THE PSYCHE IN ANTIQUITY

Book Two

Gnosticism and Early Christianity

Edited by Deborah A. Wesley

Psyche In Antiquity Bk 2 Gnosticism And Early Christian

Nicola F. Denzey

Psyche In Antiquity Bk 2 Gnosticism And Early Christian:

Jesus and the Lost Goddess Timothy Freke, Peter Gandy, 2011-08-10 Why Were the Teachings of the Original Christians Brutally Suppressed by the Roman Church Because they portray Jesus and Mary Magdalene as mythic figures based on the Pagan Godman and Goddess Because they show that the gospel story is a spiritual allegory encapsulating a profound philosophy that leads to mythical enlightenment Because they have the power to turn the world inside out and transform life into an exploration of consciousness Drawing on modern scholarship the authors of the international bestseller *The Jesus Mysteries* decode the secret teachings of the original Christians for the first time in almost two millennia and theorize about who the original Christians really were and what they actually taught In addition the book explores the many myths of Jesus and the Goddess and unlocks the lost secret teachings of Christian mysticism which promise happiness and immortality to those who attain the state of Gnosis or enlightenment This daring and controversial book recovers the ancient wisdom of the original Christians and demonstrates its relevance to us today

Understanding the Hebrew Bible

John Barton, 2025-02-01 This is the latest in a series of volumes published about every twenty five years since 1924 surveying the current state of the academic study of the Old Testament more often called the Hebrew Bible in scholarly contexts It is written by leading members of the Society for Old Testament Study the professional organization for scholars in that field in the UK and Ireland but with international members too some of whom have contributed to the volume It provides academics students of the Bible clergy and rabbis and intelligent general readers with a snapshot of the main approaches and issues in the study of the Hebrew Bible since approximately the year 2000 There are chapters on specific biblical books in their ancient context grouped mainly by genre but also on methodological aspects of biblical studies today including interdisciplinary perspectives and contemporary questions such as the Bible in sociological theological historical archaeological literary and linguistic perspectives and the influence of concerns about gender race visual culture and psychology A particular recent interest is represented by a chapter on the reception history of the Hebrew Bible in the visual arts music and literature including drama and film The concern throughout is to encapsulate contemporary currents in interpretation rather than to put forward the contributors personal views but also to suggest how biblical study may or should develop next in these areas As with previous volumes what is provided is a view of global scholarship as seen from these islands that will be useful to serious students of the Hebrew Bible throughout the world As well as describing their field the contributors also provide substantial bibliographies pointing readers to other modern discussions

The British

National Bibliography Arthur James Wells, 2002

The Problem of Evil in the Ancient World

Mark Edwards, 2023-06-22 The aim of this book is to ascertain how ancient Greek and Latin authors both pagan and Christian formulated and answered what is now called the problem of evil The survey ranges chronologically from the classical and Hellenistic eras through the Roman era to the end of the pagan world Six of the twelve chapters are devoted to Christianity

including Manichaeism as one thesis of the book is that the problem of evil takes an acute form only for Christians since no other philosophy of antiquity posits a personal God exercising providence over individuals without having to overcome countervailing forces None the less it will also be shown that Greek philosophies Platonism in particular come close to the Christian formulation Being conscious of the affinity between Greek thought and their own early Christians respond to the problem of evil in the same way as the philosophers by questioning the existence of evil rather than of the divine

Transforming Body & Soul Steven A. Galipeau, 2011-12 Religion has become sick Jesus's teaching and healing ministries point out this frightening and important truth The worst enemies of religion usually lie within religion itself A subtle rigidity takes over that blocks the flow of healing Chapter 7 Transforming Body and Soul With all the scholarly attention given to the Scriptures in the Christian community it is remarkable how little study has been done of the Gospel healing stories These stories embody and reflect powerful interpersonal dynamics which are being rediscovered today in the practice of psychotherapy As a healer Jesus forms a bridge between the most ancient of healers the shamans and recent developments in psychosomatic medicine and depth psychology Body and soul are intimately connected health in one is often reflected in wholeness in the other Blending the insights of Biblical scholarship with those of modern psychology Galipeau examines each of the Gospel healing stories in depth Transforming Body and Soul is a valuable resource for psychotherapists and counselors as well as clergy and pastoral ministers Anyone seeking health and wholeness of body and spirit will find this a rewarding challenging and therapeutic book Originally published by Paulist Press in 1990 Transforming Body and Soul is a significant contribution to Jungian psychology and to the relationship between psychological and spiritual development This Revised Edition includes an Index Larger pages Larger font and a Foreword and Afterword by the author **Cosmology**

and Fate in Gnosticism and Graeco-Roman Antiquity Nicola F. Denzey, 2013-04-09 In Cosmology and Fate in Gnosticism and Graeco Roman Antiquity Nicola Denzey Lewis dismisses Hans Jonas mischaracterization of second century Gnosticism as a philosophically oriented religious movement built on the perception of the cosmos as negative or enslaving A focused study on the concept of astrological fate in Gnostic writings including the Apocryphon of John the recently discovered Gospel of Judas Trimorphic Protennoia and the Pistis Sophia this book reexamines their language of enslavement to fate Gk heimarmene from its origins in Greek Stoicism its deployment by the apostle Paul to its later use by a variety of second century intellectuals both Christian and non Christian Denzey Lewis thus offers an informed and revisionist conceptual map of the ancient cosmos its influence and all those who claimed to be free of its potentially pernicious effects *Encyclopedia of Early Christianity* Everett Ferguson, 2013-10-08 First published in 1997 What's new in the Second Edition Some 250 new entries twenty five percent more than in the first edition plus twenty five new expert contributors Bibliographies are greatly expanded and updated throughout More focus on biblical books and philosophical schools their influence on early Christianity and their use by patristic writers More information about the Jewish and pagan environment of early Christianity

Greatly enlarged coverage of the eastern expansion of the faith throughout Asia including persons and literature More extensive treatment of saints monasticism worship practices and modern scholars Greater emphasis on social history and more theme articles More illustrations maps and plans Additional articles on geographical regions Expanded chronological table Also includes maps

Forbidden Texts on the Western Frontier Tony Burke, 2016-01-28 North American study of the Christian Apocrypha is known principally for its interest in using noncanonical texts to reconstruct the life and teachings of Jesus and for its support of Walter Bauer's theory on the development of early Christianity The papers in this volume presented in September 2013 at York University in Toronto challenge that simplistic assessment by demonstrating that U S and Canadian scholarship on the Christian Apocrypha is rich and diverse The topics covered in the papers include new developments in the study of canon formation the interplay of Christian Apocrypha and texts from the Nag Hammadi library digital humanities resources for reconstructing apocryphal texts and the value of studying late antique apocrypha Among the highlights of the collection are papers from a panel by three celebrated New Testament scholars reassessing the significance of the Christian Apocrypha for the study of the historical Jesus *Forbidden Texts on the Western Frontier* demonstrates the depth and breadth of Christian Apocrypha studies in North America and offers a glimpse at the achievements that lie ahead in the field

Subject Guide to Books in Print, 1997

Sharing and Hiding Religious Knowledge in Early Judaism, Christianity, and Islam Mladen Popović, Lautaro Roig Lanzillotta, Clare Wilde, 2018-08-21 Few studies focus on the modes of knowledge transmission or concealment or the trends of continuity or change from the Ancient to the Late Antique worlds In Antiquity knowledge was cherished as a scarce good cultivated through the close teacher student relationship and often preserved in the closed circle of the initiated From Assyrian and Babylonian cuneiform texts to a Shi'ite Islamic tradition this volume explores how and why knowledge was shared or concealed by diverse communities in a range of Ancient and Late Antique cultural contexts From caves by the Dead Sea to Alexandria both normative and heterodox approaches to knowledge in Jewish Christian and Muslim communities are explored Biblical and qur'anic passages as well as gnostic rabbinic and esoteric Islamic approaches are discussed In this volume a range of scholars from Assyrian studies to Jewish Christian and Islamic studies examine diverse approaches to and modes of knowledge transmission and concealment shedding new light on both the interconnectedness as well as the unique aspects of the monotheistic faiths and their relationship to the ancient civilisations of the Fertile Crescent
