Rough Diamond A. K. Fielding,2021-06-08 Solider politician miner pioneer scion of a Founding Father William Stephen Hamilton led a prolific life **Rough Diamond** The Life of Colonel William Stephen Hamilton examines the tumultuous early Republic period of American history through the life of Alexander Hamilton s son Born in New York in 1797 the fifth son of Alexander Hamilton he was only seven when his father was infamously killed in a duel with Vice President Aaron Burr After resigning from West Point Hamilton moved to frontier Illinois in 1817 The famous name of

Hamilton that may have acquired him rank and prestige at one time was meaningless in a Midwestern frontier society driven by the Jacksonians Yet despite being hurled into a clash of economic political and cultural cultures Hamilton determined to live his life by his own rules A veteran of the Winnebago and Black Hawk Wars Hamilton was elected to the Illinois House of Representatives before moving to the Wisconsin territory where he founded the mining town of Hamilton s Diggings Wiota WI When gold was discovered in California in 1848 he traveled west where he would die in Sacramento in 1850 In Rough Diamond The Life of Colonel William Stephen Hamilton author A K Fielding expands the story of the Hamilton family Hamilton s life offers a firsthand account of the formation of the Midwestern states the realities of life on the frontier and mass migration caused by the California Gold Rush *Djedefre* Max Overton,2024-02-05 When Pharaoh Khufu dies the kingdom looks to his chosen heir Djedefre But power never passes cleanly in the royal court of Egypt With rivals in his own bloodline and unrest among the priesthood Djedefre must secure his place before he loses it Choosing to break with tradition he moves his tomb from Giza to Abu Rawash a decision that angers the powerful cult of Ra and widens rifts within his family As whispers of rebellion rise and loyalties shift Djedefre must face betrayal not from enemies but from those closest to him Djedefre is a richly layered entry in The Pyramid Builders series offering a compelling look at a ruler whose reign may have been short but whose choices changed the course of Egypt s Fourth Dynasty Khufu Max Overton, Khufu son of Sneferu inherits a stable throne and a nation poised for greatness But in a court still echoing with his father s legacy Khufu knows stability is fragile and power always comes at a cost Determined to outdo the past he commissions what will become the largest pyramid in Egypt s history Yet ambition alone is not enough As factions stir rivalries grow and the burden of kingship deepens Khufu must prove that he is not just the son of a great king but a builder of destiny in his own right Khufu is a richly detailed portrayal of a ruler whose name remains carved into stone and memory A compelling continuation of The Pyramid Builders series The Moving Picture World ,1908 *Six Years on the Border* Mrs. J. B. Rideout,1883 The Epic of America James Truslow Adams,2017-09-29 There is a tradition of one volume narrative histories of the United States in which the political military diplomatic social and economic strands are skillfully interwoven Rather than add to these volumes The Epic of America paints a sweeping picture of the diverse past that has created America s national story In this important narrative James Truslow Adams reviews how the ordinary American has matured over time in outlook character and opinion Adams grew increasingly conscious of how different an American is now from the man or woman of any other advanced nation He is equally interested in the whole of American history how it began and what it represented in the first half of the twentieth century Adams traces the historical origins of the American concept of bigger and better attitudes toward business the American Dream and other characteristics generally considered typically American Ever since America became an independent nation each generation has seen an uprising of its citizens to save the American Dream from forces seeking to overwhelm and dispel it Possibly the greatest of these struggles is still ahead not a struggle of revolutionists against

established order but of the ordinary person who seeks to hold fast to the rights of life liberty and the pursuit of happiness This classic book is valuable for a new age and as important for this new century as it was when originally written **Till Death Do Us Part** Salvatore G.
