**SECURED TRANSACTIONS CASES AND MATERIALS** George E. Osborne, Secured Credit in Europe Teemu Juutilainen, 2018-03-22 Winner of the 2016 2018 KG Idman Prize This monograph seeks the optimal way to promote compatibility between systems of proprietary security rights in Europe focusing on security rights over tangible movables and receivables Based on comparative research it proposes how best to tackle cross border problems impeding trade and finance notably uncertainty of enforceability and unexpected loss of security rights It offers an extensive analysis of the academic literature of more recent years that has appeared in English German the Scandinavian languages and Finnish The author organises the concrete means of promoting compatibility into a centralised substantive approach a centralised conflicts approach a local conflicts approach and a local substantive approach The centralised approaches develop EU law and the local approaches Member State laws The substantive approaches unify or harmonise substantive law while the conflicts approaches rely on private international law The author proposes determining the optimal way to promote compatibility by objective based division of labour between the four approaches The

objectives developed for that purpose are derived from the economic functions of security rights the conditions for legal evolution and a transnational conception of justice This book is an important contribution to the future of secured transactions law in Europe and more widely It will be of interest to academics policymakers and legal practitioners involved in this field      *Comparative Law Casebook* Stefan A. Riesenfeld, Walter J. Pakter, 2023-11-27 This casebook represents the extraordinary scholarship vision organizational and translation skill of the renowned international law scholar the late Professor Stefan Riesenfeld The cases and materials contained in this volume were developed by Professors Riesenfeld and Pakter for a seminar they taught on Comparative Law at Boalt Hall from 1986 1998 The cases have been updated for the purposes of this edition The volume consists of four parts covering the following topics Part 3 Security for Performance The print edition is available as a set of four volumes 9781571052209      **The American Bankruptcy Institute Survey** United States.
