Mark Twain's Letters, Volume 4 Mark Twain,1988 You ought to see Livy me now a days you never saw such a serenely satisfied couple of doves in all your life I spent Jan 1 2 3 5 there left at 8 last night With my vile temper variable moods it seems an incomprehensible miracle that we two have been right together in the same house half the time for a year a half yet have never had a cross word or a lover s tiff or a pouting spell or a misunderstanding or the faintest shadow of a jealous suspicion Now isn t that absolutely wonderful Could I have had such an experience with any other girl on earth I am perfectly certain I could not We are to be married on Feb 2d So begins Volume 4 of the letters with Samuel Clemens anticipating his wedding to Olivia L Langdon The 338 letters in this volume document the first two years of a loving marriage that would last more than thirty years They recount in Clemens s own inimitable voice a tumultuous time a growing international fame the birth of a sickly first child and the near fatal illness of his wife At the beginning of 1870 fresh from the success of *The Innocents Abroad* Clemens is on the long agony of a lecture tour and planning to settle in Buffalo as editor of the *Express* By the end of 1871 he has moved to Hartford and is again on tour anticipating the publication of *Roughing It* and the birth of his second child The intervening letters show Clemens bursting with literary ideas business schemes and inventions and they show him erupting with frustration anger and grief but more often with dazzling humor and surprising self revelation In addition to *Roughing It* Clemens wrote some enduringly popular short pieces during this period but he saved some of his best writing for private letters many of which are published here for the first time *Air Force Magazine* ,2012 New York Magazine ,1975-01-20 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to

reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea **Music Clubs Magazine** ,1937 Democracy by Petition Daniel Carpenter,2021-05-04 This pioneering work of political history recovers the central and largely forgotten role that petitioning played in the formative years of North American democracy Known as the age of democracy the nineteenth century witnessed the extension of the franchise and the rise of party politics As Daniel Carpenter shows however democracy in America emerged not merely through elections and parties but through the transformation of an ancient political tool the petition A statement of grievance accompanied by a list of signatures the petition afforded women and men excluded from formal politics the chance to make their voices heard and to reshape the landscape of political possibility Democracy by Petition traces the explosion and expansion of petitioning across the North American continent Indigenous tribes in Canada free Blacks from Boston to the British West Indies Irish canal workers in Indiana and Hispanic settlers in territorial New Mexico all used petitions to make claims on those in power Petitions facilitated the extension of suffrage the decline of feudal land tenure and advances in liberty for women African Americans and Indigenous peoples Even where petitioners failed in their immediate aims their campaigns advanced democracy by setting agendas recruiting people into political causes and fostering aspirations of equality Far more than periodic elections petitions provided an everyday current of communication between officeholders and the people The coming of democracy in America owes much to the unprecedented energy with which the petition was employed in the antebellum period By uncovering this neglected yet vital strand of nineteenth century life Democracy by Petition will forever change how we understand our political history **The Internal Revenue Record and Customs Journal** ,1870 **News from Poland** ,1996 New York Magazine ,1984-06-25 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea **Lincoln's Autocrat** William Marvel,2015-04-15 Edwin M Stanton 1814 1869 one of the nineteenth century s most impressive legal and political minds wielded enormous influence and power as Lincoln s secretary of war during most of the Civil War and under Johnson during the early years of Reconstruction In the first full biography of Stanton in more than fifty years William Marvel offers a detailed reexamination of Stanton s life career and legacy Marvel argues that while Stanton was a formidable advocate and politician his character was hardly benign Climbing from a difficult youth to the pinnacle of power Stanton used his authority and the public coffers to pursue political vendettas and he exercised sweeping wartime powers with a cavalier disregard for civil liberties Though Lincoln s ability to harness a cabinet with sharp divisions and strong personalities is widely celebrated Marvel suggests that Stanton s tenure raises important questions about Lincoln s actual control over the executive branch This insightful biography also reveals why men like

Ulysses S Grant considered Stanton a coward and a bully who was unashamed to use political power for partisan enforcement and personal preservation *Flying Magazine* ,1998-08 Islands Magazine ,2001-05 *Los Angeles Magazine* ,2000-03 Los Angeles magazine is a regional magazine of national stature Our combination of award winning feature writing investigative reporting service journalism and design covers the people lifestyle culture entertainment fashion art and architecture and news that define Southern California Started in the spring of 1961 Los Angeles magazine has been addressing the needs and interests of our region for 48 years The magazine continues to be the definitive resource for an affluent population that is intensely interested in a lifestyle that is uniquely Southern Californian **Census Reports**
