Regulating The Media Modern Legal Studies:

Media Regulation, Public Interest and the Law Mike Feintuck, 2006-07-10 Regulation of the media has traditionally been premised upon claims of the public interest yet the term itself remains contested and generally ill defined In the context of technological development and convergence as well as corporate conglomeration traditional public service values in British broadcasting are challenged by market values With such ongoing trends continuing apace regulators must increasingly justify their interventions The communication industries commercialisation and privatisation pose a fundamental threat to democratic values Media Regulation Public Interest and the Law argues that regulators will only successfully protect such values if claims associated with citizenship are recognised as the rationale and objective for the regulatory endeavour While such themes are central to the book this second edition has been substantially revised and updated to take account of matters such as European Directives the UK's Communications Act 2003 the process of reviewing the BBC's Charter and relevant aspects of the reform of general competition law Key Features Identifies and examines the rationales underlying media regulation and the current challenges to them Considers fully the actual and potential utility of legal mechanisms and principles in the design and activities of regulatory institutions Fully updated to take account of the European Union's 2002 New Regulatory Framework and the UK's Communications Act 2003 Accessible to a wide readership in media studies journalism broadcasting and law Praise for the First Edition A detailed and critical assessment of the problems and confusions of recent media regulation in the UK including digital television franchising and the Broadcasting Complaints Commission it is well organised and should be a useful resource for more advanced students and academics for updating the public regulation case with vigour and clarity this book is to be welcomed THES Routledge Handbook of Media Law Monroe E. Price, Stefaan Verhulst, Libby Morgan, 2013-01-04 Featuring specially commissioned chapters from experts in the field of media and communications law this book provides an authoritative survey of media law from a comparative perspective The handbook does not simply offer a synopsis of the state of affairs in media law jurisprudence rather it provides a better understanding of the forces that generate media rules norms and standards against the background of major transformations in the way information is mediated as a result of democratization economic development cultural change globalization and technological innovation The book addresses a range of issues including Media Law and Evolving Concepts of Democracy Network neutrality and traffic management Public Service Broadcasting in Europe Interception of Communication and Surveillance in Russia State secrets leaks and the media A variety of rule making institutions are considered including administrative and judicial entities within and outside government but also entities such as associations and corporations that generate binding rules The book assesses the emerging role of supranational economic and political groupings as well as non Western models such as China and India where cultural attitudes toward media freedoms are often very different Monroe E Price is Director of the Center for Global Communication Studies at the

Mass Media James B. Martin,2002 Mass media has become an integral part of the human experience News travels around the world in a split second affecting people in other countries in untold ways Although being on top of the news may be good at least for news junkies mass media also transmits values or the lack thereof condenses complex events and thoughts to simplified sound bites and often ignores the essence of an event or story The selective bibliography gathers the books and magazine literature over the previous ten years while providing access through author title and subject indexes

Global Media and Communication Policy P. Iosifidis,2011-08-26 Petros Iosifidis addresses an

increasingly prominent subject area in the field of media and communications and one that has attracted increased attention in areas such as sociology economics political science and law global media policy and regulation Specifically he considers

the wider social political economic and technological changes arising from the globalization of the communications industries and assesses their impact on matters of regulation and policy By focusing on the convergence of the communication and media industries he makes reference to the paradigmatic shift from a system based on the traditions of public service in broadcast and telecommunications delivery to one that is demarcated by commercialization privatization and competition In doing so Iosifidis tackles a key question in the field to what extent do new media developments require changes in regulatory philosophy and objectives It considers the various possible meanings of the public interest concept in exploring the different regulatory modes and the interplay between the local and the global in policy making

The Legal Challenges of Social Media David Mangan, Lorna E. Gillies, 2017-06-30 Social media enables instant access to individual self expression and the sharing of information Social media issues are boundless permeating distinct legal disciplines The law has struggled to adapt and for good reason how does the law regulate this medium over the public private law divide This book engages with the legal implications of social media from public and private law perspectives and outlines how the law in various legal sub disciplines and with varying success has endeavoured to adapt existing tools to social media

Regulating Audiovisual Services Thomas Gibbons, 2023-07-14 In recent years the changing nature of audiovisual services has had a significant impact on regulatory policy and practice The adoption of digital technology means that broadcasting cable satellite the Internet and mobile telephony are converging enabling each of them to deliver the same kinds of content and allowing users to exercise much greater choice over the kind of material that they receive and when they receive it The essays examine the implications for regulatory design asking whether there is still a role for traditional style state controls or whether other techniques such as competition in the market and self regulation are more appropriate They also explore how in the digital era structural issues of media ownership and control become problems of access and interconnection between services and how content regulation focuses more on problems raised by the interactions between providers and users the relationship between freedom of information and technologies to control it and the international reach of the new media

Internet Service Provider Liability for Copyright

and Trade Mark Infringement Zoi Krokida, 2022-06-16 This book critically evaluates the EU regulatory framework for the liability of host Internet Service Providers ISPs for copyright and trade mark infringements and provides a cluster of novel recommendations for its improvement The book recommends the imposition of a duty of care to host ISPs to curb the dissemination of unauthorised works and counterfeit goods the ascription of a transparency obligation to host ISPs towards their users and the establishment of a supervisory authority for host ISPs Host ISPs have facilitated the dissemination of content amongst users and the purchase of goods online enabling copyright holders and brand owners to attract a greater audience for their works and goods However their services have attracted a high number of copyright and trade mark violations too Neither Article 14 of the e Commerce Directive nor Article 17 of the Copyright in the Digital Single Market Directive provide a solid response to the issue of host ISPs liability This book is a valuable resource for researchers in IT and IP law and offers a new perspective for resolving online IP disputes
