

REGIONAL PEACE-KEEPING  
AND INTERNATIONAL  
ENFORCEMENT:  
THE LIBERIAN CRISIS

# Regional Peace Keeping And International Enforcement The Liberian Crisis

**Tom Ruys, Olivier Corten, Alexandra  
Hofer**

## **Regional Peace Keeping And International Enforcement The Liberian Crisis:**

**Regional Peace-keeping and International Enforcement** Marc Weller, 1994 The military intervention in the Liberian civil war marks a significant departure in regional peace keeping and international peace enforcement This book reproduces significant documents many of which are not otherwise available including statements of the parties to the conflict official ECOWAS documents detailing its peace keeping efforts and materials relating to the involvement of the United Nations and humanitarian organizations A substantive introduction provides a detailed analysis of the legal issues raised by this controversial operation

**Understanding Peacekeeping** Paul D. Williams, 2020-12-18 Peace operations remain a principal tool for managing armed conflict and protecting civilians The fully revised expanded and updated third edition of Understanding Peacekeeping provides a comprehensive and up to date introduction to the theory history and politics of peace operations Drawing on a dataset of nearly two hundred historical and contemporary missions this book evaluates the changing characteristics of the contemporary international environment in which peace operations are deployed the strategic purposes peace operations are intended to achieve and the major challenges facing today s peacekeepers All the chapters have been revised and updated and five new chapters have been added on stabilization organized crime exit strategies force generation and the use of force Part 1 summarizes the central concepts and issues related to peace operations Part 2 charts the historical development of peacekeeping from 1945 through to 2020 Part 3 analyses the strategic purposes that United Nations and other peace operations are intended to achieve namely prevention observation assistance enforcement stabilization and administration Part 4 looks forward and examines the central challenges facing today s peacekeepers force generation the regionalization and privatization of peace operations the use of force civilian protection gender issues policing and organized crime and exit strategies

*The Use of Force in International Law* Tom Ruys, Olivier Corten, Alexandra Hofer, 2018-04-26 The international law on the use of force is one of the oldest branches of international law It is an area twinned with the emergence of international law as a concept in itself and which sees law and politics collide The number of armed conflicts is equal only to the number of methodological approaches used to describe them Many violent encounters are well known The Kosovo Crisis in 1999 and the US led invasion of Iraq in 2003 spring easily to the minds of most scholars and academics and gain extensive coverage in this text Other conflicts including the Belgian operation in Stanleyville and the Ethiopian Intervention in Somalia are often overlooked to our peril Ruys and Corten s expert written text compares over sixty different instances of the use of cross border force since the adoption of the UN Charter in 1945 from all out warfare to hostile encounters between individual units targeted killings and hostage rescue operations to ask a complex question How much authority does the power of precedent really have in the law of the use of force

International Law and the Use of Force Christine D. Gray, 2008 This book explores the whole of the large and controversial subject of the use of force in international law it examines not only the use of force by states but also the role of the UN in peacekeeping and enforcement

action and the growing importance of regional organizations in the maintenance of international peace and security Since the publication of the second edition of *International Law and the Use of Force* the law in this area has continued to undergo a fundamental reappraisal Operation Enduring Freedom carries on against Al Qaida and the Taliban in Afghanistan six years after the terrorist attacks of 11 September 2001 Can this still be justified as self defense in the war on terror Is there now a wide right of pre emptive self defense against armed attacks by non state actors The 2006 Israel Lebanon conflict and the recent intervention of Ethiopia in Somalia raise questions about whether the war on terror has brought major changes in the law on self defense and on regime change The 2003 invasion of Iraq gave rise to serious divisions between states as to the legality of this use of force and to talk of a crisis of collective security for the UN In response the UN initiated major reports on the future of the Charter system these rejected amendment of the Charter provisions on the use of force They also rejected any right of pre emptive self defense They advocated a responsibility to protect in cases of genocide or massive violations of human rights the events in Darfur show the practical difficulties with the implementation of such a duty

*The A to Z of Civil Wars in Africa* Guy Arnold, 2009-09-02 Ever since the end of World War II and even more so since 1960 when 17 African colonies became independent of colonial rule the African continent has been ravaged by a series of wars These wars have ranged from liberation struggles against former colonial powers to power struggles between different factions in the aftermath of independence They have ranged from border wars between newly independent states to civil wars between ethnic groups As with many conflicts outside forces were drawn into these wars and major powers outside the continent intervened on one side or the other for a variety of reasons political ideology Cold War considerations ethnic alignments and stemming the flow of violence Whether referring to Algeria s struggle for independence from French colonial rule Nigeria s internal struggles to achieve a balanced state after the British departure the Rwandan genocide of 1994 or the current ethnic cleansing in Darfur *The A to Z of Civil Wars in Africa* covers all of the wars that have occurred in Africa since independence This is done through a chronology broken down by country an introductory essay a bibliography and cross referenced dictionary entries covering the wars conflicts major political and military figures child soldiers mercenaries and blood diamonds

**Legal Perspectives on Security Institutions** Hitoshi Nasu, Kim Rubenstein, 2015-07-24 Explores the tensions that arise when institutions address contemporary security threats

*The Law Against War* Olivier Corten, 2021-07-29 Praise for previous edition a comprehensive meticulously researched study of contemporary international law governing the use of armed force in international relations Andrew Garwood Gowers Queensland University of Technology Law Review Volume 12 2 When this first English language edition of *The Law Against War* published it quickly established itself as a classic Detailed analytically rigorous and comprehensive it provided an indispensable guide to the legal framework regulating the use of force Now a decade on the much anticipated new edition brings the work up to date It looks at new precedents arising from the Arab Spring the struggle against the Islamic State in Iraq and Syria and the conflicts in Ukraine

and Yemen It also reflects the new doctrinal debates surrounding recent state practice Previous positions are reconsidered and in some cases revised notably the question of consensual intervention and the very definition of force particularly to accommodate targeted extrajudicial executions and cyber operations Finally the new edition provides detailed coverage of the concept of self defense reflecting recent interpretations of the International Court of Justice and the ongoing controversies surrounding its definition and interpretation

**The Mask of Anarchy Updated Edition** Stephen Ellis,2006-09 Liberia has been one of Africa s most violent trouble spots In 1990 when thousands of teenage fighters including young men wearing women s clothing and bizarre objects of decoration laid siege to the capital the world took notice Since then Liberia has been through devastating civil upheaval What began as a civil conflict has spread to other West African nations Eschewing popular stereotypes and simple explanations Stephen Ellis traces the history of the civil war that has blighted Liberia in recent years and looks at its political ethnic and cultural roots He focuses on the role religion and ritual have played in shaping and intensifying this brutal war In this edition with a new preface by the author Ellis provides a current picture of Liberia and details how much of the same problems still exist

**The Mask of Anarchy** Stephen Ellis,2001-03 An essential explanation to the 1990 civil upheaval in Liberia that rippled through West Africa For the last decade Liberia has been one of Africa s most violent trouble spots In 1990 when thousands of teenage fighters including young men wearing women s clothing and bizarre objects of decoration laid siege to the capital the world took notice Since then Liberia has been through devastating civil upheaval and the most feared warlord Charles Taylor is now president What began as a civil conflict has spread to other West African nations Western correspondents saw in the Liberian war a primeval savage Africa a heart of darkness They focused on sensational primitive aspects of the conflict such as the prevalence of traditional healers and soothsayers and shocked the international community with tales of cannibalism especially the eating of the body parts of defeated opponents which was widespread Eschewing popular stereotypes and simple explanations Stephen Ellis traces the history of the civil war that has blighted Liberia in recent years and looks at its political ethnic and cultural roots He focuses on the role religion and ritual have played in shaping and intensifying this brutal war

**United Nations Peacekeeping in Africa Since 1960** Norrie Macqueen,2014-07-30 United Nations Peacekeeping in Africa provides an exploration of United Nations military intervention in Africa from its beginnings in the Congo in 1960 to the new operations of the twenty first century The scene is set by an examination of the theoretical bases both of United Nations peacekeeping and of Africa s post independence politics and international relations The peacekeeping project in Africa is then described on a region by region basis Central Africa Southern Africa West Africa the Horn and Trans Saharan Africa with comparisons and contrasts within and between each part of Africa highlighted throughout A number of key questions are considered how have developments in the broader international system affected conflicts in Africa what are the internal and external forces which have caused African states to fail and collapse how have external powers used UN Peacekeeping in

pursuit of their own political agendas what determines success and failure in African peacekeeping are there African solutions to African problems which could supplant UN involvement As well as providing an account of UN involvement the book is concerned to explore the long historical origins of the African conflicts with which the UN has been engaged Written in an engaging and accessible manner United Nations Peacekeeping in Africa provides an invaluable examination of the complex issues surrounding UN interventions in Africa

#### **The United Nations and Collective Security**

Gary Wilson, 2014-02-03 The role of the United Nations in collective security has been evolving since its inception in 1945 This book explores collective security as practiced within the legal framework provided by the United Nations Charter with a particular focus upon activity undertaken under the auspices of the UN Security Council the body conferred by the Charter with the primary responsibility for the maintenance of international peace and security Although the book is primarily grounded in international law where appropriate it also draws upon relevant political insights in order to present a clear picture of the UN collective security system in operation and the factors which impact upon the way in which it functions Offering a comprehensive analysis it considers the full range of measures which can be utilised by the UN in the performance of its collective security remit including military enforcement action peacekeeping non military sanctions and diplomacy The book considers each of these measures in detail assessing the legal framework applicable to the form of action the main legal controversies which arise in respect of their appropriate utilisation and the UN's use of this collective security tool in practice The book draws conclusions about the main strengths and shortcomings of the various means through which the UN can attempt to prevent minimise or end conflict

#### African Interventionist States

Roy May, Oliver Furley, 2017-10-05 This title was first published in 2002 Examining the recent phenomenon in conflicts in Africa this text addresses situations where African states and African military intervene in conflicts either in neighbouring states or beyond While this trend has been widely observed this is the first in depth research that deals with such issues It breaks new ground in identifying the key issues actors and actions and includes analysis of military capacities of African states and the way in which armies are used including the increasing role of private security companies and mercenaries The changing attitudes among members of the OAU are examined in particular the increasing acceptance of interventionism and the blurring of boundaries The most significant cases of intervention are examined together with less well documented examples such as Lesotho and Guinea Bissau This engaging account makes for a compelling resource for academics and practitioners alike

**The UN, Peace and Force** Michael Pugh, 2013-11-05 Restoring and maintaining peace within war torn societies is a relatively new task for the United Nations This book examines the options for the UN in the use of force to secure peace and the extent to which peacekeeping can be effectively extended to coerce warring factions A combination of internationally distinguished academics and new scholars at the forefront of research are represented making an important contribution to the debate about the role of international military operations in the maintenance of international peace and security

#### **Illegal Peace**

**in Africa** Jeremy I. Levitt, 2012-01-30 This volume examines the legal and political efficacy of transitional political power sharing between democratically constituted governments and the African warlords rebels or junta that seek to violently unseat them This book addresses this issue and others through the prism of three West African case studies Liberia Sierra Leone and Guinea Bissau

**International Law** Malcolm N. Shaw, 2003-09-25 This fifth edition of Malcolm Shaw's bestselling textbook on international law provides a clear authoritative and comprehensive introduction to the subject fully revised and updated to Spring 2003 Basically preserving the structure which made the previous edition so successful a new chapter on Inter state Courts and Tribunals considers the role of the International Court of Justice and the International Tribunal on the Law of the Sea and there is a new chapter on international humanitarian law Also examined are arbitration tribunals and the role of international institutions such as the WTO in resolving conflicts The prosecution of individuals for violations of international law is examined Additional coverage of events in Kosovo and Iraq analyses the questions of humanitarian intervention and the role of the UN Written in a clear and accessible style setting the subject firmly in the context of world politics and the economic and cultural influences affecting it this book remains a highly readable and invaluable resource for students and practitioners alike The scope of the text makes this essential reading for students of international law international relations and the political sciences The book is also valuable to professionals and governmental and international civil servants

**Military Intervention After the Cold War** Andrea Kathryn Talentino, 2005 Publisher Description

**Humanitarian Occupation** Gregory H. Fox, 2008-02-21 This book analyzes a new phenomenon in international law international organizations assuming the powers of a national government in order to reform political institutions After reviewing the history of internationalized territories this book asks two questions about these humanitarian occupations First why did they occur The book argues that the missions were part of a larger trend in international law to maintain existing states and their populations The only way this could occur in these territories which had all seen violent internal conflict was for international administrators to take charge Second what is the legal justification for the missions The book examines each of the existing justifications and finds them wanting A new foundation is needed one that takes account of the missions authorisation by the UN Security Council and their pursuit of goals widely supported in the international community

*Early Warning and Conflict Prevention* Klaas van Walraven, 2024-01-15 The end of the cold war did not begin an era of world peace The forces of marginalization civil war and genocide have uprooted whole societies in Africa the Balkans and the Caucasus In fact the end of superpower competition means that the world now lacks external actors powerful enough to intervene successfully in local conflicts The early 1990s saw the beginning of a search for possibilities for conflict prevention This work is one of the first to set the analysis of early warning and conflict prevention firmly in the context of the changes and continuities in the structures of post Cold War politics Early Warning and Conflict Prevention proceeds from the position that sufficient early warning could enable governments and international

organizations to intervene at an early stage rather than waiting until disputes erupt into violence It analyses the theoretical and practical complexities of timely warning and effective response in conflict resolution It also investigates the extent to which conflict prevention has become a concrete element in the policies of governments non governmental organizations and international organizations The result of an international symposium on early warning and conflict prevention in November 1996 this work examines this significant issue in international relations within the unique political framework of post Cold War developments making it an important resource for academics policymakers government officials and others interested in the present and future state of conflict resolution      *Legitimacy and the Use of Armed Force* Chiyuki Aoi,2010-10-04 This book focuses on the notion of legitimacy to explain the success or failure of stability operations in the post Cold War era The author argues that the intervening force must create an enduring sense of the legitimacy of its mission among various parties such as the people of the host nation the host government political elites and the general public worldwide and states in the international community that will determine and establish conditions regarding legitimate intervention      **The Charter of the United Nations** ,2024-07-04 Since the third edition of this commentary on the Charter of the United Nations was published in 2012 the text of the Charter has not changed DL but the world has Central pillars of the international order enshrined in the UN Charter are facing serious challenges notably the prohibition of the use of force Human rights too have come under increasing pressure now also from contemporary information technology Global warming poses fundamental challenges for the world community as a whole in its effort to stabilize global ecosystems Fully updated the commentary takes up these and other developments It features new chapters on Climate Change and the Human Rights Council The commentary remains the authoritative article by article account of the legislative history interpretation and practical application of each and every Charter provision Written by a team of distinguished scholars and practitioners this book combines academic research with the insights of practice It is an indispensable tool of reference for all those interested in the United Nations and its legal significance for the world community The Commentary will be crucial in combining solid legal foundations with new directions for the development of international law and the United Nations in the twenty first century

Thank you entirely much for downloading **Regional Peace Keeping And International Enforcement The Liberian Crisis**. Most likely you have knowledge that, people have look numerous period for their favorite books in the same way as this Regional Peace Keeping And International Enforcement The Liberian Crisis, but stop occurring in harmful downloads.

Rather than enjoying a fine book later than a cup of coffee in the afternoon, otherwise they juggled behind some harmful virus inside their computer. **Regional Peace Keeping And International Enforcement The Liberian Crisis** is easy to use in our digital library an online right of entry to it is set as public fittingly you can download it instantly. Our digital library saves in merged countries, allowing you to get the most less latency era to download any of our books behind this one. Merely said, the Regional Peace Keeping And International Enforcement The Liberian Crisis is universally compatible similar to any devices to read.

## Regional Peace Keeping And International Enforcement The Liberian Crisis Introduction

In the digital age, access to information has become easier than ever before. The ability to download Regional Peace Keeping And International Enforcement The Liberian Crisis has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Regional Peace Keeping And International Enforcement The Liberian Crisis has opened up a world of possibilities. Downloading Regional Peace Keeping And International Enforcement The Liberian Crisis provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Regional Peace Keeping And International Enforcement The Liberian Crisis has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Regional Peace Keeping And International Enforcement The Liberian Crisis. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Regional Peace Keeping And International Enforcement The Liberian Crisis. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of

authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Regional Peace Keeping And International Enforcement The Liberian Crisis, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Regional Peace Keeping And International Enforcement The Liberian Crisis has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

### **FAQs About Regional Peace Keeping And International Enforcement The Liberian Crisis Books**

1. Where can I buy Regional Peace Keeping And International Enforcement The Liberian Crisis books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
