**Zero Damage Sword Saint: I Enrolled in a Magic School and Wound Up in a Contract with the Demon Queen: Volume 1** Isle Osaki,2025-09-25 Eugene Santafield is a young man who dreams of becoming a magic swordsman There's only one problem He can't use any attack magic Instead he's blessed with extremely powerful defensive and healing magic an irony that earns him the ridicule of his peers Determined to escape from those who know of his failings Eugene flees to the Lykeion Magic Academy where he meets Erinyes a fallen Demon Queen imprisoned beneath the school Taken in by his potential Erinyes appoints Eugene to be her caretaker Not long after the

headmaster of the academy assigns Eugene to be the guardian of Sumire a mysterious girl from another world who just so happens to be an Ifrit of legend With these two women at his side history s biggest failure is sure to become a legendary swordsman right Nine Dragons War God Jiang GongZi,2019-12-02 He had seized the nine dragons that defied the heavens With the Lightning Perception surrounded one s soul would be reincarnated reborn into the body of the trash Lei Nian What Cultivation genius I have the Nine Dragons Stone Unconvinced Close the door let loose thunder **Dragon Prince's Heart** Glow Peridote, Adventure Fantasy Full of Action Epic Story Strong Male and Female Protagonist Full of Magic Loved by Men Addictive Story Sweet Love Revenge Dragon Prince The Last Dragon Draco Black I won t let you go Astrid After almost a hundred years Finally I found you My first love said Draco while kissed Astrid passionately To resurrect the dragon race the last dragon prince must make a sacrifice in order to find The Heart of Magic once stolen from his kingdom by a human sorcerer Draco you are the last hope The dragons fate is in your hand said the old dragon before closing his eyes During his journey Draco Black had met Astrid Lewis a girl with bad luck She hated her life Their fate seemed intertwined with each other During the journey they learned about trust love and friendship Their bonding as Amicus a partner in survival was unbreakable After many struggles they found the truth about the awakened Heart of Magic The hard choice should be made Will their love win and last forever Dragon Sacrifice Love Every choice has its consequences **A Course of Instruction of Theory & Practice of Magic+ Magical Evocation + Magical Words** Franz Bardon,2021-01-19 This volume contains all three books of theoretical and practical use by Franz Bardon Franz Bardon needs no introduction in the field of Magic Evocation occultism practical use of the first three tarot cards use of magical words and letters A Course of Instruction of Theory Practice of Magic Magical Evocation Magical Words Anyone who should believe to find in this work nothing else but a collection of recipes with the aid of which he can easily and without any effort attain to honor and glory riches and power and aim at the annihilation of his enemies might be told from the very inception that he will put aside this book being very disappointed Numerous sects and religions do not understand the expression of magic otherwise than black art witchcraft or conspiracy with evil powers It is therefore not astonishing that many people are frightened by a certain horror whenever the word magic is pronounced Jugglers conjurers and charlatans have discredited this term and considering this circumstance there is no surprise that magic knowledge has always been looked upon with a slight disregard Even in the remotest times the MAGUS has been regarded as one of the highest adepts and it might be of interest to learn that as a matter of fact the word magic is derived from this word The so called sorcerers are by no means initiates but only imitators o the mysteries who counting partly on the ignorance and partly on the credulity of the individuality or a whole nation in order to reach their selfish aims by lies and fraud The true magician will always despise such practices In reality magic is a sacred science it is in the very true sense the sum of all knowledge because it teaches how to know and utilize the sovereign rules There is no difference between magic and mystic or any other conception of the name Wherever authentic initiation is at

stake one has to proceed on the same basis according to the same rules irrespective of the name given by this or that creed Considering the universal polarity rules of good and evil active and passive light and shadow each science can serve good as well as bad purposes Let us take the example of a knife an object that virtually ought to be used for cutting bread only which however can become a dangerous weapon in the hands of a murderer All depends on the character of the individual This principle goes just as well for all the spheres of the occult sciences In my book I have chosen the term of magician for all of my disciples it being a symbol of the deepest initiation and the highest wisdom Many of the readers will know of course that the word tarot does not mean a game of cards serving mantical purposes but a symbolic book of initiation which contains the greatest secrets in a symbolic form The first tablet of this book introduces the magician representing him as the master of the elements and offering the key to the first Arcanum the secret of the ineffable name of Tetragrammaton the quabbalistic Yod He Vau He Here we will therefore find the gate to the magician s initiation The reader will easily realize how significant and how manifold the application of this tablet is Not one of the books published up to date does describe the true sense of the first Tarot card so distinctly as I have done in my book It is let it be noted born from the own practice and destined for the practical use of a lot of other people and all my disciples have found it to be the best and most serviceable system Tetragrammaton literally means the four letter word It was a subterfuge to avoid the sin of uttering the sacred name YHVH Yahveh or Jehova as it later became when the vowels of another word were combined with the consonants of YHVH But I would never dare to say that my book describes or deals with all the magic or mystic problems If anyone should like to write all about this sublime wisdom he ought to fill folio volumes It can however be affirmed positively that this work is indeed the gate to the true initiation the first key to using the universal rules I am not going to deny the fact of fragments being able to be found in many an author s publications but not in a single book will the reader find so exact a description of the first Tarot card I have taken pains to be as plain as possible in the course of the lectures to make the sublime Truth accessible to everybody although it has been a hard task sometimes to find such simple words as are necessary for the understanding of all the readers I must leave it to the judgment of all of you whether or not my efforts have been successful At certain points I have been forced to repeat myself deliberately to emphasize some important sentences and to spare the reader any going back to a particular page There have been many complaints of people interested in the occult sciences that they had never got any chance at all to be initiated by a personal master or leader guru Therefore only people endowed with exceptional faculties a poor preferred minority seemed to be able to gain this sublime knowledge Thus a great many of serious seekers of the truth had to go through piles of books just to catch one pearl of it now and again The one however who is earnestly interested in his progress and does not pursue this sacred wisdom from sheer curiosity or else is yearning to satisfy his own lust will find the right leader to initiate him in this book No incarnate adept however high his rank may be can give the disciple more for his start than the present book does If both the honest trainee and the attentive reader will find in this book

all they have been searching for in vain all the years then the book has fulfilled its purpose completely The Author *Mage's Odyssey 1* Ethan Starborne,2024-07-11

**The Practice of Magical Evocation** Franz Bardon,2014-07-28 Throughout the ages and primarily during the past few centuries many lengthy dissertations have been published on the art of higher magic Unfortunately they are for the most part such bewildering and incomplete remnants that very little of it can be taken as a point of reference for practical studies and this only in small fragments The original initiative for magic was known only to a very few lodges and was reserved for a particularly chosen few while for the seekers of truth who searched diligently for any information this subject matter remained dark and mysterious Various religions during the Middle Ages were severely hostile towards any magical knowledge In our history the most prominent examples are the well known Inquisitions Later in modern times magic

was regarded as mere superstition and any person who showed some inclination toward this knowledge let alone one seriously concerned himself with the study of magic was regarded as a fool and was ridiculed In the past mystical and other sects maligned magic to such a degree that the word magic has to this very day an extremely dubious reputation And any person who has had an appreciation or understanding for magical knowledge has been pilloried as a black magician In reality true magic was initially taught in the ancient schools of the prophets and then only in the highest circles However only a few select insiders had access to these institutions In those days only a few books occasionally disclosed scant bits of information about true magic These books were deliberately written in such a way that they would disclose little or nothing even to the most astute reader and hence they would not give the seeker of truth a complete understanding of the subject of magic In accordance with the ancient Egyptian Mysteries the magic of the second Tarot card is represented by the High Priestess Franz Bardon the author of The Practice of Magical Evocation gladly continues to guide the serious diligent reader and student of magic along the proper path as long as this person is devoid of any fanatical religious beliefs and erroneous ideology Furthermore this person has to be prepared to penetrate further into the mysteries of the knowledge of magic or the Hermetic sciences As in Franz Bardon s first book Initiation into Hermetics Bardon endeavors to keep the language of this second volume in a style that is understandable to everyone The subject matter of the magic of evocation is among the least known and least investigated branches of the art and therefore Bardon makes certain that every person who reads this book will become completely familiar with this subject matter not only in theory but above all with the practice if he so chooses It is important however that the reader know that he will not achieve any results with the practice of magical evocation unless he has successfully completed Step VIII at the very least of Franz Bardon s first book Initiation into Hermetics which is a description of the first tarot card the Magician Should Franz Bardon be successful in assisting the reader who has successfully completed the entire practical part of his first book to achieve the same good results with this one then Bardon has achieved his objective Those readers who initially study the secret sciences only theoretically will find in this work a satisfactory broadening of their knowledge

*Vandermine The Swords Errand* 9 CD audio book at [www.audiorealms.com](http://www.audiorealms.com) Downloadable MP3 file at [www.theaudiobookshop.com](http://www.theaudiobookshop.com) Contains bonus sample from the sequel *Vandermine Children of the Apocalypse* Jon Andrews is a fun loving college football player who defies the stereotype by being as well studied and thoughtful as he is physically intense He enjoys studying medieval history almost as much as sacking quarterbacks A trip to a medieval exhibit at a local museum sends a pair of bullets from the gun of a panicked robber his way and brings a stolen broadsword mysteriously into his possession Before he can return it the ancient weapon spirits him away to its own world Gritty pain and true fear soon convince him that he is not simply dreaming when he finds himself in what appears to be medieval Europe Captured by the king's soldiers a wizard of the Holy Order reveals that the stranger carries the legendary sword Vandermine and that it is dead iron in the hands of anyone else Jon is soon pressed into service joining a desperate quest to slay Cravos the would be conqueror of the kingdom and violator of all the laws of the Holy Order in unleashing forbidden and wildly destructive magic power that once loosed threatens to bring to pass the prophesied second apocalypse Jon's companions on the quest are a veritable dream team the king's champion the best in their respective disciplines The further the reluctant hero travels the more he sees things that seem to have leapt straight out of books of mythology not history It is soon painfully obvious that being in great physical shape and wielding a magic sword is not enough Thrust into a life or death struggle in a world he can't understand Jon relies on his faithful comrades to give him the skills he needs to command Vandermine's full power before the reality of this impossible world catches up with him The journey for Jon is not merely physically daunting and dangerous but mentally and emotionally taxing as well Before he was torn out of the world he once knew he was accustomed to being one of

the stronger and more competent members of his team However the harsh realities of the ancient world that has called for him soon humiliate him making him feel like the weakest link Through training suffering and conquering with the kings picked men as he strives to fulfill the sword's errand Jon gains the respect due a battle-hardened veteran earning it the hard way
