new paradigm It is a world in which doors swing open to unimaginable forces and where humanity reconnects with the one true source of its power the divine spirit of a living universe Infinity's Flower is a vision of the paradise that an empowered and an enlightened humanity can and must create on Earth *Infinity's Child* Charles V. De Vet,2019-12-04 A man survives a terrible plague with a new Force in his mind which gives him courage and enables him to accomplish things He s in Minnesota on a post WW3 earth with no central governments remaining in any countries *Chess Life* ,2002 Canadiana ,1991 *Unfinished* John W. Galler,2024-01-29 What if the majority of society simultaneously withdrew their cash and investments globally and stopped working to collapse imperialist insanity This would actually force the much needed attention and urgency to decide what we could become next At some point we have to evolve as a species Should we still insist on the current chaos that we can t seem to escape we could all return to as it was Financial imperialism and religion can t be the best that self aware humans can possibly filter He asks why be so blatantly mediocre Instead of letting our current limitations go author John W Galler has decided to delve into them with unapologetic force To help us understand what could be beyond he expands to an exploration of our values and the correlation between quantum physics and meditation Nothing but our immediate actions can truly initiate personal and global change So Unfinished is for anyone who knows that their internal world and the world at large needs a hard reset *Impure* Victoria Stanton,Vincent Tinguely,2001
