Dust jacket flap **Audrika's Magic** R.S. Everburg, 2011-06-13 With her first published book the author is letting us in on a secret All around the edges of the world of everyday here and now lie magical doors teasing beckoning daring us to summon the courage to pry them open wide enough to squeeze through She knows what she s talking about She s found a lot of these doors through the years sometimes in the most unexpected places Mostly she s taken up the challenge to squeeze through and has never once been sorry that she did Children know how to do this but time and the greedy demands of the world of everyday here and now can be robbers and poachers So often we re told that we must give up the search for those doors to apply ourselves to more practical things that

peeking beyond the edges of the everyday world is a fun but frivolous part of childhood and must eventually be laid aside That brings us back round to Audrika s story She s a normal ten year old with a normal ten year old s problems Already she s come perilously close to slamming the door shut on her own magic forever but a summer full of adventure and yes dare we say it magic will change all that She ll find the courage to step through a door tucked away in a remote corner of an enchanted greenhouse What she finds on the other side will change her life forever True this is a story about the possibilities that lie on the other side of an enchanted door but it is more It is a nudge that worries and warns Don t forget the magic Hang on Hold on If you are courageous enough you don t ever have to let go There is no expiration date on the magic that fills our insides with soda pop bubbles and sends fireworks up into a velvet night sky This book is a gift to every child struggling to hold on to their special magic Perhaps it is also a gift to every adult who has misplaced their own and longs for its return
