Who Are the Real Chosen People? Reuven Firestone, 2011-01-18 What Does It Mean to Be Chosen Why Did God Have to Choose To be chosen can have a range of meaning from the mundane to the holy but in all cases it means to be singled out and preferred over others In a deep sense that permeates much or most of Western culture having been chosen communicates a sense of something that is extraordinary is transcendent and entitles a reward What is assumed in this sense of the term is that God has done the choosing and the reward is something that is unequalled for what could possibly equal divinely ordained eternal happiness from the Introduction Religious people who define themselves as monotheists have often advanced the idea that their relationship with God is unique and superior to all others Theirs supersedes those who came before and is superior to those who have followed This phenomenon tends to be expressed in terms not only of supersessionism but also chosenness or election Who is most beloved by God What expression of the divine will is the most perfect Which relationship reflects God s

ultimate demands or desire In this fascinating examination of the religious phenomenon of chosenness Reuven Firestone explores the idea of covenant and the expressions of supersessionism as articulated through the scriptures of the three major monotheistic religions Judaism Christianity and Islam He explores how and why the ongoing competition and friction between these religions came about and offers thoughts about how to overcome it **Dhammapada**, 2011-05-02 Ancient words of the Buddha awakened one that can become a companion for your own spiritual journey The Dhammapada Path of the Buddha's Teachings is a daily inspiration for millions of Buddhists all over the world and for people of all spiritual traditions who have been impressed by its beauty and power These words believed to have been spoken by the Buddha himself over 2 500 years ago contain most of Buddhism's central teachings Originally composed in the ancient language of Pali this timeless text concisely and inspirationally portrays the route a person travels as he or she advances toward enlightenment With poetic sequence and rhythm the Dhammapada describes the fundamental role of mental conditioning in making us who we are It paints contrasting portraits of three levels of our human existence the fool the wise one and the enlightened one and addresses specific aspects of experience conduct and belief that characterize our transformation from one of these modes of being to another Now you can experience the Dhammapada with understanding even if you have no previous knowledge of Buddhism This SkyLight Illuminations edition offers insightful yet unobtrusive commentary that explains references and philosophical terms shares the inspiring interpretations of famous spiritual teachers and gives you deeper insight into the text **Journeys of Simplicity** Philip Harnden, 2011-01-06 Where do our journeys take us What do we leave behind What do we carry with us How do we find our way You are invited to consider a more graceful way of traveling through life With arresting clarity Journeys of Simplicity offers vignettes of forty travelers and the few ordinary things they carried with them from place to place from day to day from birth to death Edward Abbey Nellie Bly Raymond Carver Dorothy Day Marcel Duchamp Dolores Garcia Emma Grandma Gatewood Mohandas Gandhi Peter Matthiessen William Least Heat Moon John Muir Robert Pirsig Sir Ernest Henry Shackleton Henry David Thoreau Father Zossima and others **Forty Days to Begin a Spiritual Life** Maura D. Renewal in the Wilderness John Lionberger, 2007 There is an ancient and deeply compelling biblical tradition of going into the wilderness to find God Moses Jesus and Paul to name just a few of our spiritual forebears knew that in the wilderness they would find the quiet and simplicity that would lead to profound spiritual connections They understood that normal day today living is usually not the way to regain that connection with God because it affords little opportunity to simply humbly and quietly listen for God's voice and feel God's presence Perhaps even in our time especially in our time leaving civilization to spend time with God in the wilderness holds an important key to our own spiritual renewal This practical guide illuminates the power of finding God in the wilderness experience and the universality of spiritual connection through nature It explores

the teachings about wilderness in sacred writings both ancient and contemporary and how we can grow through the shared and individual experiences of being present in nature Lionberger draws from his own significant moments in the wilderness and stories from the many people who have accompanied him on wilderness treks He explores the meaning of wilderness in our modern society and offers thoughtful suggestions about how to find the Divine in our personal experiences God the What?
