Relationship School A Path Of Conscious Loving:

Conscious Loving Gay Hendricks, Ph.D.,Kathlyn Hendricks,2009-10-21 Here is a powerful new program that can clear away the unconscious agreements patterns that undermine even your best intentions Through their own marriage and through twenty years experience counseling more than one thousand couples therapists Gay and Kathlyn Hendricks have developed precise strategies to help you create a vital partnership and enhance the energy creativity and happiness of each individual You will learn how to Let go of power struggles and need for control Balance needs for closeness and separateness Increase intimacy by telling the microscopic truth Communicate in a positive way that stops arguments Make agreements you can keep Allow more pleasure into your life Addressed to individuals as well as to couples Conscious Loving will heal old hurts and deepen your capacity for enjoyment security and enduring love *Date Night Ideas for Couples* Angela Holton,2023-05-23 Date nights can become a been there done that ritual but with new ways to spend time together your dates can be full of fun and unique experiences to share with your partner In this playful relationship book for couples you ll find more than 80 original ideas for leveling up date night whether you re 25 or 85 **A Path to Perfect Love** Donna Malchuk,2012-04 Have you ever wondered what a professional cheerleader a Waldorf mom or a computer geek could teach maturing women Or perhaps you have longed to know how to perform a self loving ritual Search no more Donna Malchuk gives you all the answers and much more in her luscious and thoughtful book A Path to Perfect Love Drawing from her own experience Donna Malchuk shares in a clear no nonsense intimate and often humorous way the lessons she learned from significant events in her life The result is a kaleidoscope of feel good advice that if applied can easily change and improve every woman s life With such diverse chapter headings as WE Are Living in Magnificent Times and Thoughts Controlling Stinking Thinking Donna retells her stories with an honesty that is both brutal and tender Many women will identify and relate to Donna and cheer with her when she triumphs over the challenges in her life and thank her as well as she guides us gently but firmly to LOVE after love The CNDA way : A revolutionary approach to relationships and self-love Colette Portelance,2015-03-31T00:00:00-04:00 According to the CNDA creative non directive approach developed by Colette Portelance individuals aiming to offer assistance or support to others in their personal or professional lives must first learn to know understand and accept themselves Only then will those in the helping role be able to feel and show true acceptance trust and love towards those they are helping enabling them to fulfil their creative potential and find greater happiness and harmony in their lives *Path of the Golden Heart* Cindy Jarrett,2015-11-05 Path Of The Golden Heart Conscious Dating In An Unconscious World the first book in Cindy Jarrett s Conscious Relationships Series is based on Cindy s pioneering work into the necessity for emotional maturity as the key for healthy and sustaining love relationships to succeed It is an in depth training that brings truth back into the dating process where single men and women can fully be their authentic selves while getting to know each other It brings an end to the suffering that has long been associated with dating It is a modern

approach to dating that dispels the myths about the games in dating many authorities try to promote This training brings single people the necessary education as to why love has become so difficult to attain and what stands in the way of effortlessly entering into love relationships Readers are provided easy and accessible actions to take that makes Conscious Dating a welcomed relief Love what we all desire It matters most to us and drives us to do the most courageous to craziest of things Love is what gives us our supreme experiences and challenges It is our most powerful expression Love heals all things And love is our greatest teacher Yet love eludes us It is everywhere and missing in so many hearts We fear it We run from it We long for it We deserve it It is our birthright And it is this desire for love that brings us to the dating ritual again and again And love is not enough We need more than just love to build and sustain a healthy relationship We also need commitment clarity honesty character an inner life consistency maturity an open heart forgiveness training guidance consciousness more maturity healthy communications sensitivity have I said maturity yet and much much more We don t usually relate to love or love relationships with maturity in mind We don t necessarily declare that these elements are also what loving another requires

Race-Conscious Caring in Educational Leadership Michael G. Gunzenhauser, Osly J. Flores, Michael W. Quigley, This book describes a model for educational leadership ethics that provides a critical reflective vision of what education can be for all children in K 12 schools The authors of Race Conscious Caring in Educational Leadership conducted interviews with 22 school leaders who shared their visions toward serving students of color The resulting model is built around the four features demonstrated by the strongest leaders race consciousness critical caring justice leadership and ethical praxis Race conscious caring leaders go beyond their good intentions to develop deep understanding of the needs and interests of their students they learn about racial identities and histories as strengths and sources of learning and they provide opportunities for educational experiences that are routinely denied to marginalized and minoritized students This book provides numerous examples of race conscious caring leaders with key analysis of where leaders fall short It is designed to help future and current leaders to critically reflect on their own experiences challenging them to build their capacity for transformative change Book Features Provides instructors with a unique text that integrates equity leadership and professional ethics Describes a comprehensive model that challenges leaders to improve across multiple dimensions especially if they are strong in some areas and not as strong in others Presents the ideal for each part of the model along with examples of partial fulfillment and what it looks like when a leader evidences very few of the ideals Incorporates examples and excerpts from school leaders who demonstrate varied levels of engagement with the model to help readers see themselves in the various categories Addresses the challenges today s leaders are facing due to policies and political climates working to pull back on equity work

The Critical Theory of Religion. The Frankfurt School Rudolf J. Siebert, 2016-04-11 No detailed description available for The Critical Theory of Religion The Frankfurt School [From Experience to Relationships](#) Jasna K. Schwind, Gail M. Lindsay, 2008-04-01 The six writers in this book explore the contribution and the transferability of narrative inquiry from curriculum studies to daily life in education and in healthcare They examine the interconnectivity of reconstructed experience with the construction of disciplinary identity and knowledge Thinking narratively they write autobiographically about relationships between teachers students nurses colleagues and or people in their care As narrative inquirers they are curious how research moves forward professional situations in education and healthcare The narrative plotlines of knowledge construction curriculum building and identity formation thread through the chapters In education and healthcare the reconstructed experience of a teacher is shown to be foundational to curriculum content and processes In nursing education we see congruence between narrative inquiry Clandinin Connelly and theorists such as Watson 1999 include the nurse in the caring situation as shapers of the experience of people in their care As practitioner researchers teachers in education and healthcare construct who they are and how they are in relationship in the context of social situations Inquiry not certainty Dewey 1929 is a life stance that is formative for education Practitioners in education and in healthcare will be interested in this book as a way to make meaning of their experience Policymakers and administrators will be interested in this book as a way of conceptualizing teachers knowledge as a source of curriculum Researchers will be interested in this book as a demonstration of how narrative inquiry illuminates ways of being that are educative and an innovative way to study curriculum

The Mind of Christ Stephen T. Pardue, 2013-09-12 This book brings a variety of theological resources to bear on the now widespread effort to put humility in its proper place In recent years an assortment of thinkers have offered competing evaluations of humility so that its moral status is now more contentious than ever Like all accounts of humility the one advanced in this study has to do with the proper handling of human limits What early Christian

resources offer and what discussions of the issue since the eighteenth century have often overlooked is an account of the ways in which human limits are permeable superable and open to modification because of the working of divine grace This notion is especially relevant for a renewed vision of intellectual humility the primary aim of the project but the study will also suggest the significance of the argument for ameliorating contemporary concerns about humility s generally adverse effects
