

Psyche Eros

Robert Bridges

Psyche Eros:

Psyche and Eros Luna McNamara, 2023-06-13 A pure delight Romantic poignant and spellbinding REBECCA ROSS 1 New York Times bestselling author of *Divine Rivals* Fiercely feminist and deeply romantic *Psyche and Eros* has the allure of an old fable and the epic quality of ancient myth tinged with a provocative modern wit Passionate and deftly told AVA REID 1 New York Times bestselling author of *A Study in Drowning* and *The Wolf and the Woodsman* Has the god of love finally met his match Prepare to fall for this glorious reimagining of Greek mythology about a god struck by his own cursed arrow and the mortal woman who teaches him what love truly means *Psyche* princess of Mycenae was born with a prophecy that she will one day conquer a great monster Rejecting her royal duties *Psyche* spends her youth mastering blade and bow preparing for her destiny Tales of her beauty and rebellious nature reach even the goddess Aphrodite who decides to teach *Psyche* a lesson Aphrodite commands Eros the god of desire to deliver a cruel love curse After eons watching humanity misuse his gifts the last thing Eros wants is to become involved in the chaos of the mortal world But when he accidentally pricks himself with the arrow intended for *Psyche* Eros finds himself doomed to yearn for a woman who will be torn from him the moment their eyes meet Thrown together by fate headstrong *Psyche* and world weary Eros will face challenges greater than they could have ever imagined As the Trojan War begins and divine powers try to keep them apart the pair must determine could this be true love or is that only a myth A joyous and subversive tale of gods monsters and the human heart and soul *Psyche and Eros* dazzles the senses while exploring notions of trust sacrifice and what it truly means to be a hero With unforgettably vivid characters spellbinding prose and delicious tension Luna McNamara has crafted a shimmering and propulsive debut novel about a love so strong it defies the will of Olympus A riotous adventure McNamara strikes the perfect note of irreverent humor and furious emotion in this fabulous novel An absolute joy JENNIFER SAINT bestselling author of *Ariadne* An enthralling tale of adventure romance and star crossed lovers SUE LYNN TAN bestselling author of *Daughter of the Moon Goddess*

Eros and Psyche Paul Carus, 1900 **Love and the Soul** James Gollnick, 1992-05-20 The Eros and Psyche myth has over the course of the twentieth century received nearly as much attention from depth psychologists as has the Oedipus story In their attempt to better understand this popular story scholars have proposed various interpretations which have generally followed either Freudian or Jungian theories about the nature of the psyche and its development This elaborate work provides serious students of psychology religion and mythology with a detailed account and analysis of what has been accomplished in the psychological interpretation of the Eros and Psyche myth to date It emphasizes how psychological theory determines the direction of interpretation much more than does the literary context of the myth itself It also examines the strengths and weaknesses of these psychological interpretations five Freudian and six Jungian of the Eros and Psyche myth in order to lay the groundwork for an interpretation which 1 avoids the rigidity of both Freudian and Jungian dogma and 2 restores the myth to its rightful literary and religious context something which has been ignored by

most psychological interpretations **Psyche & Eros** Marie P. Croall, 2009-01-01 In ancient Greece a princess rises to a challenge Psyche lives in the comfort of her parents wealthy kingdom But when her beauty draws the jealous anger of the powerful goddess Aphrodite Psyche finds herself in great danger She is taken away to an isolated mountain to marry a monster Will Psyche find love after all with her mysterious new husband Or will she fall prey to Aphrodite s revenge *Eros and Psyche* Robert Seymour Bridges, Apuleius, 1894 **The Inner World of Trauma** Donald Kalsched, 2014-02-25 Donald Kalsched explores the interior world of dream and fantasy images encountered in therapy with people who have suffered unbearable life experiences He shows how in an ironical twist of psychical life the very images which are generated to defend the self can become malevolent and destructive resulting in further trauma for the person Why and how this happens are the questions the book sets out to answer Drawing on detailed clinical material the author gives special attention to the problems of addiction and psychosomatic disorder as well as the broad topic of dissociation and its treatment By focusing on the archaic and primitive defenses of the self he connects Jungian theory and practice with contemporary object relations theory and dissociation theory At the same time he shows how a Jungian understanding of the universal images of myth and folklore can illuminate treatment of the traumatised patient Trauma is about the rupture of those developmental transitions that make life worth living Donald Kalsched sees this as a spiritual problem as well as a psychological one and in *The Inner World of Trauma* he provides a compelling insight into how an inner self care system tries to save the personal spirit **Eros & Psyche** Robert Bridges, 2014 *The Myth of Analysis* James Hillman, 1997 In this work acclaimed Jungian James Hillman examines the concepts of myth insights eros body and the mytheme of female inferiority as well as the need for the freedom to imagine and to feel psychic reality By examining these ideas and the role they have played both in and outside of the therapeutic setting Hillman mounts a compelling argument that rather than locking them away in some inner asylum or subjecting them to daily self treatment man s peculiarities can become an integral part of a rich and fulfilling daily life Originally published by Northwestern University Press in 1972 this work had a profound impact on a nation emerging self aware from the 1960s as well as on the era s burgeoning feminist movement It remains a profound critique of therapy and the psychological viewpoint and it is one of Hillman s most important and enduring works *Eros & Psyche* Robert Bridges, 1894 *Eros & Psyche* Bertha Marian Skeat, 1905
