Who Takes Britain to War? James Gray, Mark Lomas, 2014-09-01 The long standing parliamentary convention known as the Royal Prerogative has always allowed Prime Ministers to take the country to war without any formal approval by Parliament The dramatic vote against any military strike on Syria on 29 August 2013 blew that convention wide open and risks hampering Great Britain's role as a force for good in the world in the future Will MPs ever vote for war Perhaps not and this book proposes a radical solution to the resulting national emasculation By writing the theory of a Just War its causes conduct and ending into law Parliament would allow the Prime Minister to act without hindrance thanks not to a Royal Prerogative but to a parliamentary one

Royal Taste Daniëlle De Vooght, 2016-04-08 The explicit association between food and status was academically speaking first acknowledged on the food production level He who owned the land possessed the grain he who owned the mill had the flour he who owned the oven sold the bread However this conceptualization of power is dual next to the obvious demonstration of power on the production level is the social significance of food consumption Consumption of rich food in terms of quantity and quality was and is a means to show one's social status and to create or uphold power This book is concerned with the relationship between food consumption status and power Contributors address the old top of society and consider the way kings and queens emperors and dukes nobles and aristocrats wined and dined in the rapidly changing world of the late eighteenth and nineteenth centuries where the bourgeoisie and even the common people obtained political rights economic influence social importance and cultural authority The book questions the role of food consumption at courts and the significance of particular foodstuffs or ways of cooking deals with the number of guests and their place at the table and studies the way the courts under consideration influenced one another Topics include the role of sherry at the court of Queen Victoria as a means of representing middle class values the use of the truffle as a promotional gift at the Savoy court and the influence of European culture on banqueting at the Ottoman Palace Together the volume addresses issues of social networks prestige politics and diplomacy banquets and their design income and spending economic aims taste and preference cultural innovations social hierarchies material culture and many more social and cultural issues It will provide a useful entry into food history for scholars of court culture and anyone with an interest in modern cultural history

The Constitutional Value of Sunset Clauses Antonios Kouroutakis, 2016-10-04 Sunset clauses are a commonly used statutory provision related to the temporary duration of various laws This book explores the constitutional value of such clauses It examines the drafting of

sunset clauses and the relevant amendment process as well as the parameters that influence their incorporation into legislation Arguments and conclusions are drawn from historical and current uses and it is discussed how and why legislators draft legislation with sunset clauses Predominantly focused on their use in the UK the approach is interdisciplinary and comparative insofar as it uses examples from a variety of legal orders **Britain in the Hanoverian Age, 1714-1837**
Gerald Newman, Leslie Ellen Brown, 1997 In 1714 king George I ushered in a remarkable 123 year period of energy that changed the face of Britain and ultimately had a profound effect on the modern era The pioneers of modern capitalism industry democracy literature and even architecture flourished during this time and their innovations and influence spread throughout the British empire including the United States Now this rich cultural period in Britain is effectively surveyed and summarized for quick reference in a first of its kind encyclopedia which contains entries by British Canadian American and Australian scholars specializing in everything from finance and the fine arts to politics and patent law More than 380 illustrations mostly rare engravings enhance the coverage which runs the whole gamut of political economic literary intellectual artistic commercial and social life and spotlights some 600 prominent individuals and families
