scientist s consuming love for a woman known as the Aleut a woman who never speaks who refuses to reveal so much as her name Born and educated in midwestern cities Bigelow is sent north by the United States government to establish a weather observatory in Anchorage But what could have prepared him for the loneliness of a railroad town with more than two thousand men and only a handful of women or for winter nights twenty hours long And what can protect him from obsession obsession with a woman who seems in her silence and mystery to possess the power to destroy his life forever and obsession with the weather kite he invents a kite he hopes will fly higher than any has ever flown before and will penetrate the secrets of the heavens A novel of passions both dangerous and generative The Seal Wife explores the nature of desire and its ability to propel an individual beyond himself and convention As she brilliantly reimagines the terrain of the Alaskan frontier during the period of the First World War Harrison a master of her material Mary Gordon also evokes early efforts to chart the weather and reveals the interior realm of the psyche and emotions a human landscape that in its splendor and terror is profoundly and eerily reminiscent of the frozen frontier and the storms that scour its face **Exposure** Kathryn Harrison,2011-04-06 Luminous and affecting Exposure examines the often fine line between art and abuse Taut in plot beautifully realistic and intelligently disturbing Harper s Bazaar Ann Rogers appears to be a happily married successful young woman A talented photographer she creates happy memories for others videotaping weddings splicing together scenes of smiling faces editing out awkward moments But she cannot edit her own memories so easily images of a childhood spent as her father s model and muse the subject of his celebrated series of controversial photographs To cope Ann slips into a secret life of shame and vice But when the Museum of Modern Art announces a retrospective of her father s shocking portraits Ann finds herself teetering on the edge of self destruction desperately trying to escape the psychological maelstrom that threatens to consume her Astounding told in prose as multifaceted as a diamond crystalline and mesmerizing Remarkable hardly goes far enough Cosmopolitan Impossible to put down Kathryn Harrison is an extremely gifted writer poetic passionate and elegant San Francisco Chronicle Exquisite exhilarating and harrowing Donna Tartt author of The Secret History and The Little Friend A breathless urban nightmare not easy to forget Stark brilliant and original work Kirkus Reviews starred review Joan of Arc Kathryn Harrison,2015-10-13 Kathryn Harrison gives us a Joan of Arc for our time a shining exemplar of unshakable faith extraordinary courage and self confidence on the battlefield in the royal court during a brutally rigged inquisition and imprisonment and in the face of her death In this new take on Joan s story Harrison deftly weaves historical fact myth folklore scripture artistic representations and centuries of scholarly and critical interpretation into a fascinating narrative revitalizing our sense of Joan as one of the greatest heroines in all of human history On Sunset Kathryn Harrison,2019-09-03 Born in Los Angeles at the dawn of the 1960s to parents who quickly departed Kathryn Harrison was received by her maternal grandparents as a late life child Harry Jacobs and Margaret Sassoon true wandering Jews had emigrated to L A after leading whirlwind lives in Shanghai London Alaska Russia and beyond Harrison grew up in
