A Year of Grace, Volume 2 Bo Giertz, Bror Erickson, 2019-11-11 A Year of Grace Vol 2 is a collection of Bo Giertz's sermons from the second half of the liturgical calendar following the day of Pentecost. He preached the earlier sermons in his ten years as a parish pastor at Torpa, a small rural town in Sweden where he began his pastoral career and wrote such books as *The Hammer of God* and *With My Own Eyes*. These early sermons are strongly influenced by the *ordo salutis* order of salvation that he took over from Henric Schartau yet always with an emphasis on salvation by grace rather than the order. His later sermons were preached as the Bishop of Gothenburg throughout his diocese and as a guest preacher elsewhere. These retain the influence of Henric Schartau in that they seek to directly address the three hearers: unbelievers, those awakened to the law, and mature Christians yet his style takes on more subtlety in when, where, and how these hearers are addressed in the context of the sermon. The result is a collection of sermons that provide both great weekly devotions as the collection was intended and a program of study for pastors and others wanting to learn how to rightly handle the word of truth. 2 Tim 2:15

The Transforming Word Series, Volume 2 Mark Hamilton, 2022-10-18 The nation of Israel tells its story of the rise of kings not once but twice: Joshua 2 Kings 1-2 Chronicles and during this period they wrote Psalms and gathered together their wise sayings. Then plunged into the darkness of exile, they had to discover again who God was and what kind of life he called them to live. In the same way, Christians read these texts today for what they share about a promised Messiah and how they explain what life with God looks like in all its complexity. **Psalms, Volume 2** W. Dennis Tucker, Jr., Jamie A.

Grant, 2018-09-04 The NIV Application Commentary helps you communicate and apply biblical text effectively in today's context. To bring the ancient messages of the Bible into today's world, each passage is treated in three sections: Original Meaning, Concise exegesis to help readers understand the original meaning of the biblical text in its historical, literary, and cultural context; Bridging Contexts, A bridge between the world of the Bible and the world of today built by discerning what is timeless in the timely pages of the Bible; Contemporary Significance. This section identifies comparable situations to those faced in the Bible and explores relevant application of the biblical messages. The author alerts the readers of problems they may encounter when seeking to apply the passage and helps them think through the issues involved. This unique award-winning commentary is the ideal resource for today's preachers, teachers, and serious students of the Bible, giving them the tools, ideas, and insights they need to communicate God's Word with the same powerful impact it had when it was first written.
