catholic South in the first place The contributions take up general issues such as the relationship between justice and mercy Christianity and politics as well as more technical topics of state church law criminal law and social policy

Contours of the Kuyperian Tradition Craig G. Bartholomew, 2017-03-21 Abraham Kuyper was a remarkable figure in the modern age pastor theologian politician journalist and educator His writings launched

A Companion to Reformed Orthodoxy Herman Selderhuis, 2013-03-15 This book reflects and comprises the latest in research on the history and theology of Reformed Orthodoxy 1550 1750 and is at the same time a work in progress which makes this volume in the Companion series unique The reason for this is not only the quality of the authors and the chapters they have produced but also the fact that the study of Reformed Orthodoxy has in recent years taken an entirely new approach and has received renewed and spirited attention whose results have so far not been brought together in one book The renewed interest and reappraisal of this period in intellectual history is reflected in this work in which an international team of renowned scholars give an oversight of this fascinating period in intellectual history Contributors include Willem van Asselt Aza Goudriaan Irena Backus Mark Beach Christian Moser Anton Vos Tobias Sarx Andreas M hling Carl Trueman Graeme Murdock Joel Beeke Sebastian Rehnman Scott Clark John Fesko Luca Baschera Maarten Wisse Hugo Meijer Pieter Rouwendal and John Witte

Rediscovering the Natural Law in Reformed Theological Ethics Stephen J. Grabill, 2006-10-05 Is knowledge of right and wrong written on the human heart Do people know God from the world around them Does natural knowledge contribute to Christian doctrine While these questions of natural theology and natural law have historically been part of theological reflection the radical reliance of twentieth century Protestant theologians on revelation has eclipsed this historic connection Stephen Grabill attempts the treacherous task of reintegrating Reformed Protestant theology with natural law by appealing to Reformation era theologians such as John Calvin Peter Martyr Vermigli Johannes Althusius and Francis Turretin who carried over and refined the traditional understanding of this key doctrine Rediscovering the Natural Law in Reformed Theological Ethics calls Christian ethicists theologians and laypersons to take another look at this vital element in the history of Christian ethical thought

Religion, Pluralism, and Reconciling Difference W. Cole Durham, Jr., Donlu D. Thayer, 2018-11-22 We live in an increasingly pluralized world This sociological reality has become the irreversible destiny of humankind Even once religiously homogeneous

societies are becoming increasingly diverse Religious freedom is modernity's most profound if sometimes forgotten answer to the resulting social pressures but the tide of pluralization threatens to overwhelm that freedom's stabilizing force Religion Pluralism and Reconciling Difference is aimed at exploring differing ways of grappling with the resulting tensions and then asking will the tensions ultimately yield poisonous polarization that erodes all hope of meaningful community Or can the tradition and the institutions protecting freedom of religion or belief be developed and applied in ways that still foster productive interactions stability and peace This volume brings together vital and thoughtful contributions treating aspects of these mounting worldwide tensions concerning the relationship between religious diversity and social harmony The first section explores controversies surrounding religious pluralism from different starting points including religious political and legal standpoints The second section examines different geographical perspectives on pluralism Experts from North and South America Europe Africa and the Middle East address these issues and suggest not only how social institutions can reduce tensions but also how religious pluralism itself can bolster needed civil society

The Antirevolutionary Roel Kuiper, 2025-06-03 Groen van Prinsterer 1801-1876 born in an aristocratic family became a dedicated Protestant in his younger years and one of the leaders of Dutch and European Christianity gaining an influential role as pioneer in international Christian thought and parliamentary action He criticized the secular ideas of the French Revolution in his *Unbelief and Revolution* 1847 This book has been and still is widely read Two years later he was elected in the Dutch parliament where he became the leader of his Antirevolutionary Party He fought for Christian education and democratic rights As a historian he wrote several books highlighting the merits of the Reformation and God's guidance in the lives of the nations He became the spiritual father of many Christian leaders especially of Abraham Kuyper who shaped this Protestant political movement to be one of the most influential in Dutch history His legacy shaped thinkers like Herman Bavinck and Herman Dooyeweerd the founder of reformational philosophy

Great Christian Jurists in French History Olivier Descamps, Rafael Domingo, 2019-05-16 French legal culture from the Middle Ages to the present day has had an impressive influence on legal norms and institutions that have emerged in Europe and the Americas as well as in Asian and African countries This volume examines the lives of twenty seven key legal thinkers in French history with a focus on how their Christian faith and ideals were a factor in framing the evolution of French jurisprudence Professors Olivier Descamps and Rafael Domingo bring together this diverse group of distinguished legal scholars and historians to provide a unique comparative study of law and religion that will be of value to scholars lawyers and students The collaboration among French and non French scholars and the diversity of international and methodological perspectives gives this volume its own unique character and value to add to this fascinating series

Christianity and Constitutionalism Nicholas Aroney, Ian Leigh, 2022 The first volume of its kind Christianity and Constitutionalism explores the contribution of Christianity to constitutional law and constitutionalism as viewed from the perspectives of history law and theology The authors examine a

wide range of key figures including Augustine Thomas Aquinas Moses Martin Luther and Roger Williams offering innovative and thoughtful analyses of the relationship between religious thought and constitutional law Part I features contributions from historians and is focused on the historical influence of Christianity on constitutionalism recounting how the relationship between the Christian faith and fundamental ideas about law justice and government has evolved from era to era Part II offers the analyses of constitutional lawyers focusing on the normative implications of Christianity for particular themes or topics in constitutional law The chapters in this section orbit around several central doctrines and principles of this field including sovereignty the rule of law democracy the separation of powers human rights conscience and federalism evaluating them from a range of Christian perspectives Part III rounds out the study with theologians focused on particular Christian doctrines exploring their constructive and sometimes critical implications for constitutionalism As a whole Christianity and Constitutionalism breaks new ground by offering wide ranging interdisciplinary contributions to the study of the relationship between the Christian religion and constitutional law

Christian Hospitality and Muslim Immigration in an Age of Fear Matthew Kaemingk, 2018-01-25 An alternative uniquely Christian response to the growing global challenges of deep religious difference In the last fifty years millions of Muslims have migrated to Europe and North America Their arrival has ignited a series of fierce public debates on both sides of the Atlantic about religious freedom and tolerance terrorism and security gender and race and much more How can Christians best respond to this situation In this book theologian and ethicist Matthew Kaemingk offers a thought provoking Christian perspective on the growing debates over Muslim presence in the West Rejecting both fearful nationalism and romantic multiculturalism Kaemingk makes the case for a third way a Christian pluralism that is committed to both the historic Christian faith and the public rights dignity and freedom of Islam

Religious Liberty in Western and Islamic Law Kristine Kalanges, 2012-04-19 Weaves together international and comparative law religion international relations comparative politics and legal history to illuminate and address the theoretical and practical dimensions of a significant human rights problem

Sovereignty in Transition Neil Walker, 2003-11-28 Sovereignty in Transition brings together a group of leading scholars from law and cognate disciplines to assess contemporary developments in the framework of ideas and the variety of institutional forms associated with the concept of sovereignty Sovereignty has been described as the main organising concept of the international society of states one which is traditionally central to the discipline and practice of both constitutional law and of international law The volume asks to what extent and with what implications this centrality is challenged by contemporary developments that shift authority away from the state to new sub state supra state and non state forms A particular focus of attention is the European Union and the relationship between the sovereignty traditions of various member states on the one hand and the new claims to authority made on behalf of the European Union itself on the other are examined The collection also includes contributions from international law legal philosophy legal history political theory political science international relations and

theology that seek to examine the state of the sovereignty debate in these disciplines in ways that throw light on the focal constitutional debate in the European Union
