Beaumont, 2009-05-01 Some Christians denounce nearly every move that Hollywood produces others celebrate even the most morally and artistically questionable While most Christians can agree on the cultural importance of films very few are able to interpret movies with insight and understanding Apologetics professor and film lover Doug Beaumont wants moviegoers to become more informed viewers by better grasping the cinematic techniques and genre considerations that filmmakers use to communicate their central themes He also wades into hot button issues of nudity violence and language in movies helping Christians to more carefully evaluate celluloid depictions of sin Packed with quote and excerpts from many of Hollywood's most successful films and from some of the indie favorites that have gained cult followings **The Message Behind the Movie** is a fun and enlightening look at the art from that defines our age **Eyes Wide Open** William D. Romanowski, 2007-02-01 Grounded in Christian principles this accessible and engaging book offers an informed and fascinating approach to popular culture William D. Romanowski provides affectionate yet astute analysis of familiar well loved movies and television characters from Indiana Jones to Homer Simpson and he speaks with historical depth and expertise on films from Casablanca to Crash and music from Bruce Springsteen to U2 Romanowski's confessional approach affirms a role for popular culture in faithful living Practical analytical approaches to content meaning and artistic style offer the tools to participate responsibly and imaginatively in popular cultural activities An engaging read this new edition introduces students and thoughtful readers to popular culture one of the most influential forces in contemporary society **The Message Behind the Movie—The Reboot** Douglas Beaumont, 2022-04-11 When it comes to movies people of faith often focus on negative assessments of the film industry and certain style elements that they find objectionable such as violence nudity or harsh language While these criticisms are important they are not the whole story A film's message and its method are not always the same thing By discussing the cinematic techniques and the genre considerations filmmakers use to communicate their ideas this book helps Catholics and other Christians to become informed viewers Douglas Beaumont shows how to evaluate the stories that movies tell and how to discern what they say about reality God and what it means to be human At the same time he illustrates how movie watchers can engage in thoughtful lively discussions about not only film but also the big questions in life **Ex Audit - Volume 23** Klyne Snodgrass, 2008-04-01 *Ex Audit* began as the journal incorporating the papers of the Fredrick Neumann Symposium of Princeton Theological Seminary After the first four volumes the journal began publishing the papers from the North Park Symposium on the Theological Interpretation of Scripture The intent from the first has been to provide a forum for doing interdisciplinary theology from a biblical perspective for the benefit of the Church Each annual publication

With Uplifted Head Al Machiela, Dan Lioy, 2007-10-01. *With Uplifted Head* Preaching Hope is a book that exalts Christ by giving insight into the biblical teaching about hope. The book also shows interested readers how to preach in a way that will foster hope among members of their congregations. Because the book is designed for both pastors and lay church leaders, it does more than just present a theological understanding of biblical hope. It also has plenty of suggestions for preaching hope directly and indirectly. The authors maintain that only biblical hope focused on the resurrection and affirmed by the renewing Holy Spirit can change believers internally and create anticipation for a future in the presence of the living God.

Ex Auditu, 2006. **Culture Matters** Terry Michael Moore, 2007. T. M. Moore provides a Reformed perspective on how to understand culture and engage it.

By the Waters of Babylon Scott Aniol, 2019-03-21. A guide to biblically shaped worship which has the greatest missional impact in a post-Christian culture. *By the Waters of Babylon* examines a relationship between worship culture and evangelism that is centered in a desire for biblical fidelity rather than cultural relevance. Imagine how the Hebrews felt during their years of captivity in Babylon. How could they sing the songs they once sang in the splendor of Jerusalem now that they sat in exile? Christian worship in the West faces many of the same challenges as this tragic account of Israel's captivity. By all accounts, Christendom is dead, and unbiblical beliefs have progressively permeated Western thought, expectations, and culture. So how should churches respond to this seismic shift in their relationship with an increasingly post-Christian culture while still following the biblical mandate to reach that culture with the gospel of Jesus Christ? *By the Waters of Babylon* will help Christians wrestle through this critical issue of the

relationship between Christian worship and evangelistic witness especially in the context of an increasingly hostile culture
The author demonstrates that biblically regulated gospel shaped corporate worship that communicates God's truth through appropriate cultural forms will have the most missional impact in a post Christian context *The Writers Directory* ,2013
