fashion Poetry is a language within a language a heightened and intense awareness of what words mean and what they can do at its best creating an intensity of a sun within a sun The poet and reader of poetry must take the risk Icarus took of approaching the sun for without the risk there is no fulfillment A Sun within a Sun seeks a shaping of form and content that discovers poetry as power as a practice of life that honors and makes possible both thought and feeling **National Union Catalog, 1982** ,1983 **General Catalogue of Printed Books** British Museum.
