Relating To A Spiritual Teacher Building A Healthy Relationship:

Relating to a Spiritual Teacher Alexander Berzin, 2000 This book explores the sources of misunderstanding and reexamines traditional Buddhist teachings to reveal methods that can heal wounds *Sex and the Spiritual Teacher* Scott Edelstein, 2011-03 Explores the reasons why sexual transgressions between spiritual teachers and student occur when this type of relationship becomes a problem and how to avoid it from happening 11 Indispensable Relationships You Can't be Without Leonard Sweet, Leonard I. Sweet, 2008 Dr Sweet outlines the necessity of essential relationships and how to develop them Theoretical Models of Counseling and Psychotherapy Kevin A. Fall, Janice Miner Holden, Andre Marquis, 2017-02-17 The third edition of *Theoretical Models of Counseling and Psychotherapy* provides a comprehensive overview of a variety of major counseling theories and focuses on the integration of different theoretical models With new information on multiculturalism diversity and cutting edge theories such as psychosynthesis the book offers a detailed description of the philosophical basis for each theory as well as historical context and biographical information on each theory's founder Chapters include new case excerpts and clinical examples and each chapter follows a consistent structure in its exploration of each theory's features including its approach to and ideas on personality development human nature the role of environment the change process in therapy and contributions and limitations to the mental health field Theory specific information on diagnosis psychopharmacology spirituality and gender issues is also discussed and the book is accompanied by a companion website where professors and students will find exercises and course material that will further deepen their understanding of counseling theory and allow them to easily bridge classroom study to future practice Available for free download for each chapter PowerPoint slides and a testbank of 21 multiple choice questions **Introduction to Tantra** Lama Yeshe, 2010-10-08 What is tantra Who is qualified to practice it How should it be practiced What are the results According to Buddhism every human being has the potential to achieve profound and lasting happiness And according to the tantric teachings of Buddhism this remarkable transformation can be realized very quickly if we utilize all aspects of our human energy especially the energy of our desires Introduction to Tantra is the best available clarification of a subject that is often misunderstood This new edition of this classic text includes a new foreword by Philip Glass and a new cover design but leaves untouched Lama Yeshe's excellent original text edited by Jonathan Landaw Tantra recognizes that the powerful energy aroused by our desire is an indispensable resource for the spiritual path It is precisely because our lives are so inseparably linked with desire that we must make use of desire's tremendous energy not just for pleasure but to transform our lives Lama Yeshe presents tantra as a practice leading to joy and self discovery with a vision of reality that is simple clear and extremely relevant to 21st century life *Critical Terms for the Study of Buddhism* Donald S. Lopez Jr., 2009-11-15 Over the past century Buddhism has come to be seen as a world religion exceeding Christianity in longevity and according to many philosophical wisdom Buddhism has also increasingly been described as strongly ethical devoted to nonviolence and

dedicated to bringing an end to human suffering And because it places such a strong emphasis on rational analysis Buddhism is considered more compatible with science than the other great religions As such Buddhism has been embraced in the West both as an alternative religion and as an alternative to religion This volume provides a unique introduction to Buddhism by examining categories essential for a nuanced understanding of its traditions Each of the fifteen essays here shows students how a fundamental term from art to word illuminates the practice of Buddhism both in traditional Buddhist societies and in the realms of modernity Apart from Buddha the list of terms in this collection deliberately includes none that are intrinsic to the religion Instead the contributors explore terms that are important for many fields and that invite interdisciplinary reflection Through incisive discussions of topics ranging from practice power and pedagogy to ritual history sex and death the authors offer new directions for the understanding of Buddhism taking constructive and sometimes polemical positions in an effort both to demonstrate the shortcomings of assumptions about the religion and the potential power of revisionary approaches Following the tradition of *Critical Terms for Religious Studies* this volume is not only an invaluable resource for the classroom but one that belongs on the short list of essential books for anyone seriously interested in Buddhism and Asian religions

What Is the Sangha? Sangharakshita, 2013-09-27 It can be a surprise to find that Buddhism gives great importance to the Sangha the spiritual community Some may feel that their guru or teacher is all that they need To others the idea of sharing their inner and outer lives with others can seem a challenge or even a threat But the spiritual community is not about unthinking conformity or belonging to a comfortable group Rather it is the free association of developing individuals choosing to help each other along the path

Guided Meditations on the Stages of the Path Thubten Chodron, 2016-12-13 The lamrim stages of the path presentation of Buddhist teachings has become a core topic of study at many Buddhist centers in the West For busy practitioners the lamrim gives a concise and easily graspable picture of the Buddhist path Best selling author Thubten Chodron has a unique ability to present these teachings In this volume she provides clear explanations of the stages of the path while the accompanying audio program contains guided meditations on each of the topics covered in the text The meditation teachings of lamrim says Buddhist teacher Thubten Chodron are like ready made clothes that are easy to wear they re systematized so that we can wear them right away so we can learn and practice them in an organized fashion Lamrim can be translated in various ways stages of the path steps on the path or gradual path Gradual path reminds us that the process of transforming the mind unlike so many other things in our hurry up society is a slow and thoughtful one These systematic teachings are the subject of this book The lamrim presents a step by step method to tame the mind and each person will find meaning and insight according to his or her level of understanding As readers practice these meditations repeatedly their comprehension and experience will transform and deepen even though the words used to spark the meditation sessions remain the same The first section of guided meditations discusses how to establish a daily practice how to set up an altar and how to approach the two kinds of meditation stabilizing and

Buddha's Not Smiling Erik D. Curren,2008-01-01 Interest in Buddhism has exploded in the last couple of decades and millions of people around the world view Tibetan Buddhism as the religion s most pure and authentic form Yet a political conflict among Tibetan lamas themselves is now poised to tear the Tibetan Buddhist world apart and threaten the integrity of its thousand year old teachings On August 2 1993 Rumtek monastery was attacked Its monks were expelled and the cloister was turned over to supporters of a boy lamas appointed by the Chinese government But Rumtek was not in China and its attackers were not Communist troops Rumtek was in India the refuge for most exiled Tibetans And it was Tibetan lamas and monks themselves who led the siege Yet evidence shows that Chinese agents directly supported Tibetan lamas and monks who attacked Rumtek monastery While a complete picture of this controversy has been blurred by the media s focus on international Buddhist celebrities *Buddha s Not Smiling* challenges Readers to Judge for themselves the health of Tibetan Buddhism today
