Buch,2009-08-01 Drawing on hundreds of operas singspiels ballets and plays with supernatural themes *Magic Flutes and Enchanted Forests* argues that the tension between fantasy and Enlightenment era rationality shaped some of the most important works of eighteenth century musical theater and profoundly influenced how audiences and critics responded to them David J Buch reveals that despite and perhaps even because of their fundamental irrationality fantastic and exotic themes acquired extraordinary force and popularity during the period pervading theatrical works with music in the French German and Italian mainstream Considering prominent compositions by Gluck Rameau and Haydn as well as many seminal contributions by lesser known artists Buch locates the origins of these magical elements in such historical sources as ancient mythology European fairy tales the Arabian Nights and the occult He concludes with a brilliant excavation of the supernatural roots of Mozart s *The Magic Flute* and *Don Giovanni* building a new foundation for our understanding of the magical themes that proliferated in Mozart s wake My Own Magic Anna Kloots,2023-05-16 For every woman searching for her voice Anna Kloots shares her story of starting over by trusting the magic that was always within Despite what appeared to be a glamorous existence full of globetrotting adventures behind the scenes Anna felt invisible in her own life Consumed by a marriage that left no space for her own desires and creativity she chose to reframe the failure of her marriage as an opportunity to begin again It was Anna s innate sense of adventure and love for the unknown that led her to move abroad travel around the world visiting 80 countries start her own business and marry a magician all before her mid twenties From the outside her jet setting lifestyle

alongside her husband looked perfect But though she appeared to have all the freedom in the world in reality she was trapped in a slow motion disappearing act When her marriage collapsed she decided to use her unhappy ending as a chance for a new beginning a reappearance into her own life and sense of exploration and discovery letting each destination challenge change and shape her Following Anna s extensive travels from the bustling streets of Jaipur to the canals of Venice to the desert of Dubai My Own Magic is a powerful memoir a true coming of age story about a woman rediscovering the magic that she always had Anna s memoir is proof that travel can transform you inspire you and even save you Perfect for fans of Eat Pray Love Giants of the Seas Aaron Saunders,2013-10-01 The cruise ship market is a 30 billion dollar industry and in 2013 it is estimated that it will carry more than 20 million passengers nor is there any sign of a slow down in the seven percent annual growth What keeps the passengers coming in such huge numbers isn t the food the ports or the entertainment They come for the magnificent floating palaces themselves the giants of the sea In this new book the author showcases the most influential cruise ships of the last three decades beginning with Royal Caribbean s ground breaking Sovereign of the Seas When she was launched in 1988 she was the largest passenger ship constructed since Cunard s Queen Mary entered service some 48 years earlier and her entry into service sparked a fiercely competitive building boom that continues to this day The reader is taken aboard thirty of the most spectacular ships to reveal how their innovative designs changed the landscape of modern cruising By employing original and archival photographs deck plans cruise programmes as well as the author s intimate knowledge of many of these vessels a unique picture is built up of these great ships and it becomes clear that the true Golden Age of Cruising is not in some distant past but exists right now and that its origins can be traced back to one ship launched in 1988 A truly sumptuous and fascinating book for all those drawn to the world of the modern cruise ship As seen in Ships Monthly Magazine Mistletoe Wishes Carole Mortimer,Jane Porter,Catherine George,2011-10-01 The Billionaire s Christmas Gift by Carole Mortimer Nick Steele s heart is closed to everyone but his daughter He will do anything to make this Christmas special for his little girl though sharing the holidays with her impossibly attractive teacher wasn t at all what he had planned But the lovely and vibrant Ms Beth Morgan soon has Nick rethinking his own wish list Might there be room for one more special lady in his life One Christmas Night in Venice by Jane Porter Five years ago a car accident killed her husband and unborn child or so Diane Mayer had thought Then she sees Dominic Coducci alive and well before her eyes looking as shocked as she Dom is determined to put his family back together whatever it takes But Diane needs to be sure about her husband s feelings before she can share his bed again Snowbound with the Millionaire by Catherine George Georgia had no intention of spending her Christmas marooned with a sexy millionaire She wanted to be alone to lick her wounds and nurse her broken heart But Chance her gorgeous rescuer was making it difficult for Georgia to concentrate on her misery Though a snowstorm raged outside the mansion inside things were quickly heating up *The Italian Idea* Will Bowers,2020-01-02 A dual perspective study of how English engagement with Italy and the work of Italian
