Proud City Amo Sulaiman, 2002-11-14 Proud City will have reason to be proud June Schmid Amo Sulaiman tells us that we currently live in a millennial age precipitating all manner of cultural and political re evaluation Proud City proposes a reasonable solution to all the world s problems by allowing the youth to break free of the shackles of the oldies and revise society and law accordingly If only the youth could lead the world everything would be all right This book is one that can be read in many different ways rather than having a single rigid meaning Incredible It s like reading ten books in one It makes you think and yet laugh serious and yet witty Marylou Bregy TILT Magazine **Proud Beggars** Albert Cossery, 2011-12-27

Early in Proud Beggars a brutal and motiveless murder is committed in a Cairo brothel But the real mystery at the heart of Albert Cossery s wry black comedy is not the cause of this death but the paradoxical richness to be found in even the most materially impoverished life Chief among Cossery s proud beggars is Gohar a former professor turned whorehouse accountant hashish aficionado and street philosopher Such is his native charm that he has accumulated a small coterie that includes Yeghen a rhapsodic poet and drug dealer and El Kordi an ineffectual clerk and would be revolutionary who dreams of rescuing a consumptive prostitute The police investigator Nour El Dine harboring a dark secret of his own suspects all three of the murder but finds himself captivated by their warm good humor How is it that they live amid degrading poverty yet possess a joie de vivre that even the most assiduous forces of state cannot suppress Do they despite their rejection of social norms and all ambition hold the secret of contentment And so this short novel considered one of Cossery s masterpieces is at once biting social commentary police procedural and a mischievous delight in its own right *Memories*

of the Cultural Revolution Luo Ying, 2015-11-30 At once a work of narrative lyricism and an act of personal courage this memoir in verse documents the human cost of a period of political turmoil in China s recent past Luo Ying the pen name of Huang Nubo a celebrated poet Forbes billionaire and mountain climber draws readers into the depths of the Cultural Revolution 1966 1976 by rendering its defining moments in his life with devastating precision and clarity The narrative poems that make up Memories of the Cultural Revolution combine the ardor of youthful experience with the cooler insight of mature reflection offering a nuanced picture of life in the midst of historic change The Great Proletarian Cultural Revolution marked a critical passage on China s road to modernity as momentous for the world as it was for one boy caught up in its throes In poetry that juxtaposes the political and the personal the social and the individual Luo Ying depicts a time when ultraleftist mass movements and factional struggles penetrated the deepest level of private daily life In bleak yet vivid portraits of his mother father classmates and coworkers he reveals how the period indelibly marred him I am a red guard just as I always was he writes Giving voice to the inner life of a man haunted by his experiences Memories of the Cultural Revolution bears witness to a traumatic time when ideology threatened to crush individuality Luo Ying s poetry stands as eloquent testimony to the power of the individual voice to endure in the face of dire social and historical circumstances

The Southern Lumberman ,1920 **The Rebirth of Dialogue** James P. Zappen,2012-02-01 Dialogue has suffered a long eclipse in the history of philosophy and the history of rhetoric but has enjoyed a rebirth in the work of Hans Georg Gadamer Martin Buber and Mikhail Bakhtin Among twentieth century figures Bakhtin took a special interest in the history of the dialogue form This book explores Bakhtin s understanding of Socratic dialogue and the notion that dialogue is not simply a way of persuading others to accept our ideas but a way of holding ourselves and others accountable for all of our thoughts words and actions In supporting this premise Bakhtin challenges the traditions of argument and persuasion handed down from Plato and Aristotle and he offers as an alternative a dialogical rhetoric that restructures the traditional relationship between speakers and listeners writers and readers as a mutual testing contesting and creating of ideas The author suggests that Bakhtin s dialogical rhetoric is not restricted to oral discourse but is possible in any medium including written graphic and digital **Louis Sébastien Mercier** Michael J. Mulryan,2023-09-15 French playwright novelist activist and journalist Louis S bastien Mercier 1740 1814 passionately captured scenes of social injustice in pre Revolutionary Paris in his prolific oeuvre but today remains an understudied writer In this penetrating study the first in English devoted to Mercier in decades Michael Mulryan explores his unpublished writings and urban chronicles *Tableau de Paris* 1781 88 and *Le Nouveau Paris* 1798 in which he identified the city as a microcosm of national societal problems detailed the conditions of the laboring poor encouraged educational reform and confronted universal social ills Mercier s rich writings speak powerfully to the sociopolitical problems that continue to afflict us as political leaders manipulate public debate and encourage absolutist thinking deepening social divides An outcast for his polemical views during his lifetime Mercier has been called the founder of modern urban discourse and his work a precursor to investigative journalism This sensitive study returns him to his rightful place among Enlightenment thinkers **Congressional Record** United States.
