Congress. Senate. Committee on Labor and Public Welfare. Subcommittee on Employment, Manpower, and Poverty, 1967 **A Relevant War Against Poverty**, 1968 *Launching the War on Poverty* Michael L. Gillette, 2010-07-09 Head Start Job Corps Foster Grandparents College Work Study VISTA Community Action and the Legal Services Corporation are familiar programs but their tumultuous beginning has been largely forgotten Conceived amid the daring idealism of the 1960s these programs originated as weapons in Lyndon Johnson's War on Poverty an offensive spearheaded by a controversial new government agency Within months the Office of Economic Opportunity created an array of unconventional

initiatives that empowered the poor challenged the established order and ultimately transformed the nation's attitudes toward poverty In *Launching the War on Poverty* historian Michael L Gillette weaves together oral history interviews with the architects of the Great Society's boldest experiment Forty nine former poverty warriors including Sargent Shriver Adam Yarmolinsky and Lawrence F O'Brien recount this inside story of unprecedented governmental innovation The interviews capture the excitement and heady optimism of Americans in the 1960s along with their conflicts and disillusionment This new edition of *Launching the War on Poverty* adds the voice of Lyndon Johnson to the story with excerpts from his recently released White House telephone conversations In these colorful and brutally candid conversations LBJ exercises his full arsenal of presidential powers political leverage and legendary persuasiveness to win one of his most difficult legislative battles The second edition also documents how the OEO's offspring survived their volatile origins to become broadly supported features of domestic policy

**Examination of the War on Poverty: Washington, D.C., March 13, 15, 16, and 17, 1967** United States. Congress. Senate. Committee on Labor and Public Welfare. Subcommittee on Employment, Manpower, and Poverty, 1967

**Negotiators of Change** Nancy Shoemaker, 2012-11-12 *Negotiators of Change* covers the history of ten tribal groups including the Cherokee Iroquois and Navajo as well as tribes with less known histories such as the Yakima Ute and Pima Maricopa The book contests the idea that European colonialization led to a loss of Native American women's power and instead presents a more complex picture of the adaption to and subversion of the economic changes introduced by Europeans The essays also discuss the changing meanings of motherhood women's roles and differing gender ideologies within this context

Congress. House. Committee on Education and Labor. Subcommittee on the War on Poverty Program,1965 The "Underclass" Debate Michael B. Katz,2018-06-05 Do ominous reports of an emerging underclass reveal an unprecedented crisis in American society Or are social commentators simply rediscovering the tragedy of recurring urban poverty as they seem to do every few decades Although social scientists and members of the public make frequent assumptions about these questions they have little information about the crucial differences between past and present By providing a badly needed historical context these essays reframe today s underclass debate Realizing that labels of social pathology echo fruitless distinctions between the deserving and undeserving poor the contributors focus not on individual and family behavior but on a complex set of processes that have been at work over a long period degrading the inner cities and inevitably the nation as a whole How do individuals among the urban poor manage to survive How have they created a dissident infrapolitics How have social relations within the urban ghettos changed What has been the effect of industrial restructuring on poverty Besides exploring these questions the contributors discuss the influence of African traditions on the family patterns of African Americans the origins of institutions that serve the urban poor the reasons for the crisis in urban education the achievements and limits of

the War on Poverty and the role of income transfers earnings and the contributions of family members in overcoming poverty  
The message of the essays is clear Americans will flourish or fail together      Monthly Catalog of United States Government
