## **Secularization Of Leisure Culture And Communication In Israel:**

**The Secularization of Leisure** Elihu Katz, Michael Gurevitch, 1976      **The Secularization of Leisure - Culture and Communication in Israel** Elihu Katz, 1976      Language and Communication in Israel Hanna Herzog, 2018-01-16 This volume presents a broad range of the various approaches and questions that preoccupy Israel's sociologists of language and communication. It covers the relation of language and communication to daily life to social and cultural pluralism and to politics and elections.      Essays on Leisure Max Kaplan, 1991 A collection of 12 previously published or delivered essays by well-known sociologist Kaplan. Includes an autobiographical sketch, his views on leisure as it relates to aging, ethics, tourism, the arts, outdoor recreation, and a review of the current scholarship. Annotation copyrighted by Book News Inc. Portland, OR.

**Civil Religion in Israel** Charles S. Liebman, Eliezer Don-yehiya, 2024-03-29 This study explores the profound influence of Judaism on the political culture of the Jewish settlement in the Land of Israel, spanning from the prestate yishuv period to the present day. Focusing on the concept of civil religion defined as the ceremonials, myths, and creeds that legitimize the social order, foster unity, and mobilize society toward its key political goals, the research examines how these elements, often rooted in Jewish tradition, have shaped the political and moral community of Israel. Civil religion, representing what is most sacred in a political culture, has played a distinctive role in unifying the population and guiding political aims within modern Jewish society in Israel. The book traces the evolution of civil religion in Israel, highlighting its decline in recent years as a key shift in Israeli political culture. Organized into chapters that define terms, detail the development of civil religions over time, and explore the responses of religious Jews, the study culminates in a comprehensive analysis of the topic. Drawing on research supported by grants from the Israel Foundations Trustees and Bar Ilan University, the authors offer a collaborative and in-depth examination of civil religion's dynamic presence and transformation within Israeli society, shedding light on one of the most significant elements of its political and cultural identity. This title is part of UC Press's Voices Revived program, which commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them voice, reach, and impact. Drawing on a backlist dating to 1893, Voices Revived makes high-quality, peer-reviewed scholarship accessible once again using print-on-demand technology. This title was originally published in 1983.      **The Transformation**

**Of Israeli Society** S. N. Eisenstadt, S. N. Eisenstadt, 2019-07-09 This book discusses the development and organization of the major spheres of life of Israeli society. It analyses major aspects and trends of development of Israeli society which have been taking place continuously since its beginning from the early period of Zionist settlement in Eretz Israel.      *Identity, Place, and Subversion in Contemporary Mizrahi Cinema in Israel* Yaron Shemer, 2013-07-29 In *Identity, Place, and Subversion in Contemporary Mizrahi Cinema in Israel*, Yaron Shemer presents the most comprehensive and systematic study to date of Mizrahi, Oriental Jewish, or Arab Jewish films produced in Israel in the last several decades. Through an analysis of dozens of films, the book illustrates how narratives, characters, and space have been employed to give expression to Mizrahi ethnic

identity and to situate the Mizrahi within the broader context of the Israeli societal fabric. The struggle over identity and the effort to redraw ethnic boundaries have taken place against the backdrop of a long standing Zionist view of the Mizrahi as an inferior other whose Levantine culture posed a threat to the Western oriented Zionist enterprise. In its examination of the nature and dynamics of Mizrahi cinema defined by subject matter the book engages the sensitive topic of Mizrahi ethnicity head on confronting the conventional notion of Israeli society as a melting pot and the widespread dismissal of ethnic divisions in the country. Shemer explores the continuous marginalization of the Mizrahi in contemporary Israeli cinema and the challenge some Mizrahi films offer to the subjugation of this ethnic group. He also studies the role cultural policies and institutional power in Israel have played in shaping Mizrahi cinema and the creation of a Mizrahi niche in cinema. In a broader sense this pioneering work is a probing exploration of Israeli culture and society through the prism of film and cinematic expression. It sheds light on the play of ethnicity class gender and religion in contemporary Israel and on the heated debates surrounding Zionist ideology and identity politics. By charting a new territory of academic inquiry grounded in an interdisciplinary theoretical framework the study contributes to the formation of Mizrahi Cinema as a recognized and vibrant scholarly field.

Leisure, Toward a Theory and Policy Hillel Ruskin, 1984. Participants at an international conference on leisure contribute to this multidisciplinary volume which seeks better public policy decision making on the problems generated by the abundance of leisure in advanced technological societies.

*Planning for Tourism, Leisure and Sustainability* Anthony S. Travis, 2011. Providing a wide range of case studies in sustainable tourism planning this authoritative work presents cases at both international and national levels as well as on a regional sub regional urban local and site scale. Drawing on the author's world wide experience and with contributions from professionals in the field this book takes a comparative approach relating to different economic political and temporal dimensions examining established initiatives both in the context of the standards of the time and from a modern perspective looking back. With an emphasis on sustainability this un

**International Bibliography Of Jewish Affairs, 1976-1977** Elizabeth E. Eppler, 2019-04-03. This bibliography a project of is intended as an aid to research on and cultural aspects of contemporary ship between Jews and the non Jewish material published in 1976 and 1977 the Institute of Jewish Affairs the historical social political Jewish life and on the relationworld. The present volume covers The Bibliography includes primarily nonfiction works published outside Israel by both Jewish and non Jewish authors it excludes belles lettres with the exception of documentary novels and memoirs and religious studies. Entries are arranged by subject with cross references wherever applicable a cumulative index of names and a list of periodicals are provided at the end of the volume.

*International Media Research* John R. Corner, Philip Schlesinger, Professor Philip R Schlesinger, Roger Silverstone, 2004-01-14. International Media Research offers a rigorous and critical review of key approaches and concerns that have recently defined the field of media research. In this clearly argued collection of essays the contributors analyze and reflect upon dominant themes and debates that have made media research

an increasingly important element of cultural theory The volume begins with a critical evaluation of the work of the leading media scholar Elihu Katz and continues with an exploration of the relationship between media studies and adjacent disciplines cultural studies and gender and sexuality Contributors drawn from Britain America Canada and Belgium consider the relationships between media research and media policy in different national and international contexts Focusing on the European Union East Central Europe North America and Latin America chapters assess the impact of social economic and political circumstances on policy debates and the shaping of the research agenda The final chapter adopts a transatlantic perspective in tracing and analysing the history of the media's role in reporting war

**Review of Katz, Elihu, and Michael Gurevitch. The Secularization of Leisure: Culture and Communication in Israel** Herbert Cecil Zafren, 1976

**Qualitative and Quantitative Social Research** Robert King Merton, James S. Coleman, Peter Henry Rossi, 1979

**The Handbook of Communication History** Peter Simonson, 2013 The Handbook of Communication History addresses central ideas social practices and media of communication as they have developed across time cultures and world geographical regions It attends to both the varieties of communication in world history and the historical investigation of those forms in communication and media studies The Handbook editors view communication as encompassing patterns processes and performances of social interaction symbolic production material exchange institutional formation social praxis and discourse As such the history of communication cuts across social cultural intellectual political technological institutional and economic history The volume examines the history of communication history the history of ideas of communication the history of communication media and the history of the field of communication Readers will explore the history of the object under consideration relevant practices media and ideas review its manifestations in different regions and cultures comparative dimensions and orient toward current thinking and historical research on the topic current state of the field As a whole the volume gathers disparate strands of communication history into one volume offering an accessible and panoramic view of the development of communication over time and geographical places and providing a catalyst to further work in

communication history      Flow and the Foundations of Positive Psychology Mihaly Csikszentmihalyi, 2014-08-08 The second volume in the collected works of Mihaly Csikszentmihalyi covers about thirty years of Csikszentmihalyi's work on three main and interconnected areas of study: attention, flow, and positive psychology. Describing attention as psychic energy and in the footsteps of William James, Csikszentmihalyi explores the allocation of attention: the when and where and the amount of attention humans pay to tasks and the role of attention in creating experiences or ordered patterns of information. Taking into account information processing theories and attempts at quantifying people's investment, the chapters deal with such topics as time budgets and the development and use of the Experience Sampling Method of collecting data on attention in everyday life. Following the chapters on attention and reflecting Csikszentmihalyi's branching out into sociology and anthropology, there are chapters on the topic of adult play and leisure and connected to that on flow, a concept formulated and developed by Csikszentmihalyi. Flow has become a popular concept in business and management around the world, and research on the concept continues to flourish. Finally, this volume contains articles that stem from Csikszentmihalyi's connection with Martin Seligman; they deal with concepts and theories as well as with the development and short history of the field and the movement of positive psychology.      **Handbook of Children and the Media** Dorothy G. Singer, Jerome L.

Singer, 2011-07-25 Cyber bullying, sexting, and the effects that violent video games have on children are widely discussed and debated. With a renowned international group of researchers and scholars, the Second Edition of the *Handbook of Children and the Media* covers these topics, is updated with cutting-edge research, and includes comprehensive analysis of the field for students and scholars. This revision examines the social and cognitive effects of new media such as Facebook, Twitter, YouTube, Skype, iPads, and cell phones, and how children are using this new technology. This book summarizes the latest research on children and the media and suggests directions for future research. This book also attempts to provide students with a deliberate examination of how children use, enjoy, learn from, and are advantaged or disadvantaged by regular exposure to television, new technologies, and other electronic media.      **Narrating Media History** Michael

Bailey, 2012-11-12 Based on the work of media historian James Curran, *Narrating Media History* explores British media history as a series of competing narratives. This unique and timely collection brings together leading international media history scholars not only to identify and contrast the various interrelationships between media histories but also to encourage dialogue between different historical, political, and theoretical perspectives, including liberalism, feminism, populism, nationalism, libertarianism, radicalism, and technological determinism. Essays by distinguished academics cover television, radio, newspaper, press, and advertising, among others, and illustrate the particularities, affinities, strengths, and weaknesses within media history. Each section includes a brief introduction by the editor with discussion topics and suggestions for further reading, making this an invaluable guide for students of media history.      *Israeli Judaism* Åelomo A. DeÅien, Charles Seymour Liebman, Moshe Shokeid, 1995-01-01 This is an unusual and extremely timely collective effort. It appears at a

moment in which Israelis not only must confront their Arab neighbors but must deal with one another as Jews possessing radically different views on the present and future of the Jewish tradition. With this seventh volume of the series the Israeli Sociological Society has turned its attention to religion, an area that for many years has been of high importance but low profile in Israeli affairs and in the wider Middle Eastern context. Chapters and contributors include: Jewish Civilization Approaches to Problems of Israeli Society by Shmuel N. Eisenstadt; Life Tradition and Book Tradition in the Development of Ultraorthodox Judaism by Menachem Friedman; Religious Kibbutzim: Judaism and Modernization by Aryeh Fishman; The Religion of Elderly Oriental Jewish Women by Susan Sered; and Hanukkah and the Myth of the Maccabees in Ideology and in Society by Eliezer Don Yehiya. The increasing presence of religious activism in contemporary Israel, side by side with subtle changes in the religion of Israeli Sephardim, makes the topic of religion essential for an understanding of Israel and much of the Middle East generally. Israeli Judaism is a significant work and will be of interest to theologians, philosophers, sociologists, anthropologists, and political theorists.

Right here, we have countless ebook **Secularization Of Leisure Culture And Communication In Israel** and collections to check out. We additionally give variant types and furthermore type of the books to browse. The adequate book, fiction, history, novel, scientific research, as without difficulty as various new sorts of books are readily to hand here.
