Commemoration and Bloody Sunday B. Conway, 2010-03-03 In this wide ranging study of the politics of memory in Northern Ireland Brian Conway examines the career of the commemoration of Bloody Sunday and looks at how and why the way this historic event is remembered has undergone change over time Drawing on original empirical data he provides new insights into the debate on collective memory

Ireland in Focus Eóin Flannery, Michael Griffin, 2009-06-01 From an analysis of the Guinness brand s reflection of Irish identity to an exploration of murals and film portrayals of political prisoners this pioneering collection of essays seeks to present Ireland s relationship to visual culture as a whole While other works have explored the imagistic history of Ireland most have restricted their lens to a single form of visual representation Ireland in Focus is the first book to address the

diverse range of visual representations of national and communal identity in Ireland The contributors examine the politics of visual representation from both historical and contemporary perspectives Drawing from the areas of cultural theory postcolonial studies art criticism documentary and archival history and gender studies the essays provide novel insights on a variety of visual cultural forms including film theater photography landscape art political murals and the visual iconography of commercial marketing Bringing together established scholars and emerging young critics in the field Ireland in Focus breaks new ground in showcasing the essential dynamism of visual culture and its relationship to Irish studies

Topography of Trauma: Fissures, Disruptions and Transfigurations, 2019-08-26 This volume addresses trauma not only from a theoretical descriptive and therapeutic perspective but also through the survivor as narrator meaning maker and presenter By conceptualising different outlooks on trauma exploring transfigurations in writing and art and engaging trauma through scriptotherapy dharma art autoethnography photovoice and choreography the interdisciplinary dialogue highlights the need for rethinking and re examining trauma as classical treatments geared towards healing do not recognise the potential for transfiguration inherent in the trauma itself The investigation of the fissures disruptions and shifts after punctual traumatic events or prolonged exposure to verbal and physical abuse illness war captivity incarceration and chemical exposure amongst others leads to a new understanding of the transformed self and empowering post traumatic developments Contributors are Peter Bray Francesca Brencio Mark Callaghan M Candace Christensen Diedra L Clay Leanne Dodd Marie France Forcier Gen ichiro Itakura Jacqueline Linder Elwin Susan John Kori D Novak Cassie Pedersen Danielle Schaub Nicholas Quin Serenati Asl Tekinay Tony M Vinci and Claudio Zanini Painting History Tony Crowley, 2025-09-16 Painting History The Murals of Northern Ireland 1908 2024 is the first book length study of the oldest and most enduring tradition of political wall art Tony Crowley shows how muralism became an important medium for the unionist and loyalist community in its political domination of public space before and after Partition The text also demonstrates that nationalists and republicans painted few murals before the start of the 1981 Hunger Strike during which they painted wall art across republican areas of Northern Ireland as a way of publicizing their cause In the context of a divided society by the mid 1980s murals had become an established genre for the expression of political demands and aspirations In Painting History Tony Crowley provides a detailed analysis of the complex tradition of muralism in the context of the history that produced it with particular attention given to the cultural politics of this remarkable form The book also raises and discusses a series of theoretical questions about murals and muralism that transcend Northern Ireland issues of propriety and legality form and content authority and censorship The work ends with a consideration of the future of the murals in a still polarized but changing region *Northern Ireland: The Troubles* Kenneth Lesley-Dixon, 2020-01-31 It is of course no secret that undercover Special Forces and intelligence agencies operated in Northern Ireland and the Republic throughout the troubles from 1969 to 2001 and beyond What is less well known is how these units were recruited how they operated what their

mandate was and what they actually did This is the first account to reveal much of this hitherto unpublished information providing a truly unique record of surveillance reconnaissance intelligence gathering collusion and undercover combat An astonishing number of agencies were active to combat the IRA murder squads the Provos among others the Military Reaction Force MRF and the Special Reconnaissance Unit also known as the 14 Field Security and Intelligence Company The Det as well as MI5 Special Branch the RUC the UDR and the Force Research Unit FRU later the Joint Support Group JSG It deals with still contentious and challenging issues as shoot to kill murder squads the Disappeared and collusion with loyalists It examines the findings of the Stevens Cassel and De Silva reports and looks at operations Loughgall Andersonstown Gibraltar and others

Theatre History and Historiography Claire Cochrane, 2016-04-29 This collection of essays explores how historians of theatre apply ethical thinking to the attempt to truthfully represent their subject whether that be the life of a well known performer or the little known history of colonial theatre in India by exploring the process by which such histories are written and the challenges they raise

Murals und Paraden Mario Liftenegger, 2013

Ireland and Empire Stephen Howe, 2000-04-06 A growing band of historians political commentators and cultural critics has sought to analyse Ireland's past and present in colonial terms For some including Irish Republicans it is the only proper framework for understanding Ireland Others reject the very use of the colonial label for Ireland's history while using the term for the present arouses outrage especially amongst Ulster Unionists This book evaluates and analyses these controversies ranging from debates over the ancient and medieval past to those in current literary and postcolonial theory Scholarly at times polemical it is the most comprehensive study of these themes ever to appear and will undoubtedly stimulate discussion for years to come

Versions Of Ireland Éoin Flannery, 2021-03-04 *Versions of Ireland* brings a refined postcolonial theoretical optic to bear on many of the most urgent questions within contemporary Irish cultural studies Drawing on and extending the most advanced critical work within the discipline the book offers a subtle critical genealogy of the development of Ireland's diverse postcolonial projects Furthermore it reflects on the relevance and the effectiveness of postcolonial and subaltern historiographical methodologies in an Irish context interrogating the ethical and political problematics of such discursive importation Flannery's work highlights the operative dynamics of imperial modernity together with its representational agents in Ireland and also divines moments of explicit and implicit resistance to modernity's rationalising and accumulative urges The book is pioneering in the facility and ease with which it navigates the interdisciplinary terrain of Irish studies Flannery provides enabling and challenging new readings of the poetry of the bi-lingual poet Michael Hartnett the politically imaginative vistas of the republican mural tradition in the North of Ireland the gothic anxieties inherent in the fiction of Eugene McCabe and the semi-fictional writing of Seamus Deane and the differential codes of visual surveillance apparent in Irish tourist posters and late nineteenth century photography in Ireland *Versions of Ireland* does not dwell on the exclusively theoretical but offers rich critical analyses of a range of Irish cultural artefacts in terms of Ireland's protracted colonial

history and contested postcolonial condition *Plural Identities--singular Narratives* Máiréad Nic Craith, 2002 Northern Ireland is frequently characterised in terms of a two traditions paradigm representing the conflict as being between two discrete cultures Demonstrating the reductionist nature of this argument this book highlights the complexity of reality

Insurgency Online Michael York Dartnell, 2006-01-01 In *Insurgency Online* Michael Dartnell focuses on a new form of conflict made possible by global communications The Internet Dartnell argues is affecting extensive changes to the way politics are carried out by inserting a range of non state actors onto the global political stage He demonstrates that Web activism raises issues about the organization of societies and the distribution of power and contends that the development of online activism has far reaching social and political implications with parallels to the influence of the invention of the printing press the telegraph and the radio Dartnell concentrates on Web activists who use the Net as a media tool distinguishing this use from information terrorism which threatens or harasses through hacking or electronic sabotage Using the examples of the Revolutionary Association of the Women of Afghanistan RAWA which opposed the Taliban the Peruvian Movimiento Revolucionario Tupac Amaru MRTA and its campaign against the Fujimori government and the Irish Republican Socialist Movement IRSM Dartnell evaluates the political implications and general character of Web activism among non state actors *Insurgency Online* shows that online activism is a ripe new territory for non governmental actors to raise awareness and develop support around the world

Material Conflicts Neil Jarman, 2020-08-04 The deep and abiding sectarian divide splintering Northern Ireland has been the focus of considerable attention recently In particular the role parades and visual displays play in underscoring opposition has come into the spotlight with the emergence of heightened tensions close on the heels of a tentative peace Providing penetrating insights into the historical roots of Northern Ireland's ethnic hostilities this timely book explores the role of images and material culture in shaping present attitudes Ritual identity class and memory are shown to be potent forces informing trenchant animosities animosities which are visually reflected in banners and murals for unionists and nationalists alike The pivotal role of the Twelfth of July parade in Belfast when an estimated 100 000 either parade or watch the Orangemen is highlighted Anyone interested in the future of Northern Ireland and concerned about escalating conflict across the globe will warmly welcome this impressive study
