Moonflower, Medicine Woman Jerry D. Sisson, 2011-05-05 Have you ever wondered what the American Continent was like before the Native Americans discovered that Columbus was lost A time before alcohol guns and other mechanized New World inventions The horse came onto the scene with the arrival of the Spanish Explorers in the Sixteenth Century Before the Natives were introduced to the horse all travel was by walking Though many Native tribes were highly sophisticated societies technology was still very primitive This story takes the reader to a time of scant historical traces left by a people

who believed it was honorable to leave no footprints upon the Mother during ones lifetime The story itself is an obscure legend that has had reality interwoven with folklore so as to duplicate as closely as possibly the life and times of these people whose culture was wonderfully rich and colorful This story tells of how the ancient peoples upon the Continent lived before recorded history What they ate What they believed in How they survived Their politics and social life My goal is to create a feeling in my readers of having traveled to this interesting and intriguing time and place To have met the characters in their own environment where they are dealing with their personal concerns and survival *The Treasure of la Malinche* Jeffry Hepple, 2009-03-09 The ordinary life of college professor Margaret de Vega is forever changed when she discovers the six hundred year old memoirs of La Malinche containing the secret to finding the lost treasure of Montezuma With the aid of retired Special Forces Colonel R A Lincoln Doctor de Vega undertakes her treasure hunt along a rapidly deteriorating United States Mexican border **Investigate Indian Affairs** United States. Congress. House. Committee on Indian Affairs, 1943

The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a exceptional and suspenseful novel that will keep you speculating until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
