People, Places and Things Mr. Justice Kofi Barnes, 2017-11-28 In my eyes Drug Treatment Court gives people like me a second chance to change their lives and to realize that we deserve a good life no matter what we have done in the past All I can really say is that if I didn't have the privilege to be in drug treatment court I would either still be incarcerated or would not be alive today People, Places and Things is a collection of stories from men and women who have lived lives of drugs and crime Each has made the courageous decision to overcome their addiction and the even more courageous decision to share their journeys with you As they strive for sobriety with the guidance of Canada's drug treatment courts they experience the extremes of addiction the power of recovery and the value of community The stories within are raw the authors have bared their souls which is a difficult and brave endeavour Some of the stories in this book are tales of happy endings while some represent very dark moments Addiction as any of life's hardships is a continuous journey void of an end state These pages contain lessons about the power of resilience the magic of hope and the strength of believing in one's ability to become the person one wants to be The extremes you might experience as you embrace this collection of stories poems and artwork is representative of the extremes that those recovering from addiction endure and of the extremes experienced by those that support counsel and represent them throughout their recovery
