AUTHOR OF *THE GIFT OF FEAR*

Protecting The Gift

Trevor M. Chase

Protecting The Gift:

Protecting the Gift Gavin De Becker, 1999 I commit that by the end of this book you ll know more and be uncertain less see more and deny less accept more and hesitate less act more and worry less How can I be so sure Because if nature selected you for the job of protecting a child odds are you re up to it Gavin de Becker In his groundbreaking bestseller The Gift of Fear Gavin de Becker showed millions of readers that like every creature on earth human beings can predict violent behavior Now in Protecting the Gift de Becker empowers parents to trust fully their own intuition when it comes to their children s safety In this indispensable resource de Becker provides keen insights into the behavior and strategies of predators He offers practical new steps to enhance children s safety at every age level specific questions parents can ask to screen effectively and evaluate baby sitters day care services schools and doctors a Test of Twelve safety skills children need before being alone in public warning signs to help parents protect children from sexual abuse and how to keep teenage girls and boys from unsafe situations with peers and adults De Becker also shatters the myth that rules like Never Talk to Strangers will keep your children safe By showing what danger really looks like as opposed to what we might imagine it looks like de Becker gives parents freedom from many common worries and unwarranted fears All parents face the same challenges when it comes to their children s safety whom to trust whom to distrust what to believe what to doubt what to fear and what not to fear De Becker helps parents find some certainty about life s highest stakes questions How can I know a baby sitter won t turn out to be someone who harms my child What should I ask child care professionals when I interview them What s the best way to prepare my child for walking to school alone How can my child be safer at school How can I spot sexual predators What should I do if my child is lost in public How can I teach my child about risk without causing too much fear What must my teenage daughter know in order to be safe What must my teenage son know in order to be safe And finally in the face of all these questions how can I reduce the worrying A generation ago in Baby and Child Care Dr Benjamin Spock told parents that they already possessed most of the important knowledge about their children s health Similarly when it comes to predicting violence and protecting children de Becker demonstrates that you already know most of what you need to know parents have he says the wisdom of the species

Protecting the Gift Gavin De Becker, 2013-05-15 Safety skills for children outside the home Warning signs of sexual abuse How to screen baby sitters and choose schools Strategies for keeping teenagers safe from violence All parents face the same challenges when it comes to their children s safety whom to trust whom to distrust what to believe what to doubt what to fear and what not to fear In this empowering book Gavin de Becker the nation s leading expert on predicting violent behavior and author of the monumental bestseller The Gift of Fear offers practical new steps to enhance children s safety at every age level giving you the tools you need to allow your kids freedom without losing sleep yourself With daring and compassion he shatters the widely held myths about danger and safety and helps parents find some certainty about life s highest stakes questions How can I know a baby sitter won t turn out to be

someone who harms my child see page 103 What should I ask child care professionals when I interview them see page 137 What s the best way to prepare my child for walking to school alone see page 91 How can my child be safer at school see page 175 How can I spot sexual predators see page 148 What should I do if my child is lost in public see page 86 How can I teach my child about risk without causing too much fear see page 98 What must my teenage daughter know in order to be safe see page 191 What must my teenage son know in order to be safe see page 218 And finally in the face of all these questions how can I reduce the worrying see page 56 100 Provocative Statements about Protecting the Gift Alice

Darting,2013-04 In this book we have hand picked the most sophisticated unanticipated absorbing if not at times crackpot original and musing book reviews of Protecting the Gift Keeping Children and Teenagers Safe Don t say we didn t warn you these reviews are known to shock with their unconventionality or intimacy Some may be startled by their biting sincerity others may be spellbound by their unbridled flights of fantasy Don t buy this book if 1 You don t have nerves of steel 2 You expect to get pregnant in the next five minutes 3 You ve heard it all

Marion and Derrida on The Gift and Desire: Debating the Generosity of Things Jason Alvis,2016-01-13 This book examines the various encounters between Jean Luc Marion and Jacques Derrida on the gift considers their many differences on desire and demonstrates how these topics hold the keys to some of phenomenology s most pressing structural questions especially regarding deconstructive approaches within the field The book claims that the topic of desire is a central lynchpin to understanding the two thinkers conflict over the gift for the gift is reducible to the desire to give which initiates a turn to the topic of generosity To what degree might loving also imply giving How far might it be suggested that love is reducible to desire and intentionality It is demonstrated how Derrida the generative father of deconstruction rejects the possibility of any potential relation between the gift and desire on the account that desire is bound to calculative repetition economical appropriation and subject centered interests that hinder deconstruction Whereas Marion a representative of the phenomenological tradition demands a unique union between the gift and desire which are both represented in his reduction to givenness and erotic reduction The book is the first extensive attempt to contextualize the stark differences between Marion and Derrida within the phenomenological legacy Husserl Heidegger Kant supplies readers with in depth accounts of the topics of the gift love and desire and demonstrates another means through which the appearing of phenomena might be understood namely according to the generosity of things

The Gift Trevor M. Chase,2011-10 What is it about The GIFT that makes it worth having and keeping handy for repeated reference What is it about this book that causes people to refuse to lend it out for fear that they might not get it back And what is it that inspires people to treat it like an heirloom not wanting their children to grow up without knowledge of its contents It has to be about what the book offers between its covers Very true so let s take a brief look at what s in store for those who are interested in making a sound investment towards something which many individuals out of Christ might consider to be a fantasy but would like to have their copy anyway and hold on to it because they too can

benefit tremendously from it The Gift is based on a practical concept that ultimately becomes a cherished relationship lifestyle a concept that is so pregnant with marriage preservation content that those who become impregnated with this concept will make marriage attractive even to many of those who are turned off by it At the core of this concept is its ultimate destination the motivation that gives it life and sustained consistency In its Ultimate Destination the title of the book becomes relevant and becomes the life blood of the mutual commitment to adhere to the Gold Standard of caring for each other Then there is GIFT care Two hundred and seventy four recommendations for caring for your marriage or the one that you will some day have In this marriage enrichment book the Royal status of the born again individual is brought into focus and its place in marriage enrichment is laid out This chapter shows disrespect the door In dealing with the fact of one s royal status in Christ this author takes the reader to the core of the fascinating world of authentic Christian Identity and shows how it can and is supposed to impact marriage in the most positive ways Then there are the responsibilities of Royalty Here too we are treated to a plethora of potentially life transforming facts a transformation that elevates self concept to new highs and changes the fulfillment zip code of the marriage itself In this book the author also deals with the practicality of Royalty Have you ever wondered how your marriage would be affected if you were to see both yourself and your spouse through the eyes of God This author takes you there Don t miss it If you and your spouse are both born again of the Holy Spirit do you know that to treat each other any less than as Royalty is highly offensive to God You owe it to yourself your marriage and your spouse to get this book and see why this is so Watch your home prosper as you make good use of this information

The Gift Wrapping Book Caroline Birkett, 2015-10-21 This guide offers 150 inspirational and practical gift wrapping suggestions plus more than 25 projects that employ a wide variety of techniques Step by step instructions and color photos show how to beautify any gift

From Gift to Commodity Hildegard Hoeller, 2012 In this rich interdisciplinary study Hildegard Hoeller argues that nineteenth century American culture was driven by and deeply occupied with the tension between gift and market exchange Rooting her analysis in the period s fiction she shows how American novelists from Hannah Foster to Frank Norris grappled with the role of the gift based on trust social bonds and faith in an increasingly capitalist culture based on self interest market transactions and economic reason Placing the notion of sacrifice at the center of her discussion Hoeller taps into the poignant discourse of modes of exchange revealing central tensions of American fiction and culture

Catholic Bioethics and the Gift of Human Life, Third Edition William E. May, 2013-07-26 In this revision of his already classic text William May shows us once again the wisdom of the Catholic Church s moral tradition in its application to contemporary bioethics Illuminating and engaging and with the attention to nuance that marks all of May s writing Edward J Furton M A Ph D Ethicist and Director of Publications The National Catholic Bioethics Center Since it was first published Dr May s text Catholic Bioethics and the Gift of Human Life has served an irreplaceable role in Catholic moral education His new revision adds clear systematic treatments of several additional issues of pressing moral concern to the

Church and society Catholic educators everywhere will welcome this excellent revision I welcome it E Christian Brugger Associate Professor of Moral Theology Institute for the Psychological Sciences With so much bioethical thinking supporting the culture of death I can think of no better champion of a culture of life than Professor William E May Professor May has given us a book which is useful not only for its masterful summary of the moral magisterium on bioethics but also for its treatment of such issues as contraception artificial reproduction the care of the dying human experimentation and the definition of death and organ transplants Dr Mark S Latkovic Associate Professor of Moral Theology Sacred Heart Major Seminary What the Church teaches and why on issues of euthanasia in vitro fertilization genetic counseling assisted suicide living wills persistent vegetative state organ transplants and more **Hearings** United States. Congress. House, 1935

The Gift of Fear Gavin De Becker, 1998 True fear is a gift Unwarranted fear is a curse Learn how to tell the difference A date won't take no for an answer The new nanny gives a mother an uneasy feeling A stranger in a deserted parking lot offers unsolicited help The threat of violence surrounds us every day But we can protect ourselves by learning to trust and act on our gut instincts In this empowering book Gavin de Becker the man Oprah Winfrey calls the nation's leading expert on violent behavior shows you how to spot even subtle signs of danger before it's too late Shattering the myth that most violent acts are unpredictable de Becker whose clients include top Hollywood stars and government agencies offers specific ways to protect yourself and those you love including how to act when approached by a stranger when you should fear someone close to you what to do if you are being stalked how to uncover the source of anonymous threats or phone calls the biggest mistake you can make with a threatening person and more Learn to spot the danger signals others miss It might just save your life
