Hobo Cowboy Jack Overbey,2018-10-10 As Chief Sitting Bull stepped up on the porch he turned to face the crowd My friends he began by sweeping his right arm around encompassing all in attendance I am called Sitting Bull war chief of the Lakota Sioux but it was not always so My mother and father named me at birth Jumping Badger My name was changed to Sitting Bull after my coming of age vision My ancestors and I grew up in the sacred Black Hills of Dakota where we lived happily for many thousands of years And then the white eyes came We lived by our own tribal law and the law of the great spirit which is true and just then the Great White Father in Washington said he wanted all of our land for

themselves and the yellow iron found on it then sending Yellow Hair Custer to our land to find the yellow iron breaking our treaties which we had signed many times but was broken each time by the white man not us They told us upon threat of war and death to give up our sacred land and go live on the white man s reservation They said we must send our children to white man s school learn the white man s ways forget the ways of our fathers and grandfathers plow the Mother Earth they wanted our weapons turned over to the blue coats these things we could not do As any man worth his small ration of salt would do even as the white eyes have done in their civil war we fought for our freedom
