022 Song of Solomon J.A. Roberts, 2024-02-08 I feel this book of scripture is best looked at as a group of songs rather than one flowing song There will be a lot of jumping back and forth between past and present through these different songs and story and I want to do my best to clarify that when we go through it This book of the Bible is a very interesting one that looks deep between the relationship of the believer and Jesus Christ Solomon is of course the writer as we will see in a moment and it is certainly something that is applicable for himself as he will be the shepherd that the Shulamite woman falls in love with Solomon can do nothing but write about himself seeing as this is what he was experiencing The important thing to note and remember through this reading is whether Solomon understood it or not this wasn't about him It was about Christ All of scripture was is about Christ There are a plethora of books written and recorded by Solomon that are not even located in scripture Some are found in books like the Apocrypha and others are books that have not made their way into scripture perhaps things like journal entries Other holy books even talk about Solomon and his glory including but not limited to the Quran Solomon is a widely known figure in the religious circles but there was something that shouldn't be lost on mere religion alone Solomon knew the God of the Bible He conversed with God He desired to lead the people FOR God Jerusalem needed a Godly leader and Solomon was the one chosen for the job Through all his wisdom he eventually understands the relationship aspect that God desires and I believe that God reveals this through this story song **Unlearned & Ignorant**

Commentary J.A. Roberts, 2024-04-19 These are my simple and practical notes for all of the books of the Bible I am currently in the process of still writing all of my notes out so not all of the chapters are there yet but I have quite a few books of the Bible done and am about 25% of the way through the rest of the Bible I will update this every time a book is finished so it updates to the purchaser but if you'd like to pay ahead of time you can get the books quicker and cheaper now The more books I add the more expensive it will become I've been working on this for about two years now and will continue to work on it for another likely another six more years to finish the entire Bible hopefully sooner Thank you for supporting my work and I hope it's a useful tool for you as you dig deeper into God's Word It should also be understood I am not a scholar by any means I just like to dig around in scripture and answer difficult questions hence the title of the book Some of my thoughts are taken from much smarter men than me and if I know where the source comes from I will do my best to make mention of it and give credit where credit is due Otherwise these are things I got from my own personal studies and all the stories I give are from personal experience In the Secret Place Peggy Britt, 2006-10 For those who feel lost and hurt Britt offers a guide to help them come into God's Secret Place Motivation
