Reflexivity And The Crisis Of Western Reason:

Reflexivity and the Crisis of Western Reason Barry Sandywell, 1996 This ground breaking work explores the genealogical analysis of the discourse of reflection Barry Sandywell traces the differences between the traditional discourses of reflection and the experiences of reflexivity *Logological Investigations: Reflexivity and the crisis of Western reason* Barry Sandywell, 1996 This ground breaking work explores the genealogical analysis of the discourses of reflection Barry Sandywell traces the differences between the traditional discourses of reflection and the experiences of reflexivity in everyday social and philosophical thought Brilliantly organised and abounding with astonishing insights Reflexivity and the Crisis of Western Reason offers a fundamental challenge to our normal ways of viewing social thought *Reason After Its Eclipse* Martin Jay, 2016-04-21 Tackles a question as old as Plato and still pressing today What is reason and what roles does and should it have in human endeavor The eminent intellectual historian Martin Jay surveys Western ideas of reason particularly in German philosophy from Kant to Habermas *Worlds in Transition* Joseph Camilleri, Jim Falk, 2009-01-01 We are living through a unique moment of transition marked by a frenetic cycle of invention construction consumption and destruction However there is more to this transition than globalization argue the authors of this unique and penetrating study In their highly innovative approach they set this transition against a broader evolutionary canvas with the emphasis on the evolution of governance The book s detailed analysis of five strategic sectors economy environment health information and security points to an intricate and rapidly evolving interplay of geopolitical cultural and *Dante's Paradiso and the Theological Origins of Modern Thought* William Franke, 2021-03-24 Self reflection as the hallmark of the modern age originates more profoundly with Dante than with Descartes This book rewrites modern intellectual history taking Dante s lyrical language in Paradiso as enacting a Trinitarian self reflexivity that gives a theological spin to the birth of the modern subject already with the Troubadours The ever more intense self reflexivity that has led to our contemporary secular world and its technological apocalypse can lead also to the poetic vision of other worlds such as those experienced by Dante Facing the same nominalist crisis as Duns Scotus his exact contemporary and the precursor of scientific method Dante s thought and work indicate an alternative modernity along the path not taken This other way shows up in Nicholas of Cusa s conjectural science and in Giambattista Vico s new science of imagination as alternatives to the exclusive reign of positive empirical science In continuity with Dante s vision they contribute to a reappropriation of self reflection for the humanities *New Thinking in Complexity for the Social Sciences and Humanities* Ton Jörg, 2011-08-09 The underlying idea and motive for the book is that the notion of complexity may humanize the social sciences may conceive the complex human being as more human and turn reality as assumed in our doing social science into a more complex that is a richer reality for all The main focus of this book is on new thinking in complexity with complexity to be taken as derived from the Latin word complexus that which is interwoven The trans disciplinary approach advocated here will be trans disciplinary in two ways firstly by going beyond the

separate disciplines within the fields of both natural sciences and social sciences and secondly by going beyond the separate cultures of the natural sciences and of the social sciences and humanities

Bakhtin and the Human Sciences Michael Bell, Michael E Gardiner, 1998-08-28 Bakhtin and the Human Sciences demonstrates the abundance of ideas Bakhtin's thought offers to the human sciences and reconsiders him as a social thinker not just a literary theorist The contributors hail from many disciplines and their essays implications extend into other fields in the human sciences The volume emphasizes Bakhtin's work on dialogue carnival ethics and everyday life as well as the relationship between Bakhtin's ideas and those of other important social theorists In a lively introduction Gardiner and Bell discuss Bakhtin's significance as a major intellectual figure and situate his ideas within current trends and developments in social theory

The Reflexive Initiative Stanley Raffel, Barry Sandywell, 2016-03-31 The Reflexive Initiative is an authoritative intervention in the practice and tradition of reflexive social theory It demonstrates the importance of the reflexive imperative not only in the investigation of everyday life but across a wide range of human sciences and philosophical perspectives Forty years after the publication of *On the Beginning of Social Inquiry* the chapters in this collection range from re appraisals of earlier essays on topics such as reunions rethinking art and ex-pats to contributions emphasising the opening of radical dialogues with other reflexive traditions and perspectives These include psychoanalysis Lacan Hegel Rene Girard Daseinanalysis dialectical method critical feminism and the dialogical tradition In this dialogical spirit the book contributes to the continuing project of analytic theorizing associated with the work of Alan Blum and Peter McHugh and the recent turn to more existential topics and politically engaged forms of reflexive research It will be of particular use to students working in interpretive traditions of sociology Critical theory Postmodern thought and debates associated with reflexivity and dialectics in other disciplines and research programmes
