

WINNER OF THE 1996 FAWCETT PRIZE

The book cover features a dark, textured background with a deep blue and purple color palette. On the left side, there is a vertical, elongated, and somewhat abstract figure that resembles a classical statue or a piece of ancient sculpture. This figure has a face with a large, dark eye and a small, dark mouth. The figure appears to be emerging from or attached to a larger, more complex structure that looks like a classical architectural element, possibly a column or a pediment. The overall style is artistic and somewhat somber.
