Verzeichnis lieferbarer Bücher, 2002 **Kultur & Technik**, 2005 *Route 66: A Musical Journey* Mary K. Sallee, Celebrate America's Highway with Route 66 the latest fun filled book from Alfred's Learning Link Series The 8 original piano solos depict various stops along this famous route from Chicago to Los Angeles The 2 pages preceding each piece are peppered with historical facts off the beaten path stories about each state as well as practice tips **Route 66** Susan Croce

Kelly,1990 U S Highway 66 was always different from other roads During the decades it served American travelers Route 66 became the subject of a world famous novel an Oscar winning film a hit song and a long running television program The 2 000 mile concrete slab also became a seven year obsession for Susan Croce Kelly and Quinta Scott They traveled Route 66 photographing buildings knocking on doors and interviewing the people who had built the buildings and run the businesses along the highway Drawing on the oral tradition of those rural Americans who populated the edge of old Route 66 Scott and Kelly have pieced together the story of a highway that was conceived in Tulsa Oklahoma linked Chicago to Los Angeles and played a role in the great social changes of the early twentieth century Using the words of the people themselves and documents they left behind Kelly describes the life changes of Route 66 from the dirt and gravel days until the time when new technology and different life styles decreed that it be abandoned to the small towns it had nurtured over the course of thirty years Scott s photographic essay shows the faces of those 66 people and gives a feeling of what can be seen along the old highway today from the seminal highway architecture to the grainfields of the Illinois prairie the windbent trees of western Oklahoma the emptiness of New Mexico and the bustling pier where the highway ends on the edge of the Pacific Ocean Route 66 uses oral history and photography as the basis for a human study of this country s most famous road Historic times dates places and events are described in the words of men and women who were there driving the highway cooking hamburgers creating pottery and pumping gas As much as the concrete gravel and tar spread in a sweeping arc from Chicago to Santa Monica those people are Route 66 Their stories and portraits are the biography of the highway Merian,1998 *Hip to the Trip* Peter B. Dedek,2007-05-01 Before and since its official closure in 1985 historic U S 66 became associated with the deserts Indians and cowboys of the Southwest the Okies of the Great Depression and the millions of vacationers who took to the highway in their streamlined automobiles and found adventure on the open road from the late 1940s to the 1970s Route 66 has such name recognition that in the past twenty years it has been used to advertise products ranging from blue jeans to root beer to automobiles The highway enjoyed only about thirty years of dominance as a primary auto and truck route from 1926 to around 1956 Gradually replaced by interstates into the 1980s Route 66 became forever fixed in the history and lore of the Southwest and the United States Route 66 provides a unique vantage point from which to better understand American popular culture from the 1920s to the present The purpose of this book is not to simply recount the history of Route 66 but to create a comprehensive portrait of the cultural meaning of the highway What was Route 66 at its pinnacle what is it today and what might it become in the future **Route 66** David Knudson,2012-10-10 Begun in 1926 to connect Chicago to Los Angeles Route 66 was the country s first major east west thoroughfare By 1930 it was an important route for both truckers and travellers alike and in 1939 it became known as The Mother Road thanks to John Steinbeck s classic *The Grapes of Wrath* Over the years hundreds of thousands of Americans travelled this great road from those heading west during the Great Depression to postwar families taking road trips across the country but by the 1970s

four lane highways expressways and tollways had largely supplanted it and Route 66 fell into disrepair In this book authority David Knudson traces the fascinating story of The Mother Road from origins to decline including the roadside attractions and cottage industries it spawned and the efforts to save and restore it **Route 66, 75th Anniversary Edition** Michael Wallis, 2001-06-23 The Definitive book on the most famous road in American history **Route 66 Remembered** Michael Karl Witzel, 1996
