## **Relearning To See Improve Your Eyesightnaturally:**

**Relearning to See** Thomas R. Quackenbush, 2000-01-24 In this accessible presentation of the famous Bates method Thomas R Quackenbush who teaches the Bates method in California and Oregon describes how eyesight can improve naturally at any age and regardless of heredity This book is a wonderful tribute to the genius of Dr Bates who was a pioneer in discovering how vision becomes blurred and how it restores itself naturally to clarity and acuity Now 80 years later his findings and teachings remain light years ahead of our contemporaries His approach to treating vision problems was truly holistic and the theme throughout this book is very much an extension of that holistic approach Dr Quackenbush is to be commended for his dedication in getting the truth out and keeping the torch burning in this bible on vision improvement
