Nothing Merciful Than Reincarnation Kevin R Williams, 2019-05-25 Part 1 is an introduction to reincarnation in Christian history including the biblical evidence of John the Baptist as the reincarnation of Elijah the Prophet The religious concept of the Resurrection of the Dead a massive worldwide reanimation of corpses at the end of time is a foreign concept originating from ancient Persia not Judaism or Christianity Part 2 describes more biblical reincarnating prophets and other holy people also Jesus teachings on bodily and spiritual rebirth Jesus taught Nicodemus that You must be born again which has a literal meaning of bodily rebirth reincarnation but is also used metaphorically to mean spiritual rebirth regeneration by the Holy Spirit Part 3 proves it is God s will that everyone is saved which can only realistically occur through reincarnation Part 3 also describes how God s law of divine justice also known universally as karma is the same as the law of reincarnation Universal salvation like preexistence and reincarnation was widely believed by Christians and Jews during the first 500 years of Christianity and was championed by the early Church Father Origen Part 4 describes the biblical case of how God s demand for human perfection and holiness can only realistically occur through reincarnation Part 4 also describes how God s salvation and judgment according to works also can only realistically occur through reincarnation The belief in the soul resting in peace until a final corpse resurrection at the end times makes any personal identity of the soul salvation and personal spiritual growth after death impossible Part 5 describes the biblical doctrines of the preexistence of the soul and the Christian mystery of God within human beings as important principles involving Christian reincarnation The nature of an eternal immortal and indestructible human soul spirit shows that all human beings partake in the divine spirit as Jesus did Jesus taught the Kingdom of God is within you Luke 17 20 21 which implies divinity within humanity An immortal human soul spirit makes reincarnation a necessity The Bible describes a Trinity the Father Son and Holy Spirit three parts of Christ the Mind of Christ the Body of Christ and the Spirit of Christ and three dimensions of God light life and love which the three dimensional enlightened Christian shares mind body and spirit Part 6 describes more reincarnating biblical personalities including fallen angels as reincarnating human beings Fallen angels reincarnating as human beings including Satan and the fallen human soul are described in the Bible the Book of Enoch the Book of Jubilees and the New Testament Apocrypha Part 7 describes the biblical case for the past lives of Jesus Christ as King David Melchizedek Joseph and Adam Part 7 includes a final summary of this the book and a final conclusion by the author Both David and Jesus share titles such as the anointed one Messiah the Holy One only begotten son firstborn Root of Jesse priest of Melchizedek and most exalted king of the Earth The

Bible clearly states that David himself will be reincarnated in the Last Days Hosea 3 4 5 Ezekiel 34 13 24 Ezekiel 37 22 24 Jeremiah 30 1 9 In Acts 15 12 19 the apostle Peter equated rebuilding David's fallen tent with the resurrection of Jesus' body In the Bible tent is a metaphor for the human body 2 Corinthians 5 1 2 Peter 1 12 13 Part 8 provides references resources and links related to reincarnation and Christian reincarnation in particular Internet links to websites provided include reincarnation main websites and researchers references *Hommages à Carl Deroux: Histoire et épigraphie, droit ,*

Reincarnation Elizabeth Clare Prophet, Erin L. Prophet, 1997 A long time ago Christians believed in reincarnation This groundbreaking work makes the case that Jesus taught reincarnation Elizabeth Clare Prophet traces the history of reincarnation in Christianity from Jesus and early Christians through Church councils and the persecution of so called heretics Using the latest scholarship and evidence from the Dead Sea Scrolls and Gnostic texts she also argues persuasively that Jesus was a mystic who taught that our destiny is to unite with the God within Your view of Jesus and of Christianity will never be the same **Reincarnation in Christianity** Geddes MacGregor, 1990-03-09 In this exciting landmark work MacGregor delves into the annals of Christian history to demonstrate that Christian doctrine and reincarnation are not mutually exclusive belief systems *Reincarnation as a Christian Hope* Geddes MacGregor, 1982-06-18 *Perspectives on Reincarnation: Hindu, Christian, and Scientific* Jeffery D. Long, 2019-01-18 This book is a printed edition of the Special Issue Perspectives on Reincarnation Hindu Christian and Scientific that was published in Religions *May a Christian Believe in Reincarnation?* Abbot George (Swami Nirmalananda Giri), 2016-02-05 A growing number of people are open to the subject of past lives and the belief in rebirth reincarnation metempsychosis or transmigration is becoming commonplace But it often thought that belief in reincarnation and Christianity are incompatible But is this really true May a Christian believe in reincarnation The answer may surprise you Reincarnation also known as the transmigration of souls is not just some exotic idea of non Christian mysticism Nor is it an exclusively Hindu Buddhist teaching In orthodox Jewish and early Christian writings as well as the Holy Scriptures we find reincarnation as a fully developed belief although today it is commonly ignored But from the beginning it has been an integral part of Orthodox Judaism and therefore as Orthodox Jews Jesus and his Apostles would have believed in rebirth This historical study of reincarnation in both Judaism and Christianity cites many authorities of both traditions including many Christian saints and Fathers of the Church as well as both Old and New Testaments In our opinion the testimony of orthodox Judaism ancient Christianity and the Bible is sufficient to answer the question May a Christian believe in reincarnation Included in this second edition is Annie Besant's article on various scientific moral and historical aspects of reincarnation from a Christian perspective **From Darkness to Light** Despo Pishiri, 2021-08-16 During a client hypnosis session author Despo Pishiri unintentionally managed to communicate with her Higher Self The client was in a deep state of hypnosis and Despo's Higher Self used this opportunity to talk to her through her client The Higher Self provided valuable information about Despo's past lives which triggered her curiosity to understand

the mechanisms involved in the process of spiritual development This initial channeling encouraged her to find her true self and it became the catalyst for writing this her first book From Darkness to Light With a blend of personal and professional testimony she reinforces the message of love compassion and tolerance inherent in the three religions of Hinduism Buddhism and Christianity against the backdrop of knowing who you are She stresses the similarities between the three religions and reinforces the ideas of their teachings Useful and enlightening From Darkness to Light shares Despo s personal discoveries as well as offers principles about self and healing your body mind and spirit *Where Airy Voices Lead* Piotr

Bienkowski,2020-05-29 Many have pursued and continue to pursue real immortality by seeking to prolong their lives on this earth Others pursue symbolic or proxy immortality through children fame or being part of something long lasting One can imagine these different forms of immortality as a menu of options of how to live forever you click the one that appeals to you most and best fits your beliefs hopes values and worldview *History of Ethics Within Organized Christianity* Thomas Cuming Hall,1910 *Orphism and Christianity in Late Antiquity* Miguel Herrero de Jáuregui,2010 Many recent discoveries have confirmed the importance of Orphism for ancient Greek religion philosophy and literature However its nature and role are still very controversial The key problem of its relationship to Christianity has been discussed by ancient and modern authors from many different viewpoints albeit too often tainted with apologetic interests and unconscious projections This free and thorough study of the ancient sources sheds light on these questions and illuminates the complexity of the encounter between Classical culture and Jewish Christian tradition New perspectives on the relationship between Classical and Jewish Christian culture On the avowed subject of Orphism Author is specialist within the field **Christ's 23 "Meat" Level**

Principles of True Christianity Joe Zug,2021-02-28 If you have been listening to your inner voice you have probably avoided traditional religion left it or are currently considering such If so then this book was written for you It explains the Real God s uncorrupted plan for mankind which is totally positive totally progressive purposeful principles based Cosmically comprehensive completely compassionate and harmoniously integrated with no internal inconsistencies You will find explanations herein that correlate Earth s physical phenomenon with Cosmic Spiritual laws quantum physics Also revealed are Christ s higher Tree of Life doctrines that supersede the traditional focus by Christians Jews and Muslims on the lower level doctrines of the Tree of the Knowledge of Good and Evil The scriptures of those three religions contain the same Garden of Eden story that cites these two metaphorical trees Jesus Christ intended to switch mankind s attention to the Tree of Life principles He also attempted to teach us how to fish rather than to give us a fish Tradition says he came to give us salvation yet that would literally put mankind in the category of being on the dole something current inconsistent Christians seem to loathe Spiritual maturity is the result of our personally practicing the higher meat level principles that Jesus Christ taught and modeled Thereby we qualify for God s gracious endowment of Ascension into Heaven *The Disproof of Christianity* Adam Weishaupt,2013-01-25 This incendiary book constitutes a formal theological disproof of the central tenets of

Christianity the Trinity and the Incarnation Christianity is a staggeringly false religion The reason most Christians continue to believe is that a they have been relentlessly brainwashed and b they don t actually know anything about Christianity The absurdities of Christianity can be understood only by examining the many heresies that sprang up in the early centuries of the Church challenging every aspect of orthodox Christian thinking These heresies have boxed in Christianity so much that all that s left is a statement of what Christianity ISN T It s only possible to be a Trinitarian Christian by stating the empty formula three persons in one God without ever daring to specify what person means Similarly Christians mouth the hollow formula of the Incarnation two natures human and divine in one person without having any idea of what nature means

Interface Between Igbo Theology and Christianity Akuma-Kalu Njoku,Elochukwu Uzukwu,2014-10-21 Interface between Igbo Theology and Christianity is a timely book that provides new scholarly thinking concerning the convergence of Christianity and Igbo Traditional Religion taking place in the Igbo culture area This book a fruit of multidisciplinary conversation among Igbo scholars and Igbophiles offers concepts themes issues and case studies with deep ethnographic details some of which do not exist anywhere else in print It is a major statement of how modern Igbo scholars social scientists philosophers theologians liturgists and active pastors and parish priests understand the intersection of Igbo Traditional Religion and Christianity in postcolonial Nigeria The editors and authors of the chapters of this book draw from their wealth of experience to offer to students scholars researchers community based organizations and NGOs and practitioners in interfaith dialogue a must have manual to engage in and develop mutual respect and trust among Christian denominations and between them and Igbo Traditional Religion This book will serve as a blueprint for a deep dialogue among the Igbo in both city and rural settings in the context of clan and community life context and in the Christian parish setting The book will certainly appeal to numerous communities in Africa wishing to share similar local experiences and collective memories but which do not have the channels to talk about themselves in scholarly writing

From Christianity to Christ Pietro Archiati,1996 What we traditionally think of as Christianity is only its cultural form adopted and developed over the last two thousand years This represents chiefly human thoughts and dogmas human institutions churches and beliefs in other words all that human beings have developed as their response to the Christ event Rudolf Steiner said of Christianity that it started as a religion but greater than all religions Taking this as his basis the author reaches beyond earthly traditions and cultural expressions of Christianity to its true spiritual essence His survey takes us from the history of actual all too human Christianity to the history of actual Christian Christianity and its future development through a new scientific approach to the spirit Archiati s warmth of expression and clarity of thought bring to life ideas and concepts that for so long have been the reserve of dry theology

Resolving the Prevailing Conflicts Between Christianity and African (Igbo) Traditional Religion Through Inculturation Edwin Anaegboka Udoe,2011 For not integrating initially some of the good elements in

Igbo culture many Igbo Christians have double personality Christian personality and traditional personality They are Christians on Sundays but traditionalists on weekdays To combat such an anomalous situation in imitation of Christ s effort at completing what was lacking in the Jewish religion author Edwin Udoe proposes radical inculturation His book equally contains many serious theological reflections such that it recommends itself to both theologians and the scholars researching on the religions of the world Udoe has therefore made a very significant contribution worthy of commendation to both theological and religious studies Reincarnation in Buddhist and Christian Thought Lynn A. De Silva, 1968 In this book the author examines the problem of what happens after death from the point of view of Psychical Research Buddhism and Christianity and seeks to find a synthesis of the various views His approach is independent critical and creative his style is aphoristic and suggestive He makes no attempt to press his own views on the readers but places the evidence before them in such a way that they may be provoked to further thinking and further exploration on this problem back cover
