

General Background

- implosion of the Soviet Regime → NIS freed of FP directives of isolationist Soviet bloc → they developed bi- & multilateral ties with both West and East → post-Soviet territory much more complex picture than before.
- Still, several developments along distinct lines
 - **Central Europe** made unambiguous Western choice --> by striving to become part of the Euro-Atlantic security structures e.g. EU bid
 - **Eastern Europe** more complicated. region with divergent domestic and FP choices.
e.g.: CIS (1991) --> conjoins countries with diverse policy goals in 1 organisation
 - Some member states (e.g. Ukr): CIS = elegant solution (civilised divorce)
 - Other members (e.g. Rus&Bel): main purpose: co-ordinating econ & secur. policies among Soviet successor states. Russia: CIS = framework to re-assert leading role in post-Soviet region.
--> after 10 yrs : instit development of CIS has stalled - integration efforts dissipated over CIS area. Members involved in host of sub-regional initiatives: GUUAM, Eurasian Econ Community, Union Rus & Bel, Common Econ Zone.
- Some countries are profiling themselves clearly (Belarus), some pretend to do so (Ukraine)

Regional Foreign Policies In Rus

Nikolay Kozhanov

Regional Foreign Policies In Rus:

Eurasian Regionalisms and Russian Foreign Policy Mikhail A. Molchanov, 2016-03-03 Bridging foreign policy analysis and international political economy this volume offers a new look at the problem of agency in comparative regional integration studies It examines evolving regional integration projects in the Eurasian space defined as the former Soviet Union countries and China and the impact that Russian foreign policy has had on integration in the region Mikhail Molchanov argues that new regionalism in Eurasia should be seen as a reactive response to contemporary challenges that these developing states face in the era of globalization Regional integration in this part of the world treads the unknown waters and may not simply repeat the early steps in the evolution of the European Union The question of a hegemonic leadership in particular as exercised by a country that spearheads regional integration efforts animates much of the discussion offered in the book Moreover Eurasian regionalisms are plural phenomena because of complementary and competing projects that engage the same or partially overlapping groups of countries By combining foreign policy studies with an examination of the international political economy of regionalism in Eurasia the author furthers our understanding of new regionalism both theoretically and empirically

Russian Foreign Policy Eric Shiraev, Konstantin Khudoley, 2018-12-12 Written by two leading scholars this cutting edge textbook provides a comprehensive re evaluation of Russian foreign policy in the 21st century covering its historical development key institutions and actors and processes principles and strategies It integrates domestic and global perspectives to give a more rounded and balanced assessment of Russia's place in the world This text will be essential reading on Russian foreign policy modules as well as on broader courses on Russian government and politics It can also be used as supplementary reading on more general comparative politics and foreign policy modules which use Russia as a key case study

Russia's Foreign Policy D. Cadier, M. Light, 2015-06-30 This edited volume analyses the evolution and main determinants of Russia's foreign policy choices Containing contributions by renowned specialists on the topic the study sheds light on some of the new trends that have characterised Russia's foreign policy since the beginning of Vladimir Putin's third presidential term

Russia's Foreign Policy Andrei P. Tsygankov, 2013-02-14 Now fully updated and revised this clear and comprehensive text explores the past quarter century of Soviet Russian international relations comparing foreign policy formation under Gorbachev Yeltsin Putin and Medvedev Drawing on an impressive mastery of both Russian and Western sources Andrei P Tsygankov shows how Moscow's policies have shifted with each leader's vision of Russia's national interests He evaluates the successes and failures of Russia's foreign policies explaining its many turns as Russia's identity and interaction with the West have evolved The book concludes with reflections on the emergence of the post Western world and the challenges it presents to Russia's enduring quest for great power status along with its desire for a special relationship with Western nations

Russian Foreign Policy Nikolas K. Gvosdev, Christopher Marsh, 2013-08-22 In a truly contemporary analysis of Moscow's relations with its neighbors and other strategic international actors Gvosdev and

Marsh use a comprehensive vectors approach dividing the world into eight geographic zones Each vector chapter looks at the dynamics of key bilateral relationships while highlighting major topical issues oil and energy defense policy economic policy the role of international institutions and the impact of major interest groups or influencers demonstrating that Russia formulates multiple sometimes contrasting foreign policies Providing rich historical context as well as exposure to the scholarly literature the authors offer an incisive look at how and why Russia partners with some states while it counter balances others

Understandings of Russian Foreign Policy Ted Hopf, 2010-11-01 Scholars from Asia Europe and North America working with the support of the Finnish Institute of International Affairs combine their efforts to bring us new insights into how Russia has conducted its foreign affairs since the fall of Communism Drawing on both archival sources and interviews they cover such major issues as Russia s decision to use military force in Chechnya its reactions to NATO expansion and its emergent relations with Japan and East Asia The contributors are Eunsook Chung Henrikki Heikka Ted Hopf Andrea Lopez Hiroshi Kimura Sergei Medvedev and Christer Pursiainen

Palestine in EU and Russian Foreign Policy Malath Alagha, 2016-10-04 The establishment of a Palestinian state has long been a strategic objective of EU and Russian foreign policy in the Middle East However over a decade after the creation of the road map the establishment of an independent Palestinian state has still not been achieved Palestine in EU and Russian Foreign Policy uses the school of constructivism to provide a new understanding of EU and Russian foreign policy It explores the failure of these global actors to speed up the process of establishing a Palestinian state despite this being a strategic objective and top priority of their involvement in the Middle East peace process The book then analyses the role of identity and self other perception in the making of EU and Russian foreign policy towards the Middle East peace process It is argued that Palestinian statehood provides a telling empirical example of how and to what extent the search for global actorness as a matter of international identity informs foreign policy making by global actors The book then proceeds to discuss why the EU and Russia are so eager to be involved in initiating a peace settlement Offering a new understanding of foreign policy making by global players in Middle Eastern politics this book will appeal to students scholars and policymakers working in International Relations and European Russian and Middle Eastern studies

Russian Foreign Policy under Dmitry Medvedev, 2008-2012 Valerie Pacer, 2015-11-19 Although the presidency of Dmitry Medvedev is often seen as a continuation of Vladimir Putin s presidency with the same policies applied in the same way this book disagrees arguing that Medvedev s foreign policy was significantly different from Putin s The book considers especially the relationship between Russia and the Euro Atlantic security configuration including both NATO and the Organisation for Security and Co operation in Europe a relationship of great importance to Russia given constant attention It discusses a wide variety of issues including frozen conflicts security co operation and nuclear weapons reductions highlights the different tone and approach under Medvedev exemplified especially by his draft European Security Treaty and shows how after Putin s return to the presidency there has been a shift in foreign

policy with much great emphasis on influencing Russia's immediate neighbours and on Eurasian union and less emphasis on rapprochement and co-operation

Russian Foreign Policy and the CIS Nicole J. Jackson, 2003-09-04 This book provides a systematic study of Russian foreign policy and the separatist and civil military conflicts in the former Soviet republics following the collapse of the Soviet Union

The Multilateral Dimension in Russian Foreign Policy Elana Wilson Rowe, Stina Torjesen, 2008-10-06 This book examines the place of multilateralism in Russia's foreign policy. It examines Russia's role and relationship with the G8, NATO, EU, Organization for Security and Cooperation in Europe, OSCE, Collective Security Treaty Organization and Shanghai Cooperation Organization covering a wide range of issue areas including nuclear non-proliferation and trade

Russian Foreign Policy Towards the Middle East Nikolay Kozhanov, 2022-04-28 This book sheds light on Russia's motives in the Middle East, examining its growing role in the region and its efforts to defend its national interests. As one of the first volumes to address both domestic and external drivers, it provides a valuable multi-dimensional account of Moscow's foreign policy. *Russian Foreign Policy Towards the Middle East* also traces the historical evolution of Russia's presence in the region, comparing Moscow's current vision of its diplomatic priorities with the strategic goals of the Soviet Union. Diverse case studies reveal areas of both divergence and convergence between Russia and various Middle Eastern players on a range of issues, including the Syrian Civil War, Iran's regional activities and the Yemeni conflict. In an era of renewed global tensions, this volume provides an important corrective to the notion that Russia's Cold War era confrontation with the West determines its contemporary approach to the Middle East. No less important are economic interests and domestic security considerations which push Moscow towards greater interaction with the region. Only by examining both new trends and old traditions can we understand Russia's significance as a global player today.

Explaining Russian Foreign Policy Behavior Alexander Sergunin, 2016-03-22 This book aims to explain the reasons behind Russia's international conduct in the post-Soviet era, examining Russian foreign policy discourse with a particular focus on the major foreign policy schools of Atlanticism, Eurasianism, *derzhavniki*, *realpolitik*, geopolitics, neo-Marxism, radical nationalism and post-positivism. The Russian post-Soviet threat perceptions and national security doctrines are studied. The author critically assesses the evolution of Russian foreign policy decision-making over the last 25 years and analyzes the roles of various governmental agencies, interest groups and subnational actors. Concluding that a foreign policy consensus is gradually emerging in contemporary Russia, Sergunin argues that the Russian foreign policy discourse aims not only at the formulation of an international strategy but also at the search for a new national identity. Alexander Sergunin argues that Russia's current domestic situation, defined by numerous socio-economic, inter-ethnic, demographic, environmental and other problems, dictates the need to abandon superpower ambitions and to rather set modest foreign policy goals

Russian Foreign Policy in the 21st Century R. Kanet, 2010-10-29 After the collapse of the Soviet Union, expectations were high that a new world order was emerging in which Russia and the other former Soviet republics would join the Western community of

nations That has not occurred This volume explains the reasons for this failure and assesses likely future developments in that relationship

EU-Russian Relations and the Ukraine Crisis Nicholas Ross Smith,2016-12-30 This book assesses the competitive and contentious EU Russia relationship in relation to Ukraine from 2010 to 2013 focusing on the important areas of trade energy and security The key issue explored is whether this relationship played any meaningful role in the deterioration of the situation in Ukraine since late 2013

The “Asian Turn” in Russian Foreign Policy Anatoly Torkunov,Dmitry Streltsov,Ekaterina Koldunova,2024-11-01 This book explores the seemingly unstoppable turn away from Europe and towards Asian powers notably China on the part of the Russian state in the early 21st century Ongoing global changes the growing complexity of international interactions and internal political dynamics in Russia have led to what has become known in Russian official and expert discourse as the Asian turn or turn to the East The monograph systemically analyzes all key directions of Russia s Asian turn and assesses achievements problems and prospects of Russian strategy in Asia in a wider international context The book might be interesting to those who are professionally studying IR international dynamics in Asia and Russian foreign policy in Asia

Russian Energy Security and Foreign Policy Adrian Dellecker,Thomas Gomart,2011-05-03 This book provides an original and thoroughly academic analysis of the link between Russian energy and foreign policies in Eurasia as well as offering an interpretation of Russia s coherence on the international stage seeking to understand Russia and explain its behaviour The authors analyse both energy and foreign policies together in order to better grasp their correlation and gain deeper understanding of broader geopolitical issues in Eurasia at a time when things could go either way towards producers or towards consumers Questioning the concept of energy deterrence which aims to fuel uncertainty in Russia s relations with its partners as well as projecting its overall power on the international scene this provocative volume seeks to stimulate debate on this very important issue Assessing the weight that energy has in Russia s foreign policy and in its pursuit of power on the international stage this book will be of interest to students and scholars of international relations energy politics geopolitics and Russian and Central Asian Studies

The Foreign Policy of the Russian Federation Alexander V. Kozhemiakin,Roger E. Kanet,2016-07-27 Providing a current assessment of the major developments in Russian foreign policy since the collapse of the Soviet Union at the end of 1991 the book begins with an examination of the emerging trends in Russian policy and the impact of domestic political and economic factors on Russian policy Succeeding chapters outline the development of Russian policy in the major geographic regions of the world the new states of the near abroad Central Europe and the Balkans the West Asia the Middle East and the developing countries

The Routledge Handbook of Russian International Relations Studies Maria Lagutina,Natalia Tsvetkova,Alexander Sergunin,2023-02-27 This handbook examines the study of international relations IR in Russia giving a comprehensive analysis of historical theoretic conceptual geographical and institutional aspects It identifies the place and role of Russia in global IR and discusses the factors that facilitate or impede the development of Russian IR studies The contributors

represent diverse Russian regions and IR schools and offer an overview of different intellectual traditions and key IR paradigms in the post Soviet era Filling the vacuum in international understanding of the Russian perspective on pivotal international issues they demonstrate the continuity and change in Russia s international policy course over the past three decades and explain how different foreign policy schools and concepts have affected Russian foreign policy making and the decision making process Providing a unique contribution to the discussion on non Western IR theory this handbook will appeal to scholars and students of international relations Russian studies world politics and international studies Russian Foreign Policy Olga Oliker,Keith Crane,Lowell H. Schwartz,Catherine Yusupov,2009-03-09 As Russia s economy has grown so have the country s global involvement and influence which often take forms that the United States neither expects nor likes The authors assess Russia s strategic interests and goals examining the country s domestic policies economic development security goals and worldview They assess implications for U S interests and present ways that Washington could work to improve its relations with Moscow **Role Theory and Russian Foreign Policy** Damian Strycharz,2022-04-27 Despite the increased interest in Russia and its international behaviour current analyses leave much unexplained Damian Strycharz fills this gap in the literature by analysing leaders perceptions and the interactions between internal and external factors shaping foreign policy decisions Challenging existing interpretations of Russian foreign policy and advancing our understanding on how role dynamics occur in non democracies Strycharz examines Russia s reactions to the 2003 4 colour revolutions in Georgia and Ukraine the Five Day War in Georgia and the Euromaidan Revolution He argues that divergent reactions to these upheavals result from a profound change in the leadership perceptions of Russia s international responsibilities Consequently a shift in the understanding of Russia s international duties and departure from the Western partner role resulted in more assertive foreign policy behaviour exemplified by the intervention in Georgia and the annexation of Crimea The book demonstrates that processes of foreign policy formation in Russia are more complex and include more actors than commonly assumed Role Theory and Russian Foreign Policy is an ideal resource for scholars and researchers of international relations foreign policy and post Soviet politics

Regional Foreign Policies In Rus Introduction

In the digital age, access to information has become easier than ever before. The ability to download Regional Foreign Policies In Rus has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Regional Foreign Policies In Rus has opened up a world of possibilities. Downloading Regional Foreign Policies In Rus provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Regional Foreign Policies In Rus has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Regional Foreign Policies In Rus. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Regional Foreign Policies In Rus. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Regional Foreign Policies In Rus, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Regional Foreign Policies In Rus has transformed the way we access information. With the convenience, cost-

effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Regional Foreign Policies In Rus Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Regional Foreign Policies In Rus is one of the best book in our library for free trial.
