Roster Of Revolutionary Soldiers In Georgia Vol 3 Of 3 Volume Set:

Roster of Revolutionary Soldiers in Georgia Mrs. Howard H. McCall, 2010-07 Mrs McCall's roster of Georgia soldiers in the Revolution was compiled over many years. The work as a whole is cumulative with only slight albeit significant differences in the kinds of information which may be found in one volume versus another. This volume, Volume II, contains records of officers and soldiers not only from Georgia but from other states, many of whose descendants later came to Georgia because of liberal land grants. The Appendix contains miscellaneous records and documents of the families of some Revolutionary soldiers and officers. Clearfield Company also publishes Volumes I and III. Volume I contains the records of hundreds of Revolutionary War soldiers and officers of Georgia with genealogies of their families and lists of soldiers buried in Georgia whose graves have been located. Volume III, the longest of the work, is similar in scope to this volume except that the majority of the entries are for Georgia officers and soldiers with only some material relating to other states. The three volumes, each of which is indexed, refer to as many as 20,000 persons overall. Leaf, Stem, Branch, and Root Kevin Paul Thompson, 2011. A genealogy tree documenting the ancestors of Kevin Paul Thompson. Genealogies of Virginia Families, 1981. From Tyler's quarterly historical and genealogical magazine. Chaplains of the Revolutionary War Jack Darrell Crowder, 2017-09-20. There is a time to preach and a time to fight. And now is the time to fight. With those words, the Rev John Muhlenberg stepped from his pulpit, removed his clerical robe, revealing the uniform of a Colonial officer, and marched off to war. Many of the ministers who became chaplains in the Continental Army during the Revolutionary War carried muskets while ministering to the spiritual needs of the troops. Their eyewitness accounts describe the battles of Lexington and Concord, life on a prison ship, the burning of New York City, the Battle of Rhode Island, the execution of Major Andre, and many other events. An Index of the Source Records of Maryland Eleanor Phillips Passano, 1967. The major part of this work is an alphabetically arranged and cross-indexed list of some 20,000 Maryland families with references to the sources and locations of the records in which they appear. In addition, there is a research record guide arranged by county and type of record, and it identifies all genealogical manuscripts, books, and articles known to exist up to 1940 when this book was first published. Included are church and county courthouse records, deeds, marriages, rent rolls, wills, land records, tombstone inscriptions, censuses, directories, and other data sources. *Daughters of the American Revolution Magazine*, 1928. **The Publishers Weekly**, 1890.
