## **Relics Spawn Shadows:**

**Relics** Shaun Hutson, 2014-04-01 From the relics of the past comes a new nightmare a force so powerful so obscenely evil that it threatens to reach across the centuries and engulf mankind During an archeological dig a hidden chamber filled with the skulls of children is discovered At first glance they seem to have been there for thousands of years but closer examination reveals a more shocking secret The opening of the chamber triggers a series of horrific murders each victim mutilated and their entrails used to form a different letter of the alphabet Who is behind this outrage and how is it linked to a subterranean chamber thousands of years old Inspector Stephen Wallace must unmask this crazed killer Is it the sadistic thug responsible for organizing a series of barbaric dog fights The mysterious recluse who holds Black Mass orgies for drug addicted teenagers Or is it in fact something much worse An evil so old so vile and so powerful that it threatens to engulf everyone who comes near it For Wallace and possibly for the whole human race time is running out fast Something evil is waiting Something monstrous is loose **The Writers Directory**, 2013 **Renegades** Shaun Hutson, 2014-04-01 Modern terrorism meets medieval madness in jaw dropping horror that will make the living envy the dead As a member of the Counter Terrorist Unit Sean Doyle thought he'd seen it all every violent act every depraved action man could perpetrate against man but he is to discover that there are much worse things in this world than even he has encountered Tracking a group of renegade terrorists from London to the Republic of Ireland to discover who is funding them and why what he discovers threatens not only his life but his sanity too The trail of terror leads not just across Britain but to France as well where the monstrous deeds of a murderer who died 400 years earlier still cast a dark and horrific shadow In the grisly frames of a stained glass window taken from the home of this vile killer lay the secret sought by so many for so long the secret of immortality One man will stop at nothing to get it and Sean Doyle is about to meet that man Monolith Shaun Hutson, 2015-04-02 When you have eliminated the impossible whatever remains however improbable must be the truth Arthur Conan Doyle On the banks of the river Thames a massive new building is being completed A stunning creation of glass and concrete that will be a new landmark on London's skyline And people are dying because of it Dozens of mysterious unexplained accidents have claimed the lives of workmen during the construction and journalist Jessica Anderson is convinced that the owner of the building a billionaire Russian businessman knows more about the accidents than he is revealing Enlisting the help of a former colleague Jess tries to investigate the shadowy industrialist but finds that far harder than she imagined Protected by a private security force and cocooned by his entourage this powerful man proves to be as elusive as anyone she has ever known He values his privacy and seems willing to go to any ends to protect it But what is he hiding As she delves into his background she discovers that one of his ancestors lived in London during the 1930s on the same site where the Crystal Tower was constructed and death and destruction surrounded that ancestor too Is there a link between these two men Jess is convinced there is and when a series of horrific attacks and murders take place perpetrated

against men who want to stop the Russians next building project she finds herself plunged into a maelstrom of fear and events that threaten not just her life but her very sanity Something from the darkest reaches of myth and superstition has been unleashed upon a modern world and it seems no one can stop it      **Progeny** Shaun Hutson,2020-11-05 Can you imagine what it would be like not to have any memory of your first ten years of life Jake Howard knows how that feels He s a successful psychiatrist and writer He has an apparently adoring lover and the respect of his peers But he also has a huge gap where his childhood memories should be What s more Jake is tormented by the worst kind of nightmares Nightmares he s not even sure are his Tormented by dreams and visions that threaten his sanity he must find their source in order to understand and banish them His hunt will take him to a run down seaside town to the place where he was raised and also forty years back in time to what he must confront to release himself from the grip of the visions and also to discover the hidden memories However he will discover things about himself he did not dare imagine Things he really didn t want to know And he will also discover that not everyone is what they appear to be Those revelations will expose a darkness and horror that no one should have to confront Sometimes a lie is preferable Some truth is best left undiscovered      Assassin Shaun Hutson,2014-04-01 Into the middle of gang warfare comes a force more powerful than vengeance more lethal than high velocity weapons and more terrifying than any nightmare London is gripped by the bloodiest outbreak of gang warfare ever seen Shootings in the street kidnappings bombs and car chases have become commonplace The gutters are running red with blood and the police are powerless to stop it Frank Harrison has ruled gangland unopposed for more than two years and now someone is out to wipe him and his men from the face of the earth Who and why The answer when it comes will test not just Harrison s courage but his sanity too For him there is only one way to fight back against an enemy he can barely believe he faces So into this world of violence corruption madness and death comes the Assassin      **The British National**
