## **Rekindling The Flame Strategies For A Vital United Methodism:**

Rekindling the Flame William H. Willimon, Robert Leroy Wilson, 1987      Doctrinal Standards in the Wesleyan Tradition Thomas C. Oden, 2008 The history of Wesleyan family of churches doctrines What are our core beliefs Doctrinal Standards in the Wesleyan Tradition Revised Edition narrates the history of the formation of Wesleyan doctrines describing how they were transplanted from the British Isles to North American how they became constitutionally protected in Wesleyan rooted churches The first edition of this book affected the outcome of the 1988 General Conference of The United Methodist Church as the delegates decided many then disputed doctrinal issues This revised edition addresses the continuing hunger for more precise and useful information on the doctrinal traditions of mainline Protestantism Hence the arguments have been updated with more than 400 changes Included are doctrinal statements for the Evangelical United Brethren Free Methodist Methodist Protestant Wesleyan Nazarene African Methodist Episcopal Zion Christian Methodist Episcopal and African Methodist Episcopal Churches as well as an outline syllabus of a Course on the Articles of Religion      **Polity, Practice, and the Mission of The United Methodist Church** Thomas Edward Frank, 2006 Commissioned by the General Board of Higher Education and Ministry for use in United Methodist doctrine polity history courses This in depth analysis of the connection between United Methodist polity and theology addresses ways in which historical developments have shaped and continue to shape the organization of the church This revised edition incorporates the actions of The United Methodist General Conference 2004 The book discusses continuing reforms of the church s plan for baptism and church membership as well as the emergence of deacon s orders and other changes to ordained ministry procedures The text is now cross referenced to the Book of Discipline 2004 including the revised order of disciplinary chapters and paragraph numbering Denominational statistics are updated along with references to recent works on The United Methodist Church and American religious life

**The Remnant Spirit** Douglas E. Cowan, 2003-11-30 Over the past few decades mainline Protestant denominations in North America have been experiencing a significant decline in membership active participation and financial contributions In the midst of this decline these denominations have been caught up in a variety of controversial religious ecclesiastical and social issues a shift from neo orthodox to liberal theology the advent of inclusive liturgical and biblical language denominational support for often controversial social issues and heated debates around human sexuality particularly the place of homosexuals in the church To address these issues and concerns and to recapture the traditionalism many feel their churches have abandoned the remnant faithful those who choose to stay in their churches have formed a number of reform and renewal movements Cowan examines these emergent social movements providing anecdotal and lively examples of their activities their arguments their identities and their approaches to strengthening their churches Rather than leave denominations which they regard as increasingly hostile to theological and ecclesiastical traditionalism many mainline Protestants have chosen to stay and fight for their churches forming reform and renewal movements intended to address hot

button issues in the way their churches function and practice These conservative reform movements however are often vilified by their more liberal co religionists and not infrequently regarded as theologically immature doctrinally stagnant and ecclesiastically belligerent The Remnant Spirit demonstrates that these are simplistic and reductivist analyses that only serve to avoid the very issues around which reform movements emerge and evolve The author provides an in depth examination of four major North American denominations and the various conservative reform and renewal movements taking place in each while acknowledging that every mainline Protestant Church in the U S and Canada is contending with similar issues and addressing them in similar fashions Here the voices of the remnant faithful those that contribute to denominational discussions as they are experienced by ordinary church members and leaders alike are presented and discussed in a thoughtful and lively manner

**Bishop** William H. Willimon, 2012 As a church leader it s easy to make the wrong move and find yourself in a bad position What to

teach How to teach What to do were the three questions Wesley employed at his first conferences In sixty previous books Will  
 Willimon has worked the first two This book is of the What to do genre Many believe the long decline of The United  
 Methodist Church is a crisis of effective leadership Willimon takes this problem on As an improbable bishop for the last eight  
 years he has laid hands on heads made ordinands promise to go where he sends them overseen their ministries and acted as  
 if this were normal Here is his account of what he has learned and more important what The United Methodist Church must  
 do to have a future as a viable movement of the Holy Spirit The Wings of Worship Kenneth R. Burcham,1992 Kenneth  
 Burcham gives abundant information about the background of worship forms He helps readers approach the parts of a  
 worship service with a good sense of interpretation and meaning I recommend its use with classes of lay people who are  
 interested in growth in their spirit Harriet Miller Administrator First United Methodist Church Dayton Ohio The Wings of  
 Worship is an excellent introductory study course for congregations to gain a greater understanding of the people's role in  
 public worship Ten sessions are offered in the course with each focusing on a different element of worship Discussion  
 questions conclude each session Topics include Traditional worship Liturgical year Tools of worship Sacraments Rituals and  
 celebrations Creeds and prayers The book includes evaluation forms a questionnaire on worship and a bibliography section  
 Kenneth R Burcham is pastor of the United Methodist Church West College Corner Indiana He is a graduate of Ball State  
 University Asbury Theological Seminary and United Theological Seminary This is his first book published by CSS *Pastor*  
 William H. Willimon,2010-09-01 Ordained ministry says Willimon is a gift of God to the church but that doesn't mean that it is  
 easy Always a difficult vocation changes in society and the church in recent years have made the ordained life all the more  
 complex and challenging Is the pastor primarily a preacher a professional caregiver an administrator Given the call of all  
 Christians to be ministers to the world what is the distinctive ministry of the ordained When does one's ministry take on the  
 character of prophet and when does it become that of priest What are the special ethical obligations and disciplines of the  
 ordained In this book Willimon explores these and other central questions about the vocation of ordained ministry He begins  
 with a discussion of who pastors are asking about the theological underpinnings of ordained ministry and then moves on to  
 what pastors do looking at the distinctive roles the pastor must fulfill The book also draws on great teachers of the Christian  
 tradition to demonstrate that while much about Christian ministry has changed its core concerns preaching the word the  
 care of souls the sacramental life of congregations remains the same Ordained ministry is a vocation to which we are called  
 not a profession that we choose To answer that call is to open oneself to heartache and sometimes hardship yet given the one  
 who calls it is to make oneself available to deep and profound joy as well **Practicing Passion** Kenda Creasy
