## Seeking Heart:

**Honest - Seeking - Hearts** Janet Whitehead, 2021-11-03 We humans find it hard to believe God has our best in mind when life gives us painful experiences This book is about a terrible tragedy that happened to my family God used this tragedy to reveal precious truths about Himself and in the process I learned a lot about myself There are many hinderances to fellowship with God but they are all on our side Only embracing the mystery of life and allowing God to have His way will give us peace I have been inspired by other authors I pray this book will inspire its readers to get honest with God about themselves and seek Him with all their heart      *Say Yes to God* Kay Warren, 2010-10-05 You have a plan for the rest of your life God has a plan for the rest of your life Are they the same Say Yes to God formerly titled Dangerous Surrender will help you find the answer You have expectations for how your life will play out and you hope those plans will become realities But what if God's plan for your life is far different from what you had in mind Can you accept that Will you surrender your goals for God's Kay Warren had a plan Together with her husband Rick Warren author of the megaseller *The Purpose Driven Life* she planned that after her kids were grown she'd travel the world teaching and encouraging couples in ministry It was a good plan But it wasn't what God had in mind for her In her own startling wake up call Kay discovered the shocking realities of the AIDS pandemic in Africa while reading a magazine I want to use you she heard God say That began the struggle first to avoid God's call and then to surrender herself to God She cried out to God Why are you bothering me with this There's nothing I can do about it I'm just an ordinary person What could one person do about such a gigantic problem But God had grabbed her attention and wouldn't let go If you've ever struggled with knowing and doing God's will this book is for you With raw honesty Kay goes straight to the heart of the matter the bottom line is surrender Will you say yes to God Along the way she'll introduce you to others people like you who have said yes to God and have made a difference in the world Using their skills energy faith and a willingness to take risks they became powerful instruments of change and tools in God's hands Giving in to God isn't easy It's not for cowards It's the boldest riskiest step you'll ever take This dangerous surrender can bring both joy and pain both heartache and ecstasy but it enables you to know God in a far deeper way than ever before I had to make a conscious decision Would I retreat to my comfortable life and to my settled plans Or would I surrender to God's call and let my heart engage with the cause to which he called me one that I was pretty sure would include buckets of pain and sorrow I felt like I was standing on the edge of a giant precipice I couldn't go back and yet the way forward looked like stepping into a void Kay Warren took that step choosing to say yes to God That decision transformed her life and reshaped her future She invites you to do the same You'll benefit most by discussing this book with others A Readers Group Discussion Guide is provided in the back of the book Additional help can be found at [www.kaywarren.com](http://www.kaywarren.com)      *The Listening Heart* Judy Gordon Morrow, 2013-12-09 More Life is full to overflowing but we crave an illusive more Via social networking airwaves and TV our culture tells us to strive for more stuff more activities more adventure you name it Yet we are often left unfulfilled and

wanting Empty even With so many demands for our attention it is difficult to quiet our minds long enough to hear the still small voice of our loving Father and to listen to the One who desires to bring us so much more than the noise of everyday life Judy Gordon Morrow discovered the more when her world was turned upside down and she knelt before God to seek Him and ask for His help More than a decade ago in tear stained notebooks she began to pen God s responses to her desperate prayers Now in The Listening Heart Judy invites you to spend a year hearing from the God Who Speaks the God who wants to speak to you Each daily devotion echoes the Father s love and care for you offering hope comfort encouragement and more a rich closeness with God that will satisfy the longings of your heart TODAY IS (Volume 3) Christine McTaggart,2012-05-14 Christine McTaggart has written a third volume in the Today is series Be inspired and blessed as you read meditate on and speak out these truths There are 30 new daily inspirations including TODAY IS THE DAY TO BE MERRY TODAY IS THE DAY FOR THE DESERT TO BLOSSOM TODAY IS THE DAY TO GET READY FOR INCREASE TODAY IS THE DAY FOR BLESSING TODAY IS THE DAY TO KEEP KNOCKING At the start of each day you can speak words of life hope and love You can live in joy and in peace Begin your day by speaking God s powerful words Psalm 65 You faithfully answer our prayers with awesome deeds O God our Saviour You are the hope of everyone on Earth You inspire shouts of joy Your Beautiful Heart Lauren Scruggs,2015 With descriptions of her own recovery from a disfiguring accident the author writes about body image issues for teenagers and provides examples from Scripture on how to overcome problems of confidence self esteem and peer pressure **I Will Be Found by You** Francis Frangipane,2013 In I Will Be Found by You he reveals that the deliberate movement of our hearts toward God leads us into far more than a simple answer to our need we actually find Him He teaches us how to reconnect with the living One who is our rescuer our redeemer and the restorer of our souls **The Blood of Jesus As Our Healer** Delray Shudark, .,2021-03-29 What happens when you are standing there as a nonbeliever and then you take one step but in the process of taking that next step you gave your heart to the Lord What happened to you What have you totally received What changes in your blood system Your thought process nerves bones strength etc The blood of Jesus as our healer starts to walk you through the process of understanding we all know that there is a whole lot more you have accepted into your life than what you have activated Understanding your makeup up and who you are The word spoken by God and the breath of life the elements of your makeup that came from God The reason Jesus had to be sent to heal and help us activate our all Special guidance for the children of God opening the total package of heavenly blessings that removes us from our sinful nature the awakening of grace that you didn t know the closer relationship movement that you now have because you choose to operate and activate the Lord s provision in and over your life for family generations through your decision to believe in God and his son Jesus sent to you What can take away your sins Nothing but the blood of Jesus one has to go through Jesus to get to the Father How do you go through Jesus and he goes through you and lives inside you I ll try to help you in the process of reading and receiving by sharing what the Lord deposited in me while attending Minnesota

Graduate School of Theology      *Knowing as We Are Known* Eugene T. Yotka, 2012-07-23 Immerse yourself in that still place within in which God speaks to the true self that you have been created to be This book is more than simply information about inner stillness it is a guide into the experience of inner stillness itself This is the authors journey to that place where God speaks to our spirits and calls us children This is a call not so much to do something as much as it is a call to be who God created us to be Through the experiences of contemplation waiting hope and assurance it is the goal of this writing that you will find rest for your soul body and mind in a fresh new and enduring way We all long to live from the center of an authentic self Gene Yotka has provided an important resource for helping us identify and express a spiritual life from that center His book is a gift Dr Steve Harper Professor of Spiritual Formation Asbury Theological Seminary Gene has demystified contemplative prayer and made it accessible to the average believer Dr Stephen Seamands Professor of Christian Doctrine Asbury Theological Seminary      Proverbs Dr. Jim Leggett, 2025-01-03 Wisdom It s something we all need It doesn t come automatically And it doesn t always come from experience Solomon tells us it is directly related to the fear of the Lord 1 7 James tells us it comes from God and it must be sought James 1 5 The book of Proverbs was written for just that purpose so that we might know wisdom so that we might receive instruction for wise living and so that we might perceive the words of understanding 1 2 That s what this book is all about It will change our attitudes It will affect the way we respond to others It will show us the best way to honor God in the everyday experiences of our lives It will help us to avoid pitfalls and choose the best course of action to benefit ourselves and others The wisdom we are able to glean from this book will keep us on the right path as we ride along the trail of our lives As a devotional commentary the purpose of this book is threefold 1 to help us learn what the Bible says 2 to make us aware of its relevance and 3 to see how befittingly it applies to our own struggles and the everyday experiences of our personal lives      **Of Martyrs, Monks, and Mystics** Charles R. Ringma, Irene Alexander, 2015-10-15 Everywhere there are voices calling for a new Reformation marked by a return to the older sources of Christian wisdom and for drinking anew the inspiration of the Desert Fathers and Mothers the church fathers those from the monastic tradition and the medieval Christian mystics This anthology of original sources in contemporary English structured in a meditational mode could well be the rich resource you are looking for in hearing the ancient Christian wisdom Here are the deep wells of theological and spiritual insight that could guide you in walking a renewed path of faith in our precarious world These voices from the past may well help you in living against the tide of late modernity with its rationality and utilitarianism that cannot sustain a well lived and well loved life This book could sustain the hope for a renewed world through life lived in the presence of the healing and empowering God      *Money in the Bible, Nesara, the Federal Reserve* Bill Stone, 2022-04-15 We re going to talk about NESARA with you today Corruption and the Federal Reserve So you ve undoubtedly seen some of my work before No we have a complete money list for you to review Because I enjoy performing that portion you can look at the gold back standard Nesara and the Bible When it comes to the Federal Reserve the majority

of people have never heard of it Whoa whoa whoa whoa whoa whoa whoa whoa whoa whoa who People are taught and the majority of people are taught that money is uninteresting It is not something I study That s something I delegated to my financial planner I could also hire a banker to do it for me Isn t the bank aware of this I recall transferring our accounts to a new bank I had a bank vice president come in and ask me a lot of questions about this And we ve had a lot of conversations And the person next to her was having a hard time He responds Yeah but doesn t the Federal Reserve handle the money He didn t have adequate information on the subject Now the reality of what s to come as NESARA will explain in a minute However when that time arrives you ll need to alter your money related cognitive process So let s take a look at the Federal Reserve s history So guy 1912 April 1912 is a fascinating period for purchasing I ve been a Christian for a long time but I recall doing a lot of research because I had dyslexia and learning was difficult for me I put in a lot of effort And I began reading when I was a teenager Before that I hadn t read much at all I mean just a smidgeon but not much But I was getting into end of the world scenarios But I was also studying a variety of other subjects There were numerous elites in the past and there are still many today They re multi billionaires What s more intriguing is that they were opposed to the Federal Reserve And we ll get to that in a minute The majority of them were anti Federal Reserve Now this is a central bank so you should know a little about history In 1775 we as Americans threw over the tea in the Boston Tea Party because we were being taxed We despised the concept of a world without representation By the way we all despise that concept And we despised the Stamp Act and all the other attempts by the crown to dictate to the colonies what they could and could not do as well as what they would take from them

*Living the God-Breathed Life* Thom Gardner,2011-01-01 Living the God Breathed Life is more about becoming rather than doing It reflects a Jesus worldview that disdains religious zealotry and mere orthodoxy in spiritual experiences Learning to be present with Christ at His table of bounty brings you a life full of peace power and presence You are invited to dine in His presence of acceptance where you can let go of all your burdens and meet Him face to face for a heart to heart relationship Living the God Breathed Life is divided into three inspirational parts The Conversation spiritual conformation The Table personal transformation The Encounter with your living Christ The God Breathed life removes What if I should and ought to and invites us to a more face to face and hands on experience of God Living the God Breathed Life is scripturally sound and consistent It is the realm of life and living God always intended to enjoy with you Insightful Join the Journey questions at the end of each chapter and an interactive final chapter guide you in experiencing the truths presented through powerful personal times with God
