FDR and the Jews Richard Breitman, Allan J. Lichtman, 2013-03-19 A contentious debate lingers over whether Franklin Delano Roosevelt turned his back on the Jews of Hitler's Europe FDR and the Jews reveals a concerned leader whose efforts on behalf of Jews were far greater than those of any other world figure but whose moral leadership was tempered by the political realities of depression and war

**Jewish Displaced Persons in Italy 1943-1951** Chiara Renzo, 2023-08-04 This book focuses on the experiences of thousands of Jewish displaced persons (DPs) who lived in refugee camps in Italy between the liberation of the southern regions in 1943 and the early 1950s waiting for their resettlement outside of Europe It explores the Jewish DPs daily life in the refugee camps and what this experience of displacement meant to them This book sheds light on the dilemmas the Jewish DPs faced when reconstructing their lives in the refugee camps after the Holocaust and how this challenging process was deeply influenced by their interaction with the humanitarian and political actors involved in their rescue rehabilitation and resettlement Relating to the peculiar context of post fascist Italy and the broader picture of the postwar refugee crisis this book reveals overlooked aspects that contributed to the making of an incredibly diverse and lively community in transit able to elaborate new paradigms of home belonging and family

**Jewish Forced Labor in Romania, 1940-1944** Dallas Michelbacher, 2020-05-05 This study of the Antonescu regime's forced labor system offers precious insights to historians and social scientists alike Dennis Deletant author of *Ion Antonescu Hitler's Forgotten Ally* Between Romania's entry into World War II in 1941 and the ouster of dictator Ion Antonescu three years later over 105 000 Jews were forced to work in internment and labor camps labor battalions government institutions and private industry Particularly for those in the labor battalions this period was characterized by extraordinary physical and psychological suffering hunger inadequate shelter and dangerous or even deadly working conditions And yet the situation that arose from the combination of Antonescu's paranoias and the peculiarities of the Romanian system of forced labor organization meant that most Jewish laborers survived Jewish Forced Labor in Romania explores the ideological and legal background of this system of forced labor its purpose and its evolution Author Dallas Michelbacher examines the relationship between the system of forced labor and the Romanian government's plans for the solution to the Jewish question In doing so Michelbacher highlights the key differences between the Romanian system of forced labor and the well documented use of forced labor in Nazi Germany and neighboring Hungary Jewish Forced Labor in Romania explores the internal logic of the Antonescu regime and how it balanced its ideological imperative for antisemitic persecution with the economic needs of a state engaged in total war whose economy was still heavily dependent on the skills of its Jewish population

**The Warsaw Ghetto in American Art and Culture** Samantha Baskind, 2018-02-15 On the eve of Passover April 19 1943 Jews in the Warsaw Ghetto staged a now legendary revolt against their Nazi oppressors Since that day the deprivation and despair of life in the ghetto and the dramatic uprising of its inhabitants have captured the American cultural imagination The Warsaw Ghetto in American Art

and Culture looks at how this place and its story have been remembered in fine art film television radio theater fiction poetry and comics Samantha Baskind explores seventy years worth of artistic representations of the ghetto and revolt to understand why they became and remain touchstones in the American mind Her study includes iconic works such as Leon Uris's best selling novel *Mila 18* Roman Polanski's Academy Award winning film *The Pianist* and Rod Serling's teleplay *In the Presence of Mine Enemies* as well as accounts in the American Jewish Yearbook and the New York Times the art of Samuel Bak and Arthur Szyk and the poetry of Yala Korwin and Charles Reznikoff In probing these works Baskind pursues key questions of Jewish identity What links artistic representations of the ghetto to the Jewish diaspora How is art politicized or depoliticized Why have Americans made such a strong cultural claim on the uprising Vibrantly illustrated and vividly told *The Warsaw Ghetto in American Art and Culture* shows the importance of the ghetto as a site of memory and creative struggle and reveals how this seminal event and locale served as a staging ground for the forging of Jewish American identity

**Propaganda and Persecution** Renée Poznanski, 2024-01-23 Renée Poznanski's magisterial history of the French Resistance during World War II offers a comprehensive exploration of the most significant issue in that period's social imaginary the Jewish question With extraordinary nuance she analyzes the discourse around Jews and Judaism that pervaded the Resistance's propaganda and debates while closely examining the fate of Jews under Vichy and after Poznanski argues that Jews in France suffered a double persecution one led by the Vichy government the other imposed by the Nazis Marginalization and exclusion soon led to internment and deportation to terrifying places Meanwhile a propaganda war developed between the Resistance and the official voice of Vichy Poznanski draws on a breathtaking array of sources especially clandestine publications and French language BBC transmissions to show how the Resistance both fought and accommodated the deeply entrenched antisemitism within French society Her close readings of propaganda texts against public opinions probe ambiguities and silences in Resistance writing about the persecution of the Jews and in parallel the numerous and detailed denunciations that could be read in the Jewish clandestine press This extensive synthesis extends to the post Liberation period during which the ongoing persecution of Jews in Europe and North Africa would be portrayed as secondary to the suffering of the nation The winner of the 2009 Henri Hertz Prize by the Chancellerie des Universités de Paris Sorbonne *Propaganda and Persecution* makes major contributions to the study of the Resistance and of antisemitism Lenn J Schramm's English translation brings Poznanski's dynamic prose to life

**Vilnius between Nations, 1795-2000** Theodore R. Weeks, 2015-12-04 The inhabitants of Vilnius the present day capital of Lithuania have spoken various languages and professed different religions while living together in relative harmony over the

years The city has played a significant role in the history and development of at least three separate cultures Polish Lithuanian and Jewish and until very recently no single cultural linguistic group composed the clear majority of its population Vilnius between Nations 1795 2000 is the first study to undertake a balanced assessment of this particularly diverse city Theodore Weeks examines Vilnius as a physical entity where people lived worked and died as the object of rhetorical struggles between disparate cultures and as a space where the state attempted to legitimize a specific version of cultural politics through street names monuments and urban planning In investigating these aspects Weeks avoids promoting any one national narrative of the history of the city while acknowledging the importance of national cultures and their opposing myths of the city's identity The story of Vilnius as a multicultural city and the negotiations that allowed several national groups to inhabit a single urban space can provide lessons that are easily applied to other diverse cities This study will appeal to scholars of Eastern Europe urban studies and multiculturalism as well as general readers interested in the region

*The United States Holocaust Memorial Museum Encyclopedia of Camps and Ghettos, 1933-1945: Volume III* Geoffrey P. Megargee, Joseph R. White, Mel Hecker, 2018-04-21 Accounts of significant sites in Hungary Vichy France Italy and other nations part of the multi volume reference praised as a staggering achievement Jewish Daily Forward This third volume in the monumental seven volume encyclopedia prepared by the Jack Joseph and Morton Mandel Center for Advanced Holocaust Studies at the United States Holocaust Memorial Museum offers a comprehensive account of camps and ghettos in or run by Croatia Hungary Italy Romania Bulgaria Slovakia and Vichy France including North Africa Each entry discusses key events in the history of the ghetto living and working conditions activities of the Jewish Councils Jewish responses to persecution demographic changes and details of the ghetto's liquidation Personal testimonies help convey the character of each ghetto while source citations provide a guide to additional information Documentation of hundreds of smaller sites previously unknown or overlooked in the historiography of the Holocaust make this an indispensable reference work on the destroyed Jewish communities of Eastern Europe

**The Jews of North America** Multicultural History Society of Ontario, 1987 The Jews of North America based on the latest research by fifteen historians and scholars from Canada Israel and the United States is the first book to focus on the ethnic totality of the American and Canadian Jewish experience The book blends a rich array of interrelated themes into a composite whole that is central to an understanding of North American Jewish history The emphasis on continuity of tradition in these essays counters the prevailing myth of discontinuity which promotes the notion of the great sense of separation Jews felt from the world we have lost The volume also provides an interesting comparative dimension by examining the similarities and dissimilarities of the American Jewish immigrant

experience in both Canada and the United States
