the painful suffering it has produced What s the answer to these cries of the heart Honor your father and your mother as the Lord your God has commanded you that your days may be prolonged and that it may go well with you Deuteronomy 5 16 Honor your father when lived out it is a command that can change the trajectory of generations It s a command that comes with a promise honor our fathers and mothers and things will go well for us Honor Your Father Reset My Family Legacy tackles challenging topics like How to honor imperfect fathers Restoring sexual integrityHow spiritual fathers and mothers can reset a family legacy in spite of others failuresBecoming a father who is worthy of honorBringing honor to your children s mother Including 80 different exercises designed to help you honor your heavenly Father pray for your family s legacy develop a tribute to your Father and pass on a generational blessing to your children this resource will equip you to honor your father and reset your family legacy The Reset DAVID STEVENS,2011-11-04 If you suddenly discovered a reset button that if pushed would immediately undo all of your past mistakes and failures and would restore your current life to better circumstances would you be tempted to give it a try Most of us would but of course there is no such button However in THE RESET you will enjoy a 28 day journey that will enable you to reclaim the life that you should be living If you are ready for a fresh start now and a bright new hope for your future start today and read one chapter a day for the next 28 days Learn 7 life transforming Resets in 28 days and reclaim and finally live the life that God designed just for you THE RESET is both engaging and practical in its style but most importantly it works When you end this 28 day reset journey you will put down a book but you will wake up each day thereafter with a new mind set ready to go out every day and live your life with overflowing confident hope Here are just a few of the highlighted quotes For all of us life is a journey and we really want to give it our best shot every day Even though we can only see in part where our daily journey is taking us and what the cumulative outcomes will be we would like to feel good about our efforts and ourselves at the end of each day It is quite a game changer when we realize that God thinks about us quite differently than most of us think about ourselves No other healing of a broken relationship in life compares to the restoration of your friendship with God I firmly believe that most of our defeats and setbacks in life come because we do not diligently guard our hearts God never engineered your hope tank to be empty or even half full Instead He intends for you to max out and overflow with hope so that some of His hope will spill out on others around you No matter what start you had you can now have a great finish
