Rose,2022-08-24 A month ago a demon tore the thin veneer of a normal life I had crafted apart when it almost killed me Revealing my husband Eli as the prodigal son of a powerful magic family When I grew up I walked away from magic Left my remote hometown and pretended the ghosts Gran taught me to see weren't there while I went to university to become a librarian Our one secret tightly held to my heart Never let them know Two years later with no other financial option I moved back to my small hometown It was easy to pretend the fuzzy gaps in my memory weren't there as I got a job under the strict woman who almost killed my childhood love of books I thought everything was perfect when I married my dream guy Then the attack happened The good folks at the local magical law enforcement agency knew about me the whole time They've pressured me to work for them as an exorcist because they're convinced I was a vigilante who committed multiple murders My odd intriguing mentor Cory watches for any misstep as I avoid the seduction attempt he's been asked to perform Now they've accused my estranged older brother of taking over my crimes I know I was framed despite the gaps in my memory
