**Taming the Beast Within** M. H. Weiss, 2002. *Taming The Beast Within* by M H Weiss is the ultimate self help book. The logical and believable secrets of successful weight control, great mental and physical health, personal confidence and success become crystal clear as this story of life's reality unfolds. Surely a controversial book, *Taming The Beast Within* attacks all aspects of the conventional wisdom and prevalent ideologies without mercy. The Author lays out a superb case for the realistic, spontaneous and natural origin of life through a believable journey from the beginning of our universe until the chaotic time in which we live. The open minded and curious reader will find this book witty, informative, arrogant, sarcastic and charming all at the same time. New facts about many aspects of the origins of life learned from recent genetic and archaeological discoveries give real explanations to many of life's mysteries. The reader gets a logical and plausible look into the mechanisms at work behind phenomena like the sixth sense, déjà vu, premonitions, hunches, intuition, plus an intimate understanding of the real causes of mankind's seemingly animalistic behavior. *Taming The Beast Within* may well be the most important book you have ever read.
