Seeing the Spiritual Reasons Behind the Negativity Jem Amber Stone,2015-09-03 Seeing the Spirituality behind the Negativity started off as a personal type of diary of channeled material for me and my family My son especially was interested in what I did and would put questions to me that I answered by automatic writing This is done by tuning into frequencies like a radio a channeled voice s that would tell me what to write Sometimes the information came so fast I had to approximate the word they told me In other words some of the time I filtered what was told to me so that the information is as close as can be After a while I started asking my own personal questions about my life and what I was going through and at other times I asked about spiritual and even sought out who were the aliens I again had experienced Eventually my writing revealed further information about controversies such as major events that changed the world In the end I decided if my book could help other people then why not have it published It is not unique as there have been others such as David Icke PTAah and Seth material Rather I think my book validates other channeled books Even if the book is read as fiction as long as it has been entertaining or even thought provoking then my goal of publishing it has been accomplished

Douglas,2025-07-22 Humans often gravitate toward toxicity dazed by love and familiarity This blind compliance traps them demonstrating how easily attachment can obscure clarity and affix them to unhealthy environments James Douglas s book Under an August Moon is a coarse and intimate memoir that outlines the severe undermining of a toxic relationship Beginning with the heartache of personal loss and moving through the rough

stages of an abusive marriage Douglas incorporates a story that is as emotionally engrossing as it is brutally honest Furthermore the book grasps the sophistications of love betrayal and self discovery in a setting of small town life and societal intimidations One quality that makes this account distinctive is its analysis of the psychological toll of manipulation and gaslighting Here Douglas shares the subtle early warning signs that many overlook presenting a stimulating consideration of how easily love can morph into control His unrestrained narrative urges readers into the emotional delicacies of his journey from moments of transient happiness to the suffocating hold of abuse Fundamentally this book attests to stability and the intrepidity required to reframe one s identity Douglas s journey proposes hope to anyone entangled in the shadows of toxic relationships illustrating that freedom though messy is always within reach *Awakened* Erin Kalte,2011-02 Erin Kalte grew up within a secure loving family and more material things than she needed She was a talented dancer and a happy fun loving daughter sister and friend Erin s normal teenage rebellion lead to dabbling in alcohol and drugs until she spiraled into a deadly addiction to methamphetamines Erin s life flipped from living the American dream to navigating a nightmare of violence crime and the loss of her family because of the dark world of drugs After a failed suicide attempt Erin was introduced to a God who loved her and accepted her with all her addiction flaws As Erin explored this new relationship with God she experienced a miracle of healing from her addiction How could the All American girl with everything give it all up for drugs How was Erin able to finally accept help and seek rehabilitation What kind of miracle did Erin receive And what does that mean for others who have addiction problems *Awakened* chronicles the life of a meth addict and the healing of addiction It s a personal revelation of a drug addict s secrets and a first hand account of a physical and emotional healing *Awakened* is a courageous personal journey of a young woman s triumph over drug addiction *Jean Jacques Rousseau* Frederika Macdonald,1906
