Interregional Migration and Public Policy in Canada Kathleen Mary Day, Stanley L. Winer, 2012 Given Canada's vast geography and uneven distribution of economic activity almost all Canadians have at one time or another faced the question of whether an interprovincial move would make them better off Using a unique dataset based on income tax records authors Kathleen Day and Stanley Winer examine the factors influencing the decision to migrate within Canada paying special attention to the role of regional variation in the generosity of public policies including unemployment insurance taxation and public expenditure the influence of extraordinary events such as the election of a separatist government in Quebec and the closure of the east coast cod fishery is also considered They look at why we ought to be concerned about public policies that interfere with market based incentives to move provide a wealth of information on interregional differences in public policies and market conditions and examine what other researchers have discovered about fiscally induced migration culminating in a discussion of the likely impact of various policy changes on migration and provincial unemployment rates the authors assessment of the lessons to be learned from their own and past research on policy induced migration in Canada will be of interest to students of migration and policy makers alike

Regional Development Theories and Their Application Benjamin Higgins, 2017-07-12 Throughout the world today former nation states as disparate as Yugoslavia Somalia and Canada have either disintegrated or threaten to splinter into regions The conflicts are economic social ethnic linguistic religious political and cultural Higgins and Savoie analyze the reasons for these conflicts and show why attempts to eliminate regional disparities within nations have been largely unsuccessful This volume is a highly readable comprehensive survey of the literature and current debates in the fields of regional economics development policy and planning

Planning Canadian Regions Gerald Hodge, Ira M.

Robinson, 2007-10-01 Planning Canadian Regions is the first book to consolidate the history evolution current practice and future prospects for regional planning in Canada As planners grapple with challenges wrought by globalization the evolution of massive new city regions and the pressures of sustainable and community development a deeper understanding of Canada's approaches is invaluable Hodge and Robinson identify the conceptual and historical foundations of regional planning and propose a new planning paradigm that emphasizes regional governance and greater inclusiveness and integration of physical planning with planning for economic sustainability and natural ecosystems

Universality and Social Policy in Canada Daniel Béland,Gregory P. Marchildon,Michael J. Prince,2019-05-31 Bringing together top scholars in the field *Universality and Social Policy in Canada* provides an overview of the universality principle in social welfare The contributors survey the many contested meanings of universality in relation to specific social programs the field of social policy and the modern welfare state The book argues that while universality is a core value undergirding certain areas of state intervention most notably health care and education the contributory principle of social insurance and the selectivity principle of income assistance are also highly significant precepts in practice

Handbook of Spatial Analysis in the Social Sciences Sergio J. Rey,Rachel S. Franklin,2022-11-18 Providing an authoritative assessment of the current landscape of spatial analysis in the social sciences this cutting edge Handbook covers the full range of standard and emerging methods across the social science domain areas in which these methods are typically applied Accessible and comprehensive it expertly answers the key questions regarding the dynamic intersection of spatial analysis and the social sciences

OECD Territorial Outlook OECD,2001-05-16 This first edition of the OECD Territorial Outlook examines RECENT policy developments in the areas of urban rural and regional affairs in OECD countries

The Language of Canadian Politics John McMenemy,2006-04-19 With nearly 600 cross referenced entries *The Language of Canadian Politics* offers brief essays on the many facets of the Canadian political system including institutions events laws concepts and public policies Concisely written it is an important resource for people interested in contemporary politics as well as those interested in the historic context of contemporary political behaviour

Readers not familiar with Canadian government and politics will find the book an invaluable introduction others will welcome this updated indispensable reference The fourth edition builds on the strengths of earlier editions Almost every entry has been revised to reflect contemporary Canadian political events and many new ones have been added The results and immediate aftermath of the 2006 federal election are included in various updated entries There are entries on the merged Progressive Conservative and Canadian Alliance parties as well as new entries on the Anti Terrorist Act the Public Safety Act and the Council of the Federation The Sponsorship Scandal and the Gomery reports are included in several entries There is new information on National Security Certificates and the O Connor inquiry into the extraordinary rendition of Maher Arar comprises part of the revised material on commissions of inquiry As a further resource Internet sites have been added to many of the entries

Politics (Canadian Edition) Larry W. Johnston, 2012-11-30 The latest edition of Politics offers a comprehensive and comparative approach to the essential components of democratic politics in today's states The book begins by addressing ways of thinking about politics community and society offering broad outlines of political theory in a historical context Johnston then provides a comparative framework for understanding basic democratic systems which is drawn upon in subsequent sections on institutions the political process and governing The result is an accessible introduction to contemporary democratic politics that is also deeply theoretical and comparative in scope The fourth edition has been revised throughout and rewritten with a more focused narrative The student friendly design incorporates more visuals and sidebars as well as chapter objectives and a glossary in order to make the material easily digestible In addition a new companion website provides self study support for students along with a wealth of materials for instructors to draw from when developing lectures tutorials assignments and exams See www.johnstonpolitics.com for more information

The Computer Revolution in Canada John N. Vardalas, 2001-07-27 The forces that shaped Canada's digital innovations in the postwar period After World War II other major industrialized nations responded to the technological and industrial hegemony of the United States by developing their own design and manufacturing competence in digital electronic technology In this book John Vardalas describes the quest for such competence in Canada exploring the significant contributions of the civilian sector but emphasizing the role of the Canadian military in shaping radical technological change As he shows Canada's determination to be an active participant in research and development work on advanced weapons systems and in the testing of those weapons systems was a cornerstone of Canadian technological development during the years 1945-1980 Vardalas presents case studies of such firms as Ferranti Canada Sperry Gyroscope of Canada and Control Data of Canada In contrast to the standard nationalist interpretation of Canadian subsidiaries of transnational corporations as passive agents he shows them to have been remarkably innovative and explains how their aggressive programs to develop all Canadian digital R D and manufacturing capacities influenced technological development in the United States and in Great Britain While underlining the unprecedented role of the military in the creation of peacetime scientific and technical skills Vardalas also

examines the role of government and university research programs including Canada's first computerized systems for mail sorting and airline reservations Overall he presents a nuanced account of how national economic political and corporate forces influenced the content extent and direction of digital innovation in Canada

The Canadian Encyclopedia James H. Marsh, 1999 This edition of The Canadian Encyclopedia is the largest most comprehensive book ever published in Canada for the general reader It is COMPLETE every aspect of Canada from its rock formations to its rock bands is represented here It is UNABRIDGED all of the information in the four red volumes of the famous 1988 edition is contained here in this single volume It has been EXPANDED since 1988 teams of researchers have been diligently fleshing out old entries and recording new ones as a result the text from 1988 has grown by 50% to over 4 000 000 words It has been UPDATED the researchers and contributors worked hard to make the information as current as possible Other words apply to this extraordinary work of scholarship AUTHORITATIVE RELIABLE and READABLE Every entry is compiled by an expert Equally important every entry is written for a Canadian reader from the Canadian point of view The finished work many years in the making and the equivalent of forty average sized books is an extraordinary storehouse of information about our country This book deserves pride of place on the bookshelf in every Canadian Home It is no accident that the cover of this book is based on the Canadian flag For the proud truth is that this volume represents a great national achievement From its formal inception in 1979 this encyclopedia has always represented a vote of faith in Canada in Canada as a separate place whose natural worlds and whose peoples and their achievements deserve to be recorded and celebrated At the start of a new century and a new millennium in an increasingly borderless corporate world that seems ever more hostile to national distinctions and aspirations this Canadian Encyclopedia is offered in a spirit of defiance and of faith in our future The statistics behind this volume are staggering The opening sixty pages list the 250 Consultants the roughly 4 000 Contributors all experts in the field they describe and the scores of researchers editors typesetters proofreaders and others who contributed their skills to this massive project The 2 640 pages incorporate over 10 000 articles and over 4 000 000 words making it the largest some might say the greatest Canadian book ever published There are of course many special features These include a map of Canada a special page comparing the key statistics of the 23 major Canadian cities maps of our cities a variety of tables and photographs and finely detailed illustrations of our wildlife not to mention the colourful informative endpapers But above all the book is encyclopedic which the Canadian Oxford Dictionary describes as embracing all branches of learning This means that with rare exceptions there is satisfaction for the reader who seeks information on any Canadian subject From the first entry A mari usque ad mare from sea to sea which is Canada's motto and a good description of this volume's range to the Zouaves who mustered in Quebec to fight for the beleaguered Papacy there is the required summary of information clearly and accurately presented For the browser the constant variety of entries and the lure of regular cross references will provide hours of fascination The word encyclopedia derives from Greek expressions alluding to a grand circle of knowledge Our

knowledge has expanded immeasurably since the time that one mind could encompass all that was known Yet now Canada's finest scientists, academics and specialists have distilled their knowledge of our country between the covers of one volume The result is a book for every Canadian who values learning and values Canada OECD Regional Development Studies: Regional Development Policies in OECD Countries OECD, 2010-09-28 This book is a handy reference guide to the regional policies of OECD countries and a broader analysis of trends in regional policies based on sound comparable information

Regional Policy in a Changing World Niles Hansen, Benjamin Higgins, Donald J. Savoie, 2013-06-29 *Regional Industrial Analysis and Development* Geoffrey J. D. Hewings, 2017-09-05 Originally published in 1977 This book provides an introduction to some of the more important techniques of regional analysis techniques derived from geographical regional economic and regional science theory and describes the way some of these techniques have been applied in the identification of problems, development of strategy and evaluation of regional programmes The theory and applications of methods of regional analysis are integrated with the use of examples taken from the USA, the UK and Canada The author introduces the problems which are encountered in the field of regional analysis describes some of the analytical tools beginning with the fundamental model of the economic base approach and then examines regional flows and the applicability of international trade theory to interregional trade Considering the shortcomings of the aggregated base approach, input-output analysis is also examined *Regional Economic Development* Benjamin Higgins, Donald J. Savoie, 2017-09-05 Originally published in 1988 Leading international researchers in regional economic development have contributed an integrated set of chapters reviewing the whole field and taking stock of current thinking The book is in honour of François Perroux, the father of regional development theory whose contributions to two important concepts in economics, time and space, have been substantial The book comprises five parts Part one covers Perroux's work in general and on growth poles in particular Part two deals with the politics of place, population and regional development techniques for regional policy analysis and a neoclassical approach to regional economics In part three the Canadian scene is reviewed at national and regional levels In part four chapters on urban development, small and medium size cities and capital grants deal with the experiences of other countries Part five concludes the book with a chapter on growth poles, optimal size of cities and regional disparities and government intervention How Ottawa Spends Your Tax Dollars G. Bruce Doern, 1982-01-01 No matter what the politicians say, it's the way a government decides to spend its money that reveals its true priorities The authors discuss the underlying policy priorities and contradictions that these expenditure proposals reflect and present some interesting insights about the direction in which the Trudeau government was then heading The 1982 edition of *How Ottawa Spends Your Tax Dollars* focuses on the federal government's spending plans for economic development programs

Regional Disparities Canadian Issue Series Introduction

In the digital age, access to information has become easier than ever before. The ability to download Regional Disparities Canadian Issue Series has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Regional Disparities Canadian Issue Series has opened up a world of possibilities. Downloading Regional Disparities Canadian Issue Series provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Regional Disparities Canadian Issue Series has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Regional Disparities Canadian Issue Series. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Regional Disparities Canadian Issue Series. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Regional Disparities Canadian Issue Series, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Regional Disparities Canadian Issue Series has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Regional Disparities Canadian Issue Series Books

1. Where can I buy Regional Disparities Canadian Issue Series books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Regional Disparities Canadian Issue Series book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.).
